

Elevating Your Personal Brand

Executive Presence seminar overview

These days, every day is an interview. You constantly need to be aware of how others perceive you. Even when your technical skills are acknowledged, your development may be held back by an inability to express yourself, assume leadership and motivate others.

This interactive workshop shows your staff or advisors how to become influential leaders by delivering more compelling and persuasive executive messages and having more productive conversations, thus increasing the contributions they make to your organization.

Seminar resources

The Executive Presence package contains everything needed for us to train your staff and/or partner with you to train a group of advisors, including:

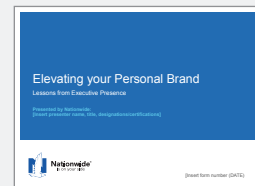

Executive Presence book

Each attendee will receive a copy of *Understanding Executive Presence and How to Make it Work for You* to help further their understanding of the Executive Presence approach.

Executive Presence presentation

Your Nationwide® Regional Vice President (RVP) will train your staff or a group of your key advisors on the value of adopting the Executive Presence approach. Each attendee will leave with an action plan to immediately apply their knowledge from the seminar in their interactions at the office and with clients.
