WELLNESS FORM

BRING THIS FORM ALONG WITH YOU ON ARRIVAL DAY — IT IS YOU AND YOUR DAUGHTER’S TICKET OF ENTRY!

Due to the community & proximity of camp, we want to do our best to make sure everyone stays **healthy** while they are **staying at camp**.

This means asking for your help in limiting the chances of contagious illnesses or lice coming into camp as these precautions have been put into effect to protect the entire camp community.

On the day of her arrival, please check your daughter for **lice** & make sure she has not suffered from, or been in contact with someone suffering from one or more of the **five symptoms listed below**. If she has, **please contact camp immediately**.

Bring this form along with her to camp, or on the bus. If she is travelling by plane or train, you may email a copy on the day of her departure to info@ouareau.com.

If you do not know how to check for lice, please **call or email us**, and we'll be happy to help you.

Please don't hesitate to contact us with any questions.

CAMPER NAME: _____

I have read the previous paragraph and can certify that in the **past week**, my daughter has not suffered from, or been in contact with someone suffering from:

- Fever
- Cough
- Diarrhea
- Muscle Aches
- Vomiting

I have moreover **checked her for lice** and, to the best of my knowledge, she is currently nit and bug-free. (Please **ONLY** fill this in on the date of your daughter’s arrival)

DATE ____/____/____

SIGNATURE _____

A copy of our wellness & lice policies can be found in our camp guide.
