## Test Prep Class for Students

### Higher Scores

- Our SAT prep class program includes full-length practice tests, weekly homework assignments, and 3 SAT prep course books (1 SAT math book, 1 SAT reading/writing/essay book, 1 SAT practice test book).
- Baseline and post class full-length SAT practice tests, essay tests, and answer sheets are included.
- Each student will receive an initial baseline diagnostic PDF report that reveals SAT strengths and weaknesses.
- After the SAT class instructional sessions, each student will receive a post class diagnostic PDF report.
- The group prep class will include 7 instructional sessions and 2 full-length practice exams.
