### STEPHEN CONE WEEKS

Stephen Cone Weeks, Canadian, was born in London in 1952. He grew up in Canada, the USA and Germany. His grandfather was the American painter Marvin Cone (1891-1965).

After studying drawing and stained glass in Germany from 1968-72, Stephen Cone weeks returned to Canada where he received his Bachelor of Fine Arts in drawing and printmaking from the University of Windsor in 1976 (Governor Generals Medal). A DAAD scholarship (German Academic Exchange Service) made it possible for him to study under Prof. Rolf Sackenheim at the Art Academy of Düsseldorf where he became a *Meisterschüler* in 1978. He began doing his glass-drawings in 1997.

Stephen Cone Weeks lives and works in Düsseldorf, Germany, and in Como, Italy, where he has a summer studio.
