### SERVICE CHARGE

Thank you for your patronage. In order to provide all of our team members with living wages and comply with federal, state, and local laws, Local 360 will add a 20% service charge to your bill. 58% of the service charge will go directly to your server as a commission. If you are served by a bartender, 60% of the service charge collected from your check will go directly to your bartender as a commission. The remainder of the service charge will be retained by Local 360, and will be used toward paying employee wages, benefits, and discretionary bonuses, as well as private dining fees and B&O taxes attributable to the service charge. If you have any questions regarding this policy or concerns regarding your service, please speak to a manager. Again, thank you for your business, and we wish you a happy 2017.
