Midtown Educational Foundation 2017 Fact Sheet

Midtown Educational Foundation guides low-income urban youth in Chicago along pathways of success. Our proven enrichment programs embrace the dignity of the person by focusing on academic excellence, virtue development, individual attention, and parental engagement.

MEF operates through its Metro Achievement Center for girls and Midtown Center for boys in grades 4 – 12. Programs focus on Hispanic and African-American youth, offering after-school and summertime growth opportunities that help students of average academic ability to achieve above-average results. Programs are rooted in Catholic moral and social teaching and embrace students regardless of their religious, racial, ethnic, or familial status. MEF received its original inspiration from Opus Dei, an institution of the Catholic Church, and continues today its partnership with Opus Dei.
