

CLERGY WELLNESS SURVEY

LEADERSHIP VITALITY OFFICE - RIO TEXAS CONFERENCE OF THE UMC

COME AND JOIN US...SHARE YOUR WELLNESS IDEAS

My Wellness Thoughts on Spirit, Mind and Body are.....

The Rio Texas Conference Clergy Wellness Program is now being planned for 2016. The 2016 Clergy Wellness Program will offer a wholistic approach to wellness that will offer self-care options for the spirit, mind and body of the clergy person.

We would appreciate your input in developing a program that will be meaningful and relevant to the real needs of our clergy. We invite clergy to take part and join us in helping to design your wellness program.

- A Subway gift card will be awarded to all clergy that complete the survey.
- At the conclusion of the survey, a conference wide polling of clergy will be done. The best ideas that receive the most votes will be selected and considered for implementation in the 2016 Clergy Wellness Program.
- A bonus incentive will be given to those whose wellness ideas are selected and implemented in the categories of spirit, mind and body.

To participate, please click on link:
