

The La Porte Education Foundation

2013 - 2014 Annual Report
Benefiting the students & educators of the
La Porte Independent School District

Letter From the President

Dear Foundation Friends,

The La Porte Education Foundation reached a BIG milestone in 2013 – our 20th anniversary. Since 1993, the Foundation has awarded more than \$1.5 million in grants and special projects. The LPEF Innovative Instructional Grants Program has impacted a total of 1,172 teachers.

None of this could have been possible without the generosity of our donors. I would like to extend a big THANK YOU to each and every one of you. As of our 2013-2014 fiscal year-end, contributions and pledges totaled more than \$ 201,000.

This past year has also seen tremendous accomplishment and activity for the programs and events at the Foundation.

A total of \$104,361 was awarded to teachers through our Innovative Instructional Grants Program during the 2013-2014 school year. This is the largest sum in a single-year to date!

Our annual Breakfast with the Stars, held in August before the start of school, demonstrated the support of our community. Business and industry representatives turned out to celebrate the start of a new school year and acknowledge previous LPISD grant recipients and Teachers of the Year.

The Education Celebration, sponsored by the Foundation, brought hundreds of parents and students together at La Porte High School to showcase students' work and shine the spotlight on the importance of education in our community.

The success of the Norman Malone Mayor's Memorial Golf Tournament, benefiting the Foundation, continued with 46 teams of area business and industry representatives and local residents enjoying a day on the course.

My two years as President have been so fulfilling and rewarding. As I transition to my role of VP of Administration for the 2014-2015 fiscal year, I am excited about what the future holds. Mr. Brian Kinkopf of Noltex, LLC will assume the role of President.

As always, we welcome the involvement of our community through financial gifts and volunteer service through Friends of the Foundation. If you'd like to get involved, please let us know.

Anthropologist Margaret Mead once said, "Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has." This quotation exemplifies the spirit in which our contributors generously donate and our directors and volunteers tirelessly work on behalf of LPISD students. Thank you for your enthusiasm and involvement in education for LPISD!

Sincerely,

Johnna Bowen, President
La Porte Education Foundation Board of Directors
2013-2014

The La Porte Education Foundation: Who We Are

The La Porte Education Foundation is a not-for-profit 501 (c)(3) organization.

Mission

The mission of the La Porte Education Foundation is to enhance education by funding innovative, creative instructional projects for students and teachers in the La Porte Independent School District.

Goals

In order to fulfill this mission, LPEF has defined several goals:

- To serve as a catalyst for involving the community in education
- To create an endowment to fund the programs/activities of the foundation
- To expand opportunities for all La Porte ISD students and their teachers

LPEF funds two areas that seek to enrich and maximize the quality of education in our school district and for our students. Through grant administration, funding is awarded to teachers to research and develop innovative programs and advance new teaching approaches. Grants in this area also can be awarded for staff initiatives to identify and address needs, challenges and concerns. The La Porte Education Foundation also administers funds from donors who earmark them for scholarships for La Porte High School graduating seniors.

The success of our initiatives depends greatly on the support of our local community. To this end, LPEF sponsors several annual events and activities to not only raise funds for our programs, but to involve local businesses, organizations and individuals with our organization. Together, we are ensuring each student has the highest quality educational experience.

Our History

In July 1993, a group of leading citizens and industry leaders joined to form the La Porte Education Foundation. This initiative was made possible through the vision of then-superintendent Richard F. Hays. Their goal was to expand educational opportunities for La Porte ISD students and teachers. Shortly after organizing, the board decided to kick off a Founders Drive with a goal of raising \$100,000. All the schools, businesses and civic organizations were visited in the fall of 1993 and presented with information about the Foundation. With the Founders Drive barely underway, the Foundation Board decided to award its first round of grants. In the fall of 1993 thirteen grants were awarded.

*To date, the Foundation has awarded \$1,595,064 in grants and special projects. The LPEF grant program has impacted a total of 1,172 teachers. The Foundation awarded \$104,361 during the 2013-2014 school year.

Awards

Texas Community Partnership Crystal Award – Texas Association of Partners in Education

The La Porte Education Foundation received the 2006 Texas Community Partnership Crystal Award from the Texas Association of Partners in Education. The Award recognized that the educational partnership between the La Porte Education Foundation and the La Porte Independent School District has demonstrated a positive impact on student achievement in the district.

Texas School Business's Bragging Rights

The La Porte Education Foundation Global Studies Program was one of 12 outstanding programs featured in the Texas School Business publication in December 2008.

The 1993 - 1994 Founding Officers and Board of Directors

President Joe Monk - Plant Manager, Fina Oil
 Vice-President of Finance/Administration Dr. Reed Tolles - Bay-Porte Animal Clinic
 Vice-President of Program Allocations Kathy Jackson - The Family Pharmacy
 Vice-President of Development/Campaigns Jan Lawler - La Porte Oak Park, Inc.
 Secretary Mary Ann Trainer - Community Volunteer

Breakfast with the Stars

More than 400 community members, business and industry "friends," and educators from La Porte ISD attend this kickoff celebration for a new school year honoring our "Stars," the teacher grant recipients and Teachers of the Year. This year's guest speakers were teachers who had benefitted from grants awarded by the Foundation. Sponsors for this year's Breakfast included Air Products , The Bill & Helen Crowder Foundation, DuPont, LyondellBasell, and Thompson & Horton.

Education Celebration

The Education Celebration is an event held in honor of Texas Public Schools Week in March at La Porte High School. The purpose is to provide an opportunity for the community to get involved in the education process. Each school has a tabletop display highlighting some of their activities during the year.

Norman Malone Memorial Mayor's Golf Tournament

The Foundation again was the recipient of the proceeds from the Norman Malone Memorial Mayor's Golf Tournament. This was a premiere fundraiser for 2014. A total of \$18,974 was raised. Major sponsors for the tournament were the Albermarle Foundation, Gringo's Mexican Kitchen, Coastal Securities, PBK, Walmart, and Wolseley Industrial Group.

Innovative Instructional Grants

Grants to Teachers

This program encourages teachers in the District to research and develop innovative programs that stimulate thought; expand the existing curriculum to meet District goals; and advance new approaches to teaching in individual classrooms. Teacher applications for funding these programs are submitted to the Grant Committee each fall for the following semester. The committee evaluates the applications and recommends funding to the Board of Directors.

School Site Grants

Similar to the Grants to Teachers Program, these grant opportunities are for staff initiatives to identify and address needs, challenges, and concerns. The identified areas reflect the district mission, statement of philosophy, or district improvement plan. Staff applications for funding of these programs also are submitted to the Grant Committee and the committee makes recommendations for funding to the Board of Directors.

The Grants Committee met in October to review grant requests for the 2013-2014 school year. In November, the Dollar Patrol (comprised of committee and board members) went out to all 12 schools to award checks to ecstatic teachers. The Foundation awarded 103 grants totaling \$104,361.

Grant Recipients

2013 - 103 Grants - \$104,361

Since 1993, more than \$1.5 million has been awarded for grants and special programs.

Get Involved with the La Porte Education Foundation!

The La Porte Education Foundation is able to accomplish its mission and goals only because of its supporters. There are many ways you or your business can become involved with LPEF and make a true difference to the La Porte Independent School District.

Business partnerships: Local businesses can support the Foundation both financially and by volunteering at Foundation events. Our current annual contributors provide support at Distinguished, Diamond, Platinum, Gold, Silver, or Bronze levels. Business partners also may want to support the annual Norman Malone Memorial Mayor's Golf Tournament, Breakfast with the Stars or the Education Celebration.

Volunteer: LPEF welcomes individual volunteers to work at the Norman Malone Memorial Mayor's Golf Tournament and other events or by lending your special talents or expertise to Foundation projects.

Individual Donors: Show your support of the Foundation's work with your financial donation. La Porte ISD employees can make donations through the payroll deduction program. Loved ones can be recognized through the LPEF Commemorative Gifts Program.

"Bone Appetite": Looking for a new recipe but not sure where to go? "Bone Appetite," the yummy cookbook of LPEF, has numerous recipes that will turn any special occasion or dinner into a delicious gathering. Proceeds from "Bone Appetite" go directly to the work of the Foundation. Copies are \$10 plus shipping and handling. Download your order form now!

Our generous donors make our programs possible and have impacted thousands of children over the years. Donations at all levels are appreciated. We welcome donations of items for silent auctions and door prizes at fundraising events.

Please contact the Foundation using the information below or through the La Porte Education Foundation website, and a representative will contact you about your donation. Donors may also mail their donations in the form of a check payable to the La Porte Education Foundation to the address listed below.
