**DIRECTIONS**

Public transportation is very well developed in Berlin. You can check connections and schedules here: [http://www.bvg.de/en/](http://www.bvg.de/en/). The service is also available as an app "BVG FahrInfo Plus" which works on Android and Apple devices. One single ticket costs 2.80€ (from Berlin Schönefeld Airport 3.40€).

Taxis are generally more expensive in Germany than in the U.S. Here are some phone numbers if you want to order a taxi: +49-30-20 20 20 (Taxi Berlin), +49-30-20 20 21 220 (TaxiFunk Berlin), +49-30-26 30 00 (Quality Taxi). You can also flag down a free cab on the street or go to a taxi stand.
