(binding included)
3/4 yard
1 yard

AH33-Fruit
1/2 yard
3/4 yard

Backing Fabric 4 yard
Your Choice! 5.25 yard

throw size cut list

80 - 2.5" squares
from AH-31 Turquoise

59 - 4.5" squares

38 - 6.5" squares

13 - 8.5" squares

4 - 12.5" squares

queen size cut list

150 - 2.5" squares
from AH-31 Turquoise

116 - 4.5" squares

70 - 6.5" squares

21 - 8.5" squares

10 - 12.5" squares

Please purchase additional yardage if you choose to fussy cut your fabrics.

Following the cut list, cut the quantities listed of your 4.5", 6.5", 8.5" and 12.5" squares from the assorted prints. Cut the required number of 2.5" squares from the turquoise print.

With all of your pieces cut you are now ready to sew.

Use a 1/4" seam allowance for all piecing. Press all seam allowances open.

To create the corner triangles on your blocks, begin with one 12.5" square and one 2.5" square. Mark a diagonal line from corner to corner on the wrong side of the 2.5" square. Place the square in the corner of the 12.5" block, with right sides together, so that the marked line is aligned across the corner as shown. Stitch along the marked line and cut away the excess as shown. Press your seam allowance open.

Repeat this step to make all of your corner triangles. First, sew the triangle corners on all of your 12.5" blocks. Refer to the quilt diagram for corner triangle placement on the 4.5", 6.5", and 8.5" squares.

Next, you will piece the units needed to complete the quilt top. Following the piecing diagram below and complete the # of units needed for the size quilt you are making.

Because many of the fabrics used are one way designs, there are two styles of every unit, one vertical and one horizontal. Follow the visual guidelines to be sure your blocks are oriented in the right direction.

Once all of the units are complete and ready to sew together, follow the piecing diagram to sew the units into rows and then assemble the rows to complete your top.

Quilt and bind as desired.

*Fabric allowed for 2.5" binding strips cut across the width of the fabric.
