

JEFFERSON PARK  
BAPTIST CHURCH

*visitor information*

*welcome*

We hope you will join us in worshipping the God who saves sinners and is worthy of our praise. We pray that our worship will encourage you and cause you to know God better. If you'd like to learn more about our church, we invite you to stay after the service and get to know our members and elders.

## *nursery*

During our Morning Worship Service, the nursery is available to babies and toddlers under four years old. We strive to make our nursery a safe and caring place for children. They will enjoy songs, stories, and free play. A hostess will welcome you at the desk and help your child to his/her room. The nursery is located down the hall from the main hall on the left.

## *training*

Our conviction is that families should worship together. For those with little ones still learning to sit through the service, we offer a training area with a live video feed from the main service in the fellowship hall. We encourage you to take advantage of this space as you teach your children to participate in the corporate worship service. The fellowship hall is located beyond the special needs room and offices, opposite the main hall.

## *special needs*

We also offer a room with a live video feed for those who have loved ones with special needs. The Special Needs Room is located at the end of the hall from the main hall, across from the offices.

## *worship*

Inside the church bulletin you will find our order of worship. We like to sing, and we welcome you to join us. If you do not have a Bible, please take one home with you today. Much of our time this morning will be spent studying the Bible. Our goal is to explain the words of Scripture clearly and to show how they apply to our lives.

# *membership class*

In each quarter, we will be offering a class for those interested in knowing more about JPBC on Sunday mornings during the Sunday School hour. The elders will teach through various aspects of JPBC to provide an “under the hood” look at the church. The class consists of four parts:

1. Introduction and Doctrine
2. Core Commitments of JPBC
3. Structure and Diet
4. Covenant

This class is required for those seeking membership but is also an opportunity for those interested in learning more about our body.

## *newsletter*

If you would like to receive our weekly e-mail newsletter, please visit: [www.jpbc.org](http://www.jpbc.org) and sign up on our home page.
