END DEMAND WISCONSIN

SLAVEFREE MADISON
TAKE THE PLEDGE TO END DEMAND IN WISCONSIN

I UNDERSTAND THAT:

- **Human trafficking is the crime of buying and selling of women, men and children to be exploited in the commercial sex industry and other forms of forced labor.**
- **Human trafficking is the most severe form of human exploitation.**
- **Human trafficking is a gross violation of human rights.**
- **Human trafficking occurs in Wisconsin, the United States and world-wide.**
- **Human trafficking is fueled by demand.**

THEREFORE:

1. **I pledge to respect the human rights of others, speak out against all forms of exploitation and urge friends and family to do the same.**
2. **I pledge to support efforts that address factors creating vulnerability to human trafficking – inadequate mental health services, lack of secure housing, economic insecurity, child abuse or neglect and laws that increase victim vulnerability.**
3. **I pledge to not create demand for human trafficking by searching for fair trade options of goods and services that are not produced through exploitation.**
4. **I pledge to not exploit others for sex.**
5. **I pledge to demand that all who profit from exploitation of people, and all those who purchase women, men and children for sex, are held accountable – arrested, charged and prosecuted.**
