VISUAL RAMP (works with stage boxes)

The **CORPS DESIGN** Ramp is designed to work with the Stage Boxes allowing performers easy access. The design makes it easy to move, store and transport.

CDBOX-RAMP

12'(l) x 4'(w) x 3' (h)

Two parts combine to create full ramp. Each part includes two 8" Every-Roll fixed casters.

Accessories/Add-ons are available for CORPS DESIGN products.

All **CORPS DESIGN** Products are made in the USA and come with a limited 3-year structural warranty.
