CONSENT AGENDA I

Consent Agenda I includes all “For Information Only” reports that are presented in the 2020 Pre-Conference. By adopting Consent Agenda I, these reports will be printed in the 2021 Conference Journal.

CONSENT AGENDA II

The following Reports are being presented to the Conference for action. It is believed that there is little or no dissent so they are being submitted for action as a group. If there is a desire to debate or amend one of these reports, the appropriate action is to move to have it removed from the consent agenda and considered separately. With a second, and a one-minute explanation by the maker of the motion, it will be voted on by the Conference without debate. If 20% of the members vote that the item be removed, it will be removed and brought to the floor as a non-consent item at a time to be determined by the Agenda Committee.

The purpose of the Finance Table (CF&A) is “to develop, maintain, and administer a comprehensive and coordinated plan of fiscal and administrative policies, procedures, and management services for the Annual Conference” (¶612.1 2016 Book of Discipline).

In keeping with the Disciplinary purpose, the Finance Table (CF&A) sees itself as an integral part of the mission and ministry of the Conference. We are working to improve communications with the other agencies of the Conference to ensure that our work is supportive of the ministries and goals of the Uniting Table and the Mission Field Ministries Office.

Receipts on all funds for 2020 by the Río Texas Conference were $8,365,822, or 85.46% of the apportioned amount. The Finance Table (CF&A) is proposing the budget for 2022. The overall apportioned budget for all funds totals $8,245,384.

The Finance Table (CF&A) sees itself as joining with the local church in the work of the financial ministry of the Annual Conference.

We commend the 2022 budget to the Conference. It represents the uniqueness and depth of ministries and missions provided by our church and economic realities of our Conference. The Finance Table (CF&A), along with the Conference Treasurer, has been monitoring membership and economic trends within the Conference, the Global Church, and society at large. We believe that in order to foster the future health and vitality of our ministries in local communities while supporting our collective ministries as a conference and denomination, we must continue the trend of annual reductions in amounts apportioned to local churches. As the goals and direction of the Conference become clearer, we will be working with the Bishop, the Uniting Table, and Mission Field Ministries to ensure that the budget and apportionments accurately reflect those goals and support those ministries. At the same time, we will continue to work with our Conference Treasurer and other Conference leaders to improve communications, systems and efficiency.

Operating Policies of the Finance Table (CF&A):

1. Following is the list of approved funds of the Río Texas Conference. These funds will be allocated to each mission or chartered church/charge according to the formulas that follow.

   General and Jurisdictional
   Conference Ministries (formerly Conference Benevolences)
   Ministerial Support
   Administrative Ministries (formerly Conference Administration)
   Pension and Benefits
   District Missions

The decimal formula for apportionment calculation shall be based on the two year average of local church operating expenses divided by two years of conference-wide local church operating expenses times each apportioned fund. Operating expenses include only these line items from the Local Church Report to the Annual Conference:

- Line 41 – Pastor(s) Compensation
- Line 42 – Utilities and Housing Paid to Pastor(s)
- Line 43 – Accountable Reimbursement Paid to Pastor(s)
- Line 44 – Non-Accountable Cash Allowances Paid to Pastor(s)
- Line 45 – Staff & Diaconal Ministers Salary
- Line 46 – Program Expenses
- Line 47 – Current Operating Expenses other than Program

\[
\text{2 years of Local Church Operating Expenses} \times \frac{\text{2 Years of Conference-Wide Local Church Operating Expenses}}{\text{Each Conference Apportioned Fund}}
\]
If there are separate district apportionments determined by each district, they will be allocated according to the following formula.

2. At the beginning of the calendar year, the Finance Table (CF&A) shall determine which portions of the Conference Ministries and Administrative Ministries are “fixed costs” (salaries, benefits, etc.) and shall thus be authorized to be paid at 100% of the approved budget. On the basis of prior-year receipts to these funds, the Finance Table (CF&A) shall then determine a percentage of the approved budget to be authorized for expenditures in the remaining items of each budget, so that expenditures shall not exceed income.

a. Each church is expected to support all funds at 100% of the apportioned amount. (¶247.14 2016 Book of Discipline)

b. The churches are requested to make payments thereon aggregately, with the understanding that the Conference Treasurer will allocate such payments according to the appropriate percentage due the fund according to the Conference Budget.

3. An Unrestricted Fund Balance Account will be maintained by the Annual Conference at a minimum level of 20% of the current total of the Conference Funds. Any undesignated interest income will be transferred to the undesignated fund balance at the end of the fiscal year.

4. All apportioned funds, pension and health benefits costs both receipts and disbursements, will be managed through the office of the Conference Treasurer. All boards, agencies, committees, and commissions shall use the Conference Treasurer as the fiscal agent.

5. The compensation (including housing and utilities) for District Superintendents shall be recommended to the Annual Conference by the Finance Table (CF&A), using a guideline formula adopted in 2017 of 1.85 times the Conference Average Compensation (CAC). The purpose of the formula is to relate DS Compensation to Full Time Clergy Compensation. We recommend that the salary computation should also be applied to other clergy appointed to the conference staff at Cabinet level. For the year 2022,

6. All agencies receiving funds from the Conference budget shall affirm that funds will not be expended for uses not consistent with ¶613.18-19 2016 Book of Discipline.

7. The amount of compensation designated as housing allowance for ordained staff members and district superintendents of the Conference will be set by an annual resolution of the Conference Finance Table (CF&A) after consideration of a statement of amounts to be used during the year.

8. The governing boards of United Methodist related entities must apply to the Finance Table (CF&A) to be granted the privilege of soliciting and receiving funds from churches, individuals, and other sources (but not from conference-wide offerings except as indicated in the list which follows) in keeping with ¶262 2016 Book of Discipline; no capital campaigns have been approved for 2021; and the following, and only the following, conference-wide offerings are approved for 2022:

   - Human Relations Day .................................................. General Conference
   - UMCOR Sunday (formerly One Great Hour of Sharing) .................................................. General Conference
   - Native American Awareness .................................................. General Conference
   - Peace with Justice .................................................. General Conference
   - World Communion .................................................. General Conference
   - United Methodist Student Day .................................................. General Conference
   - Harvest Sunday (see Transforming Communities Vision Team Report) .................................... Annual Conference

9. The Chairperson, Vice-Chairperson, and Secretary of the Conference Finance Table (CF&A), the Chairperson of the Audit Committee, the Chairperson of Equitable Compensation and the Conference Treasurer/Director of Administrative Ministries constitute the executive committee of the Conference Finance Table (CF&A).

10. The Finance Table (CF&A) is authorized to appoint a Conference auditor.

11. A Conference Fund will not be permitted to carry over unobligated budget allocations from one conference year to another unless specifically authorized by the Finance Table (CF&A). Agencies receiving funds from sources other than apportioned
funds may carry over such unspent funds into the next year. Any unobligated budget allocations not authorized for carryover will be added to the undesignated Fund Balance of the Annual Conference.

12. Each year, the Conference Comptroller shall set a cutoff date for all apportionment payments to the Conference Treasurer to be applied to the preceding year. The cutoff date will be communicated to the local churches no later than December 1 each year.

13. Each Conference board, agency, or institution receiving or disbursing funds not managed by the Conference Treasurer shall maintain adequate financial records and prepare and submit annual audit reports to the Conference Treasurer and the Finance Table (CF&A). All treasurers shall be properly bonded.

14. The Conference fiscal year shall begin on January 1 each year, and end on December 31 each year.

15. The Conference Finance Table (CF&A) is responsible for designating depositories for Conference funds.

16. The Conference will include in each annual budget an appropriate line for each “shall” ministry as defined by The Book of Discipline

MEETING EXPENSE REIMBURSEMENT
FOR INFORMATION ONLY

All boards and agencies are urged to consider digital meeting options; this allows both economy of travel and increased participation from across the conference. When digital connection is not possible or effective, all boards and agencies are urged to schedule meetings, as far as possible, on dates and places coinciding with other groups in order to affect economy in travel expenses. Travel Expense shall be paid to members going to official in-conference meetings (between Annual Conference Sessions) at the rate of 40¢ per mile. The allowance for meals shall be $3.00 for breakfast; $7.00 each for lunch and dinner necessitated by the meetings. Reimbursement of 100% of lodging expenses necessitated by meetings at contracted hotels through the Annual Conference will be made. Those who choose to stay elsewhere will be reimbursed at the lowest contracted rate. The Conference meeting organizer will provide contracted hotel information to participants. Original lodging receipts must accompany the Disbursement Request. These allowances are not to cover full cost at all times, simply to assist in the additional expense of attending meetings.

Childcare expenses per meeting day not to exceed $30.00 for the first child, not to exceed $20.00 for each additional child, shall be allowed and included in the meeting expense of the board or agency.

Travel for duly elected delegates or representatives of the Conference to meetings of other organizations or connectional agencies shall be paid as stated above. However, actual air travel, lodging, and other expenses may be paid if funds are available from the board or agency concerned.

When it is necessary to fly to a meeting, flight must be booked at least 14 days prior to the meeting. If flights are not booked 14 days prior to the meeting, the member booking the flight must pay the difference in the cost of the flight. This does not apply in the rare instances when the meeting is an emergency meeting that is not announced prior to 14 days.

Each local church is encouraged to undergird the meal, transportation, and lodging expenses of Annual Conference members in attending Annual Conference by adding a minimum of $100 to the church budget for each lay and clergy delegate. The district superintendents are asked to encourage such support at each Charge Conference.

BOARD OF PENSIONS

REPORT I
PAST SERVICE RATE 2022
FOR CONFERENCE ACTION

The Past Service Rate for 2022 will be $689 per year of annuity credit for the Pre-82 Pension Plan. This reflects an increase 1% over the 2021 Past Service Rate. The Pre-82 Pension Plan, also known as Supplement One to the Clergy Retirement Security Plan (CRSP), is a defined benefit pension plan administered by Wespath and provides eligible clergy with a pension benefit for their years of ministry with The United Methodist Church before 1982.

In 2016, the Board of Pensions adopted a long-term PSR strategy based on increases of 70% of the reported St. Louis Federal Reserve Cost of Living Index-Urban South Region to set the past service rate each year. The Board believes that this policy provides for the honor, support, and appreciation of our retired clergy while maintaining a sustainable plan to meet benefit liabilities. Any change in the PSR also increases the Plan’s liabilities and must be funded in the year adopted if necessary per the Plan asset level and Wespath funding requirements. Therefore, the Board continues to evaluate this PSR strategy and its impact on plan liabilities.

REPORT II
RESOLUTIONS RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED CLERGY PERSONS OF THE RIO TEXAS CONFERENCE
FOR CONFERENCE ACTION

The Rio Texas Conference of The United Methodist Church adopts the following resolutions relating to rental/housing allowances for active, retired, terminated, or disabled clergypersons:

WHEREAS, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the church (“clergy persons”);

WHEREAS, the practice of the Church and this Conference was and is to provide active clergy persons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to active, retired, terminated, and disabled clergy persons are considered to be deferred compensation and are paid to active, retired, terminated, and disabled clergy persons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for clergy persons who are or were members of this Conference and are eligible to receive such deferred compensation;

NOW, THEREFORE, BE IT RESOLVED THAT an amount equal to 100% of the pension, severance, or disability payments received from plans authorized under The Book of Discipline of The United Methodist Church (the “Discipline”), which includes all such payments from Wespath Benefits and Investments, during the years 2021 and 2022 by each active, retired, terminated, or disabled clergy person who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such clergy person; and that the pension severance, or disability payments to which this rental/housing allowance applies will be any pension, severance, or disability payments from plans, annuities, or funds authorized under the Discipline, including such payments from Wespath Benefits and Investments “Wespath” and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, pension, or fund authorized under the Discipline, that result from any service a clergy person rendered to this Conference or that an active, retired, terminated, or disabled clergy person of this Conference rendered to any local church, annual conferences of the church, general agency of the church, other institution of the Church, former denomination that is now a part of the church, or any other employer that employed the clergy person to perform services related to the ministry of the church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired, or disabled clergy person's pension or disability as part of his or her gross compensation.
NOTE: The rental/housing allowance that may be excluded from a clergy person’s gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations hereunder to the least of (1) the amount of the rental/housing allowance designated by the clergy person’s employer or other appropriate body of the church (such as this Conference in the preceding resolutions) for such year; (2) the amount expended by the clergy person to rent or provide a home in such year; or (3) the fair rental value of the house, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

2021 COMPREHENSIVE FUNDING PLAN

The Comprehensive Funding Plan is under review by Wespath Benefits and Investments and will be available at the annual conference session and included in the 2021 Rio Texas Conference Journal.

REPORT IV
REPORT OF THE PRESIDENT AND HEALTH BENEFITS COMMITTEE
FOR INFORMATION ONLY

The Rio Texas Conference Board of Pensions is honored in our mission to care for those who serve. We endeavor to be stewards in the administration of connectional benefit plans and retirement assets for plan beneficiaries. Our partner in ministry, Wespath Benefits and Investments, implements and administers benefit plans providing guidance in legislation, actuarial services, and denominational policy. We are thankful that amid the unprecedented COVID pandemic, congregations have remained steadfast in their commitment and support of clergy and lay participant benefit programs during challenging times. These programs include over eight million in annual direct billing in 2020 for medical, dental, vision, pension and ancillary programs for active clergy and lay participants.

As of January 1, 2021, the Pre-82 pension plan, the Ministerial Pension Plan annuities (MPP), and Clergy Retirement Security Plan (CRSP-DB) plan with assets subject to market fluctuations remain fully funded with no additional liabilities expected in 2021 and 2022. We continue to monitor market volatility to maintain a long-term sustainable asset plan to meet benefit liabilities for beneficiaries. With the postponement General Conference to September of 2022, the proposed pension legislation by Wespath for the new Compass Defined Contribution (DC) plan has been delayed for consideration along with the previously anticipated potential of DC plan cost savings. If adopted, the Compass Plan’s earliest implementation is 2024, reducing congregational pension costs from the current Defined Benefit (DB) hybrid plan.

- In coordination with Wespath, we were thankful to provide the HealthFlex Premium holiday during October of 2020, which provided COVID relief to congregations.
- Over the last five years, the Board of Pensions (BOP) apportionment has decreased 74% from $1,483,992 (2017) to $380,00 in (2021). In 2022, the (BOP)apportionment will be reduced to $345,000.
- The CRSP-DB flat rate contribution of $511 per month for active full-time clergy has remained the same over a three-year period.
- Despite higher than average claims experience, we were able to mitigate a 9% increase in all HealthFlex medical plan options over a two-year period (2021-2022) to 3% with the network transition to the Blue Cross Blue Shield (BCBS) national network in 2021.
- The Board established two HealthFlex grant programs, including a Family HealthFlex Coverage Grant and Transitional Grant. These grants require a District Superintendent’s approval and application request demonstrating need-based eligibility.

We thank all of our churches, clergy and lay members for adapting during challenging times to persevere and share the gospel. Our churches have remained committed in their contributions for benefits despite many new trials and we will continue to in our mission to support you. Lastly, I want to thank the Board of Pensions and conference staff who continue to provide for
our clergy and lay participants’ honor, support, and appreciation.

Tony LoBasso, President

HEALTH BENEFITS COMMITTEE UPDATE

HealthFlex plan participants continue to take advantage of the multiple plans in the HealthFlex Exchange, selecting between six medical, three dental and three vision plan offerings. Additionally, participation in personal reimbursement accounts has increased to almost 75% since the transition to the Exchange. This multi-plan model allows greater flexibility in choosing a plan combination that fits each participant’s needs. The 2021 Open Enrollment communications and events shifted to a complete virtual webinar format due to the pandemic. The Conference sponsored six webinars in preparation for the Annual Election (AE) period and participants also had the opportunity to attend AE webinars sponsored by HealthFlex.

After a difficult HealthFlex plan year in 2018 with 23% higher claims, the plan stabilized in 2019. However, 2020 concluded with a claims ratio of 108.3% compared to 82% in 2019 and 136.4% in 2018. Due to the pandemic impact on 2020 claims, Wespath used a three-year claims experience to determine 2022 HealthFlex rates with 2018 weighted at 30%, 2019 at 50% and 2020 at 20%.

- Enrollment migration continued from the B1000 to the CDHP and HDHP plans in 2020 and 2021.
- Although medical utilization decreased in 2020, non-COVID related prescription per member, per month costs significantly increased by 22%

Focus on Wellness and Behavioral Health

- Reducing the stigmatism of seeking care related to behavior and mental health and wellbeing.
- Promoting support tools to participants, including the EAP and BCBS Behavioral Health benefits, including reimbursement for out-of-network behavioral health providers.
- Identifying areas of opportunity for wellness and physical health to include online classes.
- Increasing access to providers in underserved geographies.
- Partnering with conference leadership on the Clergy Wellness Plan funded by MHM with the plan’s promotion and identify areas of wellness opportunities determined from the HealthFlex Annual Report.
- We encourage participants to continue participating in HealthFlex and the Conference Wellness programs such as the annual Blueprint For Wellness (BFW).

2022 PENSION PLAN CHURCH DIRECT BILLING

Effective January 1, 2022, church direct invoicing by the Conference for clergy participants under appointment for current active service will include:

- Clergy Retirement Security Plan (CRSP) Defined Benefit required annual contribution of $6,132 for each eligible full-time clergy invoiced monthly.
- Clergy Retirement Security Plan (CRSP) Defined required contribution of 3% of Plan Compensation for each eligible full-time clergy invoiced monthly.
- Comprehensive Protection Plan (CPP) required contribution 3% Plan Compensation for each eligible full-time clergy to a maximum of two times the 2022 denominational average compensation or DAC of $75,570 in 2022 invoiced monthly.
- United Methodist Personal Investment Plan (UMPIP-PT) required contribution of 9% for each eligible part-time clergy (3/4 time appointment or less) invoiced monthly.
- The Rio Grande Legacy Fund will continue to provide contributions to eligible legacy churches for full-time clergy in the CRSP-Defined Benefit Plan, CRSP-Defined Contribution Plan, and the Comprehensive Protection Plan (CPP).
- The Rio Grande Legacy Fund will continue to provide a 9% contribution to eligible part-time clergy appointed to a legacy church in the United Methodist Personal Investment Plan UMPIP-PT.

PRE-82 PENSION PLAN

The Pre-82 Pension Plan, also known as Supplement One to the Clergy Retirement Security Plan (CRSP), is a defined benefit pension plan administered by Wespath and provides eligible clergy with a pension benefit for their years of ministry with The United Methodist Church before 1982. The Pre-82 Pension Plan was replaced by the Ministerial Pension Plan (MPP) effective January 1, 1982. One of the responsibilities of the Board of Pensions is to recommend to the annual Conference the Past Service Rate or (PSR) to clergy for each year of eligible service in the Pre-82 Pension Plan.

As the need to provide adequate clergy pension benefits evolved with establishing the Pre-82 Pension Plan, contributions were insufficient to provide the benefits required for many participants during years of active service. Therefore, it became the Conference's responsibility to ensure annual contributions in an amortization schedule would provide benefit obligations required by the plan. Each Conference's goal is for the Pre-82 Pension Plan to be fully funded until all benefit obligations have been met. However, the Plan's assets are not fixed with the potential of additional liabilities due to market volatility, Wespath policies, and the number of eligible beneficiaries. Further, any increase in the Past Service Rate (PSR) adopted by the Conference also increases the plan's liabilities.

In 2016, the Board of Pensions adopted a long-term PSR strategy based on increases of 70% of the reported St. Louis Federal Reserve Cost of Living Index-Urban South Region to set the past service rate each year. The Board believes that this policy provides honor, support, and appreciation to our retired clergy while maintaining a sustainable plan to meet benefit liabilities. Any change in the PSR also increases the Plan's liabilities and must be funded in the year adopted if necessary in accordance with the Plan asset level and funding requirements. As of December 31, 2020, no additional Pre-82 liabilities or Advance Contribution for 2022 to fund the Past Service Rate increase is due.

MINISTERIAL PENSION PLAN (MPP)

The Ministerial Pension Plan, also known as Supplement Three to the Clergy Security Retirement Plan (CRSP), provides clergy with a pension benefit for their years of ministry with The United Methodist Church from 1982 through 2006. The MPP is an Internal Revenue Code Section 403(b) retirement plan. The Conference is required to fund any liability attributable to MPP annuities due to market fluctuations, mortality/demographic assumptions, and Wespath Plan policies. As of January 1, 2020, actuarial valuation for 2022, the MPP and CRSP annuities funded ratio for the Rio Texas Conference is approximately 110%. No additional MPP contributions are required in 2021 and 2022 under Wespath's Corridor Funding methodology.
CLERGY SECURITY RETIREMENT PLAN (CRSP)
The current pension plan required for eligible full-time clergy is the Clergy Security Retirement Plan or CRSP administered by Wespath. This plan was effective January 1, 2007, and comprises both a defined contribution (DC) and defined benefit (DB) component.

**Defined Contribution (DC)** – Provides a defined amount deposited into an active full-time clergyperson’s account with monthly contributions. This benefit distributed at retirement is the accumulated amount plus earnings (or losses) in the individual’s account. The defined contribution (DC) component of CRSP is 2% of Plan Compensation with a match for participant contributions to the United Methodist Personal Investment Plan (UMPIP) – up to 1% of Plan Compensation. Therefore, if a participant contributes at least 1% compensation to UMPIP, the CRSP DC contributions will be 3%.

**Defined Benefit (DB)** – Provides a specific dollar amount at retirement regardless of market conditions or investment performance. The amount is based on a formula that specifies a monthly retirement benefit to eligible clergy and 70% for eligible contingent annuitants for the remainder of their lives. The CRSP-DB provides a monthly retirement benefit using 1.25% of the Denominational Average Compensation (DAC) at retirement multiplied by years of service from January 1, 2007, to December 31, 2013. The multiplier is reduced to 1% for years of service beginning January 1, 2014.

Both components are direct billed to each church for all eligible full-time clergy. The defined contribution (DC) billing is based on 3% of Plan Compensation. The annual defined benefit (DB) direct billing in 2021 to churches for each clergy appointed to full-time service is $6,132. The annual defined benefit (DB) direct billing in 2022 to churches for each clergy appointed to full-time service will remain at $6,132.

The annual DB contribution to Wespath is based on the number of eligible active full-time clergy and clergy on Medical leave with CPP benefits on the actuarial valuation provided by Wespath. The contribution amount due in 2021 for the DB component is $1,559,225 and $1,443,250 in 2022. Any clergy serving less than full-time not eligible for the CRSP DB are eligible to participate in the United Methodist Personal Investment Plan with a required church contribution of 9% of Plan Compensation.

COMPREHENSIVE PROTECTION PLAN (CPP)
The Comprehensive Protection Plan (CPP) is a welfare benefit plan administered by Wespath Benefits and Investments. The CPP includes long-term disability, death and other welfare benefits for eligible full-time clergy. The CPP plan is an Internal Revenue Code 414(e) “church plan” funded by plan sponsor contributions. The CPP required direct billing to churches is 3% of Plan Compensation for eligible full-time clergy up to two times the 2021 denominational average compensation or DAC of $74,199 and $75,570 in 2022.

UNITED METHODIST PERSONAL INVESTMENT PLAN (UMPIP) FOR LAY AND CLERGY
The United Methodist Investment Plan (UMPIP) is an Internal Revenue Code section 403(b) defined contribution retirement savings plan administered by Wespath for clergy and lay employees of The United Methodist Church and affiliated organizations. Eligible participants may make personal contributions through payroll deductions for before-tax, Roth or after-tax contributions in a flat dollar amount or percentage of eligible compensation, up to Internal Revenue Code limits. Churches are encouraged to offer the UMPIP to lay employees and may contact Wespath for additional plan provisions and sponsorship.

Any clergy appointed to a church for less than full-time service is eligible to participate in the UMPIP and receive a required church contribution of 9% of Plan Compensation. Also, all active clergy are encouraged to participate in the UMPIP with personal contributions. For clergy to receive the maximum church-funded pension benefits in the CRSP (DC) Defined Contribution plan of 3%, they will need to contribute a minimum 1% match into the United Methodist Personal Investment Plan (UMPIP).
**HealthFlex Benefits**

The Rio Texas Conference participates in the HealthFlex Plan administered by Wespath Benefits and Investments for eligible full-time clergy and Conference lay employees. The HealthFlex plan is also available to lay employees of churches who have adopted a HealthFlex Salary-Paying Unit Sub-Adoption Agreement meeting the eligibility requirements of the Plan. HealthFlex is an integrated, wellness-driven health program that supports healthier lifestyles. The HealthFlex plan is designed to provide eligible participants with a comprehensive plan including medical, prescription, and wellness benefits. HealthFlex uses incentives as part of its strategy to promote engagement in healthy behaviors and wellness programs. The 2022 strategy continues the focus on rewards both for measuring risks through Blueprint for Wellness Screening and Health Quotient (HQ), Diabetes Prevention program and for taking action toward better health and well-being. Rewards emphasize participating in programs that have shown to have a positive impact on health risk, including health coaching and the Virgin Pulse activity program. In addition, to the HealthFlex wellness benefits, the Conference also provides additional holistic wellness benefits for clergy and Conference lay employees, including spiritual, mental, emotional and physical care components funded by grants from Methodist Healthcare Ministries of South Texas. In 2021 and 2022 the HealthFlex provider will be Blue Cross Blue Shield (BCBS) National Network.

**2021 HealthFlex Plan**

To align with the changing health care landscape and significant increases in healthcare costs, the Board of Pensions adopted the HealthFlex multi-plan option effective January 1, 2019. The HealthFlex multi-plan option gives participants a greater choice across several HealthFlex plans with varying plan designs and the flexibility to choose the coverage that best fits the participant’s health, financial and family needs. The multi-plan approach encourages greater accountability by participants for health care costs and utilization while retaining the valued HealthFlex Benefits and wellness opportunities that participants have come to expect from Wespath.

The 2021 HealthFlex Exchange offers six distinct plan choices for participants:

2022 HEALTHFLEX EXCHANGE INDIVIDUAL PREMIUM CREDIT (PC)

The 2022 HealthFlex Exchange design includes a non-taxable premium credit (PC) of $925. The PC is a fixed dollar amount provided to each HealthFlex full-time clergy and Conference lay employee participant. Participants will use the allocated PC amount to select a health plan in the HealthFlex Exchange and pay for some or all premiums for the plan of their choice.

- The 2022 PC amount will be $925 per month and direct invoiced.
- The PC will appear as a “credit toward purchase” when choosing a HealthFlex plan from all available HealthFlex Exchange plan options.
- Participants who choose plans costing less than their PC credit amount will “bank” the excess. The unspent PC balance will then be credited by HealthFlex to the participant’s Health Reimbursement Account (HRA) or Health Savings Account (HSA), depending on the health plan selected or be used to offset dependent premiums. The excess annual amount (unspent PC balance) is not credited in a lump sum; rather it is available on a prorated, monthly basis over the plan year. Internal Revenue Code (IRC) limits for annual HSA contributions will apply.
- Participants who choose a plan costing more than the PC credit amount, including the cost to cover dependents will contribute the additional amount by a payroll deduction from their church to cover the cost difference between the PC amount they receive and their higher cost for monthly premiums (the participant’s share of the premium cost).

HEALTHFLEX DIRECT INVOICING FOR ALL FULL-TIME CLERGY

To ensure the Plan is efficient and sustainable for the benefit of all participants and churches with clergy appointed full-time, any church where a clergy has chosen to not participate in HealthFlex will continue to be invoiced the PC through direct billing effective January 1, 2019 at the current amount as approved by the Conference.

HEALTHFLEX TRANSITIONAL GRANT

The Board of Pensions believes that Health Benefits should not be a hindering factor in equipping a congregation with the excellent clergy it needs for ministry. The Board established a grant program in 2019 with funds received from churches with non HealthFlex participating clergy to help clergy with families’ transition between churches. We recognize that this can be a financial burden for both the church and clergy and believe this assistance will help ease the transition. Upon District Superintendent’s approval, the program will provide grants of up to $5,000 for clergy assistance with six months of health care coverage as part of a clergy’s transition to a new church when the sending and receiving church have adopted differing contributions for dependent coverage.

FAMILY HEALTH CARE ASSISTANCE GRANT FUND

The Board of Pensions recognizes that affordable health care coverage is an essential component of an attractive employee benefits package. In the current health care environment, it is evident that some clergy’s health care family coverage premium payroll deductions make up a significant portion of their salaries. To assist, the Board of Pensions has established a grant fund using the 2016 HealthFlex dividend to assist clergy whose salaries are near the minimum threshold and paying for a significant portion of their salaries as a payroll deduction to provide healthcare for their families. This fund will provide grants to align healthcare costs for the clergy with the current P+1 tier cost based on the default plan (C2000, Vision Exam Core, and Dental PPO Plan). For example, in 2021 the amount is $600 per month or $7,200 annual (the difference of the family rate at $2,231/month and the P+1 rate of $1,631/month). These grants require a District Superintendent’s approval and application grant request demonstrating need-based eligibility.

- The Rio Grande Legacy Fund will continue to provide contributions to eligible legacy churches for full-time clergy enrolled in the HealthFlex Plan (individual clergy premium).

Each eligible active full-time clergy will receive a monthly individual Premium Credit in the HealthFlex plan of $925 (funded through their Rio Texas Conference church) and will choose from six HealthFlex plan options.

Participants who choose a plan costing more than the PC credit amount or who choose to cover dependents will contribute the additional amount by a payroll deduction from their church to cover the cost difference between the PC amount they receive and their higher cost for monthly premiums (the participant’s share of the premium cost). Covered dependents will be enrolled in the same plan selections chosen by the primary clergy or lay participant.

Lay employees of HealthFlex Church Plan Sponsors do not receive a premium credit, allowing churches to set the employee/employer cost-sharing. The church elects cost-sharing and will be billed on plan selections. A church must be a HealthFlex Plan Sponsor to offer HealthFlex to its eligible full-time lay employees. Please contact the Conference benefit office at 210-408-4500 for information and requirements on plan sponsorship.

2022 DEFAULT PLAN

The HealthFlex exchange is a passive enrollment. Participants who are currently enrolled in the HealthFlex exchange for 2021 will automatically be enrolled in the same medical, dental and vision plans for 2022 if no elections are made during the Annual Election Period. Full-time clergy and Conference lay employees new to the Conference will be enrolled in the following default plans for all of 2022 if no elections are made. All participants are encouraged to annually evaluate their current and anticipated health care needs and enroll in the plan choices that best match their individual requirements.

HealthFlex Flexible Spending Accounts

Eligible full-time HealthFlex participants may participate in the optional Medical Reimbursement Account (MRA) and Dependent Care Reimbursement Account (DCA) offered as a benefit funded by participant payroll deductions and administered by HealthFlex and HealthEquity.

ANCILLARY BENEFITS

Optional Term Life Insurance

The Conference provides an Optional Term Life Insurance for full-time clergy and Conference lay employees subject to the Prudential Life Insurance Company’s underwriting guidelines. Eligible participants may elect group term life coverage as a payroll deduction.

Retiree Health Reimbursement Account (HRA)

A Retiree Health Reimbursement Account (HRA) is provided by One Exchange for eligible retirees and funded by apportionments. The HRA is based on the stipend amount received by eligible retirees before December 31, 2013. As of January 1, 2021, there are 57 retirees eligible for an HRA. Eligible retirees must be enrolled in a Medicare Supplement or Advantage plan through Via Benefits (formerly One Exchange) to receive the HRA. To provide sustainability of the HRA benefit and not increase conference benefit plan liabilities and apportionments, the HRA is a fixed amount per eligible retiree and does not increase from year to year.

Per the 2014 Unification Plan policy, the HRA stipend will not be offered to any other retiree not currently receiving an HRA. The HRA provides reimbursement for IRS-eligible health care expenses such as Medicare Part B premiums, Medicare supplement plan premiums, and out-of-pocket expenses such as co-pay and deductibles. To receive HRA funds, eligible retirees must submit a claim form to Via Benefits annually for premium reimbursement or as needed for other IRS-eligible expenses.

COVID crisis and creativity

At the time of this writing, we are just past the one-year anniversary of shutdowns of various sorts, due to the COVID-19 pandemic. Our pastors and laity have experienced fatigue, hardships, the loss of loved ones and cherished practices, and grief that feels both protracted and delayed. Even so, this past year has also been one of unexpected learning and blessing for our churches. We have embraced technology for worship and meetings, reaching a mission field not bound by geography and avoiding costs and challenges associated with travel. We understand more deeply than before the value of staying connected, even if virtually. We also cherish the hope of being back in each other’s physical presence, as increasing numbers of people are vaccinated. We will strive not to forget what a gift it is to gather in person.

Many of our churches have responded to the difficulties of this time with a spirit of creativity and innovation. Outdoor worship, drive-in worship using FM radio, worship indoors with masks and distancing; services in people’s front yards; activity packages sent to homes to support interactive worship—all communicated a spirit of undaunted hope and possibility. Outreach took on new forms, too, in response to the needs of the community. Food pantries quintupled their output; church facilities became Wi-Fi hotspots; preschools stayed open under strict protocols, to care for the children of frontline workers. Online Bible studies and other small groups became invitational opportunities for people who would never have entered the church building.

Bishop Schnase and members of the Cabinet recognize and give God thanks for the extra work and sacrifice our laity and clergy have made to live out the good news of Christ during this extended crisis. We support every effort for our leaders to seek rest, renewal, and any emotional and spiritual help they may need. We also seek to encourage the ongoing learning and experimentation made possible in our ministries by this disruption.

Anti-racism

2020-21 has also been a year marked by new conversation and learning regarding racism, its role in our communities and church, and the ways we as individuals and systems keep it in place. Bishop Schnase’s letter in September 2020 proposed a series of actions now in progress, designed to move us toward antiracism. As a Cabinet, along with other conference staff, we developed a Covenant on Antiracism and invited others in Rio Texas to join us in signing and adopting it. We helped draft the membership of the Bishop’s Task Force on Race and Culture, representing a broad range of backgrounds from among our faithful. We look forward to a Biblically-based training alongside the Board of Ordained Ministry, to develop a common language and understanding of our context. Conference clergy and laity in conference leadership will participate in a broad organizational assessment, to give us data on our perspectives on issues of racial equity, diversity, and inclusion. As these and other initiatives move forward for learning, conversation, and action, we commit to continuing to learn and act in antiracist ways and to lead our churches in doing the same.

Local church reality

Finally, we reaffirm the local church as the place where the gospel of Christ meets the world. We were living through tremendous transition even pre-COVID, and the pandemic has accelerated this time of change. Many of our churches face the continued reality that the people inside them don’t look like the people around them, and some places that were fragile before have had to ask hard questions about what a faithful future looks like. Others have found new, unexpected strength and a spirit of possibility and hope. As restrictions lift, we will need continued courage and willingness to risk trying new things. And as we wait for our denomination to be able to proceed with important decision making, God calls us to continue doing ministry that serves our diverse contexts.

We give God thanks and praise for the people called Methodist in the Rio Texas Conference.

Respectfully submitted,

Laura Merrill, Assistant to the Bishop and Dean of the Cabinet
BOARD OF ORDAINED MINISTRY

FOR INFORMATION ONLY

Bishop Schnase, sisters and brothers of the Río Texas Annual Conference, greetings in the name of our Lord and Savior Jesus Christ. Since last we met the Board of Ordained Ministry has been at work identifying, assessing, and equipping clergy leaders for effective and fruitful ministry. As has been true for all of us, we have undertaken our task within the confines and creative possibilities of Covid restrictions. These obstacles have allowed new pathways for gathering, discerning, and engaging one another in productive ways. We thank God for the grace that has enabled us to continue our work. Where we have been weakened, we have, through that grace, been strengthened all the more.

The purpose of our credentialing work is to identify persons that have demonstrated the five qualities of a missional leader: ethnic and cultural proficiency; a heart for evangelism; faith in their calling from God; ability to develop and equip missional leaders; and catalytic capacity. A year ago we implemented a new structure that allowed for more intentional periods of prayer and discernment into our full membership interview process. In this our second year of using that structure we have seen again the benefits of that woven pattern of discussion and discernment.

This year we recommend the following candidates for commissioning as provisional Elders: Kristie Crisp, Curtis Davis, Matthew Edison, Jacqueline Freeman, Jennifer Kelley and Jason Surdy; and the following candidate for commissioning as Deacon: Randolph Knighten; and the following candidates for full membership and ordination as Deacons: Kelly Duke and Abel Stewart; and as Elders: Matthew Cardona, Wesley Craig, Reed McNitzky, and John Meande.

We are grateful for the sacred work entrusted to us. We ask your continued prayers as we seek to be faithful in fulfilling our responsibility on behalf of the Annual Conference.

Grace and peace,

Rev. Paul Escamilla, Chairperson

UNITING TABLE REPORT

FOR INFORMATION ONLY

The Psalmist says “Search me, O God, and know my heart; test me and know my thoughts.” (Psalm 139:23). The Uniting Table has spent some time reflecting and discerning God’s direction for the Annual Conference. In that process we are transitioning from being a reporting body of conference ministries to a discerning body that actively seeks governance that leads to action on behalf of the Annual Conference, the Local Church, and the Mission Field.

Because of COVID, we spent the year meeting virtually and not in person. The Uniting Table met on November 14, 2020; January 9 and 23, 2021; and March 20, 2021. While there are limits on this type of meeting, we were able to take time to listen, dream, share our stories, and re-capture the vision that created the Rio Texas Annual Conference. In sharing our history we dreamed to recapture the uniqueness of our Annual Conference and the vibrant mission field God has laid before us. We are in consensus to seek a shift in priorities to listen and hear as we reach out to new people and connect them to Christ. Because of COVID, the changes in technology have, in many ways, forced us to connect with people in ways that we never dreamed of a year ago. It has been a trying year, but we continue to hear stories of vibrant ministries flourishing throughout our mission field. The People of the Rio Texas Conference are staying faithful to our mission and vision.

That faithfulness has manifested itself in some of the following ways:

- Ministries across the conference reached out to people during a massive winter storm where even without power or water people were fed and cared for.
- FUMC Cotulla (membership 108), began a food distribution ministry named “Amanda’s pantry”. Starting out with a 2x8 closet space, the ministry now occupies the entire downstairs of the church. Over 2,350 families have been served.
- Impacto is a collaborative ministry of 4 pastors/churches. During pandemic, the 4 pastoras sponsored food distributions, online access for job applications and city assistance programs, a free laundry, vaccination clinics, and launched an online worship service (Impacto Virtual!) which now has between 500-1,000 weekly views.
- Coker UMC in San Antonio held massive food distribution events during COVID - all drive through: first stop: prayer with a pastor and financial needs; second stop: clothing needs; third stop: open your trunk and food for at least one week was placed in your trunk. In this format, recipients were often through the line within 15 minutes.

- A similar activity has been occurring through Los Ninos Children’s center with Lupita Ecoff and Bulverde UMC. They never stopped during COVID with food distribution, and when water at a nearby “colonia” near Bulverde UMC was declared unpotable, water supplies were arranged for residents.

- The El Valle district is still building and blessing homes, involving many churches and pastors as they reach out to the community.

These are just a few of the stories happening in our mission field. Yes, we have many challenges to face, and perhaps we may not know the future, but we know who holds the future, and that gives us hope.

Chair, Uniting Table Rio Texas Conference

UNITED METHODIST MEN

FOR INFORMATION ONLY

Brothers and Sisters of the Rio Texas Annual Conference,
Greetings in the name of our Lord and Savior. I bring you greetings and prayers from the Leadership of the Rio Texas Conference of United Methodist Men.
Recent events in the world challenge us to be creative when it comes to spreading the word and teachings of Jesus Christ. (2 Timothy 4:2) As churches and ministries are starting to do more in person, we must continue to be creative in order not to leave those who are still isolated behind. We as a body of believers should continue the mission of spreading Christ’s teachings in deeds and actions. (Romans 10:14-15)

We will be holding our men’s annual retreat during the summer. The retreat will be virtual and free of charge. Our goal is to inspire, offer the tools needed for men’s ministries and making disciples of men. (Matthew 28:19-20) We believe by doing so will help grow churches as well as making positive changes in households and communities.

Please check www.riotexasumm.org for updated information regarding the event.
We look forward seeing you in the future.
God Bless You
Charles E. McGarity, Jr, President
Rio Texas Conference United Methodist Men

UNITED METHODIST WOMEN

FOR INFORMATION ONLY

During most of 2020 the Rio Texas Conference United Methodist Women, like everyone else, experienced personal and organizational change. Starting in March, we were unable to meet safely in person, canceled several major events, lost friends and loved ones, saw our giving for mission decline, experienced job losses and family disruptions, and struggled through our first experiences with Zoom.

Yet we persisted – and had a great year. By the end of 2020 we had successfully pivoted from meeting in person to running virtual events and meetings, we welcomed a new and re-energized team of elected and appointed leaders, and, most important, we met our entire Pledge to Mission. We raised and sent $160,000 to the United Methodist Women’s National Office for national and international mission, in addition to the amount that we raised and spent for mission right here in our conference, our seven districts, and our local units. Five years into unification, we have a strong and thriving organization.
For 2021-2022, our conference Leadership Team includes

President – Sandy Wilder
Vice President – Annye Jones
Secretary – Mary Jo Villalobos
Treasurer – Dianne Rumfield
Chair, Committee on Nominations – vacant
Secretary of Program Resources – Linda Franke
Communications Coordinator – Ann Marie Cantu
Mission Coordinator for Spiritual Growth – Tammy Brite
Mission Coordinator for Membership Nurture and Outreach – Linda Brown Armwood
Mission Coordinator for Social Action – Dr. Debra Johnson
Mission Coordinator for Education and Interpretation – Esther Rivera
Capital District President – Mary Faye Randolph

El Valle District President – Priscilla Patterson
Hill Country District President – Billie Rowell
Las Misiones District President – Yolanda Rivera

Ex officio – Bishop Robert Schnase

We started our 2021 programming year with a well-attended virtual Leadership Development training event in January for district officers. Our other conference-wide events will be a virtual UMW Luncheon during Annual Conference in June, Mission u in July, our Conference Annual Meeting in October, and Leadership Development 2022 in November. The study topics for Mission u, which is open to anyone interested in attending, are “Finding Peace in an Anxious World,” “Pushout: The Criminalization of Black Girls in Schools,” and “Bearing Witness in the Kin-Dom: Living into the Church’s Moral Witness through Radical Discipleship.”

More than 125 members and friends of the Rio Texas UMW attended an outstanding virtual Texas Legislative Event in January, jointly planned and conducted by the six conference United Methodist Women organizations in the states of Texas and New Mexico and by Texas Impact. We are looking forward to gathering with thousands of other women at the quadrennial UMW Assembly in May 2022 in Orlando, FL.

Additionally, we launched a new website and a new e-newsletter, renewed our connections with the deaconesses in our conference, and re-started our racial justice work. Our Language Coordinator has sent out newsletters and organized Zoom meetings to reach out to our Spanish-speaking members and keep them connected and encouraged during the pandemic. Our Program Advisory Committee member reported that “The Program Advisory Group met March 11-13 2021, virtually. UMW National is lifting up two main priorities this quadrennium: Climate Justice and Criminalization of Communities of Color/Mass Incarceration. UMW Assembly 2022 will be held in Orlando, FL, May 20-22, 2022 and we will be heavily promoting the event to encourage participation from first-time attendees. We have a very diverse group of leaders and are excited to see the amazing work and commitment from our UMW as we come out of this pandemic eager to do the work!”

According to the statistics in the 2020 Conference Journal, our membership stands at approximately 4,980 and in 2019 we raised and spent over $500,000 for local, district, conference, and national mission work.

The pandemic shifted our way of operating but not our reason for being. We are still committed to being faith, hope, and love in action for women, children, and youth down the block and around the world. We welcome women of any age who are committed to this mission to join us in the work.

Sandy Wilder
President, Rio Texas Conference United Methodist Women
“Let us not grow weary in doing good, for at the proper time we will reap a harvest if we do not give up. Therefore, as we have opportunity, let us do good to all people, especially those who belong to the family of believers”

Galatians 6:9-10

I am not sure how you feel, but being weary is real. And yet…laity, pastors, churches, students, and campus ministries have continued to do good in their community and beyond in the name of Jesus. Our churches and the leaders in them have offered hope and Good News to so many during these dark and uncertain times…and for that we give God thanks and praise.

With the continued focus on fruitfulness and innovations, both in congregational vitality and leadership development, it has been a busy year. Rio Texas has started 1 new faith community initiative and 4 other new church plants continued their second year during a pandemic. And many have been working to activate new ways to empower leadership development in both cohorts and training through our Lay Servant Ministry. Finding ways to learn together, innovate and ideate together, to try and fail and try again...all of these are strategies so that churches and leaders can learn, grow, and reach new people for Christ. And many churches are now reaching people in their local community and in zip codes well beyond their community. Thanks be to God!

Creating Congregations

The world is changing, and the church needs to look beyond the “traditional” ways of reaching new people for Christ and the attractional models of only expecting people to come to them. While traditional church starts and multi-site/satellite church plants are still very important (and we need more of them), they are also expensive and clergy centric as they start. We have begun teaching and dreaming about newer, more organic and less cost prohibitive ways to connect with those not attending local congregations like Fresh Expressions, Focused Worship in the community, and we are exploring ways to train laity and others to gather people in “house churches”.

In July 2020, four Latina Pastoras were appointed to four local congregations in San Antonio and to a cooperative imitative they named Impacto Comunitario. This creative venture has already proven fruitful because of the gifts and talents of the four pastoras: Liliana Padilla, Maribel Vazquez, Laura Dorantes, and Daisy San Jorge, and their desire to serve the larger community. They serve the community in so many ways including food distribution, access to internet and computers, guitar lessons and other enrichment programs, ESL classes, access to laundry, connection to city and community resources and excellent online worship reaching 2000+ views a week. God has blessed this creative venture and we pray God’s continued blessing as these women continue to learn and follow God’s path.

I am excited that 3 new church starts pastors appointed in June 2019 have continued to work and make new connections even during the pandemic: Valley Praise UMC Mc Allen, under the leadership of Rev. Kevin Hardin, has begun worship in the space at the Ministry Center of the El Valle District offices. Starting on line, they have been able to have some community gathering events, and limited in person worship. At the writing of this report (April 1) they are expecting wonderful Easter attendance. This is the third campus for Valley Praise UMC. Rev. Ray Altman continues to do the deep work of creating intentional faith communities with New Wineskins and has expanded his reach during the pandemic as he is leading clergy cohorts teaching others how to reach deep into their neighborhoods. This cohort work has multiplied the neighborhoods being reached. Rev. Jay Cooper and his team at Violet Crown City Church have continued both weekly worship (on-line) as well as the construction of the physical property. The church renovations are nearing completion at the writing of this report, and the hope is that Easter will be celebrated on site.

Finally, Austin New Church also launched a new Hispanic Community called Amor Original with Pastor Cesar Soto in April 2020. The pandemic created both opportunity and challenges that Pastor Cesar and his team overcame in creative ways. Now that Austin is opening up some, I believe that all of their creative endeavors will be blessing both in the local Austin area as they also stay connected virtually in over 6 Central American countries they connected with during the pandemic.

Two other churches that are not yet chartered, The Rock UMC and The Journey UMC, have both begun building projects during the last year. At the writing of this report (April 2021) The Rock will be pouring their foundation soon and The Journey will be in their new space in April 2021. As they move into their more permanent spaces, we anticipate they will be strengthened enough
to charter in the next conference year. Windsong UMC is also continuing to raise funds to complete a building without debt. It is hopeful they, too, will be chartering after the building is complete.

**Lay and Clergy Leadership Development**

With the onset of Covid-19 the seminary visits could not happen, and yet the relationships have continued. Our conference has a Perkins student doing his internship at Coker UMC and we will have one student from Wesley Theological Seminary doing her internship starting in Aug. 2021. As things open up, we hope to continue not only Seminary visits, internships but also teaching seminary students again about ministry on the border.

In January 2021, we began our second year-long preaching cohorts with an event led by Dr. Alyce McKenzie of Perkins School of Theology. 48 pastors / lay speakers attended the virtual event. A second event is scheduled for October 2021 and the 21 cohort participants will complete their work in November. This year we were able to have both a Bi-lingual and English only group. We hope to continue this work again in 2022.

Besides the preaching event, Jozlin Parker and Karen Horan hosted the Hybrid Church event in August with over 100 participants followed by a cohort of 20 churches for 5 months. We also hosted Nona Jones with her help utilizing Facebook as a means to create disciples in October 2020 (85 participated in that event), Jason Moore hosted the Both/And event in January 2021 (50 participated in that event). Ray Altman has continued with clergy learning groups as well. We hope to expand our lay leadership development this conference year as well.

**Lay Servant Ministries**

Scott Maderer is the Conference Lay Servant Ministry Director and offers this report.

During 2020 the Lay Servant Ministries (LSM) program has continued to face challenges like so many of our church programs. The current conference LSM committee made a decision to find ways to continue to offer training and Christian conferencing through online programs so that we can continue to work within and across the districts of the conference. This year districts and the conference held several successful online trainings for several of the Lay Servant Ministry courses for the first time. Each has had well over 50 attendees who came together for training and to learn from and support each other in their leadership development.

The Book of Discipline recognizes that to have effective ministry within our conference we must develop and encourage leadership from the laity, and this is the explicit goal of LSM. The current district directors and conference lay director are working together with a focus on: Increasing communication and cooperation across all districts within the conference, building effective tools that we can all utilize, identifying new classes in both online and offline methodology, and Encouraging Lay Ministry both in Lay Servants and Certified Lay Ministers to be creative in identifying their own mission fields.

The District Directors continue meeting regularly now via Zoom for a quarterly update so that we can share effective methodology and information about upcoming courses and what we are all trying in our own districts. In this way we are seeing directors share information and learn best practices and encouraging and allowing experimentation and new visions to arise in each district. We are still early in the process and have had many challenges and changes, but the team is committed to continuing in regular communication.

Each District continues to hold their own courses, but we are also working together to try to bring back effective conference lay ministry courses. At the same time, we are looking for what the needs of the laity is and identifying resources from a variety of sources that would fill those needs effectively. The focus is on building effective lay leadership, rather than just getting a “certification.”

Within this larger picture we are anticipating an increased need for effective lay leadership within the conference. So, we are attempting to proactively work with those called to unique mission fields to provide the tools and resources that they need to be effective. This includes being more involved in the Certified Lay Ministry program and working closely across districts to effectively use limited resources to provide the needed support, across the entire conference. In this way districts don’t have to reinvent the wheel or provide resources for a limited number of laity while they can still encourage the laity with support and training by working across districts within the full conference.
If you are interested in getting involved as a lay servant or just helping outreach out first to your district director of lay servant ministries or the conference director listed below. May God continue to bless and grow the lay leadership across the Rio Texas Conference.

**College / Campus Ministry:**

Like our churches, Campus Ministry struggled during the pandemic, and yet God continues to move and keep our college students connected and growing as disciples of Jesus Christ. Ten Campus Ministries are on nine campuses during most of the last conference year. The ministry at University of Houston Victoria closed over the summer but will be re-connecting with students in the fall of 2021 with FUMC Victoria taking on this endeavor. Rev. Lizzie Wright and Rev. Wes Cain are coordinating the campus ministries along with Rev. Karen Horan in the conference center. Campus Ministers are connecting more regularly with each other, with their District Strategy Teams and are asked to submit regular reports to the conference office. While Covid19 threw all universities to online learning, your campus pastors have done a fantastic job staying connected in worship, prayer, study and even outreach as college students who don’t all attend the same school can gather virtually to be connected to each other and Jesus Christ. There is still a need for individual churches to connect with students and campus ministries in your area. Please prayerfully consider how your church can support this important work. Rio Texas has campus ministry leadership at UT Austin – The Texas Wesley (Rev. David McMinn) and University UMC Austin (Megan Otto), UTSA via University UMC San Antonio (Sarah Reiter), SAC and Trinity University (SA Campus Ministry staff and Rev. Valerie Vogt), TLU via FUMC Seguin (Rev. Melissa Lind), UTRGV Wesley Center (TBD), Texas State – United Campus Ministry (Rev. Todd Salmi), U of H Victoria, (TBD) and Huston-Tillotson University (Rev. Don Brewington). A video will be created and shared as we gather for Annual Conference.

**Vitalizing Congregations:**

Most of the work of vitalization has been via larger learning events named above and at the district events. Many churches have been so creative in how to reach others on-line and have worked with our Director of Technical Ministries to get even better. While our New People New Places Grants do not normally do technology grants, during the pandemic it was the ONLY way to reach new people. So many smaller grants were given via the cohorts as well as through the technology grants and other NPNP grants. Since July 1 2020, 41 churches were granted $89,000 for technology and outreach to reach new people for Christ. Of these 41 churches 14 were Hispanic congregations (who received $43,500) and 5 were historically Black congregations (who received $14,000).

What a joy to partner with this many churches as they reach new people to become more vital in their area! These grants are offered 3 times a year, we pray the funds can be used to the fullest. Respectfully Submitted,

Rev. Karen Horan  
Director of Creating /Vitalizing Congregations and Developing Leaders  
Rio Texas Conference
The Disaster Response Ministry has had an active year: the conference area was hit by two major disasters, Hurricane Hanna and Winter Storm 2021; the massive recovery effort to Hurricane Harvey was wound down; recovery work from 2018 and 2019 floods in the Valley continued; ERT and chain saw teams were deployed to Louisiana along with a skid steer and several electric generators; and, over 3000 hygiene kits were shipped from the Martinez Disaster Response Center to groups serving migrants along the southern border. Every action taken during the year was influenced by concern for avoiding spread of the COVID 19 virus. The positive side of the need to adjust to the pandemic is that several new protocols have been developed that may make the future work of the ministry more efficient.

Winter Storm 2021 was unusual in that it impacted every part of the Conference. A program was developed to assist churches as they reached out to their communities. Churches could apply for assistance on behalf of families that needed assistance.

Hurricane Hanna resulted in damage to thousands of homes in the Willacy, Cameron, Hidalgo and Starr Counties. This marked the third straight year that disasters struck the same area. Because of the COVID pandemic, relatively few volunteers have been able to deploy resulting in a backlog of work that needs to be completed. UMCOR has provided more than $600,000 to assist in the effort and an additional $50,000 was provided by Lowe’s through a National VOAD grant. Churches are urged to plan now to send mission teams to be a part of the ministry to families who have waited too long for help.

The massive effort following Hurricane Harvey was wound down this year. Rio Texas Disaster Response launched a Hurricane Harvey long term recovery in October 2017 with plans that included case management, construction services, volunteer coordination and unmet needs financial assistance. An initial vision grew beyond all expectations, resulting in an approximate $13.5M budget with two regional offices supported by multiple satellite offices, all based in United Methodist Churches. This historic program for Rio Texas Conference Disaster Response leveraged more than $20M in direct assistance for over 1100 Rio Texas clients.

In response to the COVID 19 pandemic, the Rio Texas Disaster Response Ministry has developed a strategy for deploying a Disaster Response Resource and Information Center and a strategy for using spontaneous volunteers to assist with muck out and cleanup.

The Resource center will distribute brief printed instructions for use by families who have the capacity to do their own response phase work. The center will distribute UMCOR cleaning and hygiene kits and material such as tarping, furring strips and trash bags. Presently, the instructions include: Safety; Debris Removal; Muck and Gut, and Mold: Dangers, Protection Cleaning. A “how to” video on tarping a roof has also been prepared. All printed material is available in English and Spanish.

The second major initiative adopted has been protocols for using spontaneous volunteers even after the COVID 19 pandemic subsides. A thirty minute training curriculum has been developed for the volunteers. Training will be directed at the tasks appropriate for the specific disaster and will give explicit attention to safety procedures and concerns. The protocols call for each team to be led by two trained ERT leaders. Early Response Teams will continue to be used but the new protocols also allow spontaneous volunteers to serve.

The Martinez Disaster Response Center continues to serve as a collection center for UMCOR kits assembled by churches in the Conference as well as storage for disaster response equipment. UMCOR now receives only school kits, hygiene kits, and cleaning kits (flood buckets). The center serves as a collection site for all kits, but the main inventory is cleaning kits and hygiene kits. Volunteer opportunities are available at the center in Kerrville for groups to verify cleaning kits before they are delivered to flood survivors. Contact warehouse coordinator Larry Altman at warehouse@riotexasresponse.org for more information or to schedule a time for your team.

The Disaster Response Ministry has enjoyed tremendous support from the conference. We hope this can continue through support of the Advance 2050 and by joining in the effort as volunteers. Please visit the Disaster Response Ministry webpage at riotexasresponse.org for more information. Groups interested in helping with the recovery in the Rio Grande Valley should contact Susan Hellums at shellums@mcfirst.com.

MISSIONARIES AND MISSIONARY SUPPORT 2020

FOR INFORMATION ONLY

The Rio Texas Conference is well-represented by people responding to God’s call to serve in mission. The conference is also well-represented in missionary support: in 2020, congregations gave $49,776.31 to support Global Ministries missionaries who are bringing the Good News across the country and around the world (an increase over 2019 of $3,891.21).

Many Rio Texas congregations support one of the nearly 244 Global Ministries missionaries serving in over 60 countries. One of those 244 missionaries is from the Rio Texas Conference: Rev. Anna Troy, serving as Director of Open-Heart Ministries in Clarksburg, WV (http://openheartwv.weebly.com/).

We anticipate virtually hosting missionary Dr. Tendai Manyeza during his itineration in the annual conference in 2021, and we hope to host other missionaries, like Rev. Anna Troy, as well.

Your congregations have also faithfully supported Global Ministries Advance projects by giving $87,982.90 in 2020, with Bethany UMC donating $20,181.63. You also supported Global Ministries and UMCOR Special Focus projects in 2020 totaling $170,359.34. These totals along with missionary support totaled giving of $308,118.55 in 2020 and we give thanks for giving hearts.

If you feel called to become a missionary yourself, please explore the various categories of short-term and long-term adult and young adult mission service opportunities that are described on the Global Ministries web site (https://www.umcmission.org/serve-with-us/missionaries).

United Methodist Women note there are currently six active deaconesses from and serving in the Rio Texas Conference. They are:

- Kristen Bowdre, Director of Operations Youth Justice Programs, at Southwest Key Programs, Austin
- Tara Carnesi; Direct Care, Sunnyglen Children's Home. San Benito
- Sonia Cruz; Bus Operator at VIA Metropolitan Transit, San Antonio
- Cindy Johnson; Consultant for La Posada Providencia, San Benito, Texas
- Julie Smith; Clinic Coordinator at Smithville Community Clinic, Smithville, Texas
- Diana Woods; Social Services Coordinator, Buda UMC

Deaconesses and Home Missioners are laywomen and laymen who are called by God to be in a lifetime relationship in The United Methodist Church in full-time ministries of love, justice, and service. After commissioning, each person finds his or her own place of employment.

The Office of Deaconess has been part of our tradition as a church since 1888. The Office of Home Missioner was established at the 2004 General Conference. Currently, the Deaconess and Home Missioner program is administered by the National Office of United Methodist Women.

**UMCOR SUNDAY 2020**

**FOR INFORMATION**

UMCOR Sunday (formerly called One Great Hour of Sharing) is one of the six recognized church-wide Special Sundays
with offerings of the United Methodist Church. Participation in the UMCOR Sunday offering is one of two basic
requirements for Rio Texas Conference congregations wanting to achieve Five Star church status. (The other
requirement is 100% payment of apportionments.)

In 2020, the total UMCOR Sunday offering from Rio Texas churches was $27,768.75, a decrease of $25,232.12 from
the amount collected in 2019.

- Capital District – 13 churches; $3,381.48
- Coastal Bend District – 24 churches; $5,108.91
- Crossroads District – 43 churches; $3,714.12
- El Valle District – 8 churches; $1,060.01
- Hill Country District – 21 churches; $4,249.93
- Las Misiones District – 30 churches; $8,382.44
- West District – 15 churches; $1,871.86

Special thanks to St. Matthew’s San Antonio for giving the largest single congregational offering: $2,749.35.

The Methodist Committee on Relief (now UMCOR, the United Methodist Committee on Relief) was founded in 1940s
to respond to suffering after the onset of World War II. For 80 years it has been the global humanitarian aid and
development organization of The United Methodist Church. All UMCOR Sunday receipts help support the small but
impactful UMCOR staff who are specialists in disaster response and recovery. Funds also ensure adequate training
for emergency response coordinators, construction volunteers, case managers who assist victims of disasters, chain
saw gangs, and sheetrock installers. UMCOR’s broad scope of work includes disaster response, refugee ministries,
hunger and poverty programs, and sustainable global development projects.

Because we in Rio Texas join our church’s offerings with those of United Methodist congregations around the world,
UMCOR remains strong in its day-to-day operations. When needs are immediate, UMCOR can respond quickly and
efficiently with signs of extravagant grace and expert assistance.

Thanks to all the congregations that supported this vital offering in 2020 and made it possible for the United
Methodist Church to reach out in caring to our neighbors in need.

METHODIST CHILDREN’S HOME
For Information Only

Greetings from Methodist Children’s Home (MCH) and the children, youth and families we serve. Thank you to all of the churches of the Rio Texas Conference for your ongoing prayers, gifts and actions that empower MCH to find effective and innovative ways to fulfill our mission and exceed best practice standards for childcare established by the states of Texas and New Mexico and the Council on Accreditation (COA).

I invite each member of the annual conference to visit our website at MCH.org. There you can explore in more detail the services we offer. You can also download stories, identify resources to help educate your congregation on our ministry, view a transparent listing of our financial resources and services delivered, find out how you can refer a child for placement, or learn more about a call to join our ministry as a home parent, foster parent or in another capacity.

When MCH launched its new organizational strategic plan, no one could have imagined we would be dealing with a global pandemic threatening every aspect of our society. Thanks to God’s care, the dedication of our staff, the resiliency of those we serve and the resources you have entrusted to us, MCH has done much more than endure the COVID-19 crisis – we have flourished. We have a long history of adapting in crisis and finding ways to continue meeting the needs of those in our care across Texas and New Mexico. During COVID-19, we have been mindful to
frame our planning and contingencies in light of the graciousness God has shown throughout our 130 years of ministry.

We have approached this challenging time as another opportunity to make innovative moves and develop strategies that empower services to continue uninterrupted. As a ministry, we are focused on continuous improvement to better meet the needs of those we serve. The expertise and resources provided by you, along with strong stewardship, have enabled MCH to confront challenges and embrace new opportunities as we work to strengthen individuals in Texas and New Mexico.

The vision of MCH is to empower all we serve to experience life to the fullest; our mission is to equip children, youth and families to flourish by offering hope through Christ-centered relationships, services and support. We live these out by providing the care, programs and talented individuals needed to positively impact the lives of those we serve. This is happening every day in residential programs as well as through 13 MCH Family Outreach offices, including San Antonio and Corpus Christi.

Here are some of the things you helped MCH accomplish for God’s glory and those we serve:

- Launched the Staff on Standby (SOS) program. The SOS program is designed for employees who do not serve in direct childcare roles to lend their support by assisting with short-term projects and childcare needs. The goal is to alleviate additional burdens placed on childcare staff during COVID-19 and to provide employee engagement opportunities that support our mission. The SOS Program was a 2020 COA Innovative Practices Award Nominee.

- As shelter-at-home protocols were ordered in many areas, staff from MCH Family Outreach offices across Texas and New Mexico served families as they would in the event of a natural disaster. Case managers increased their visits to client families to provide essential supplies.

- Opened the fourth and fifth new homes on our Waco campus as part of the Building Hope capital campaign and began construction of four new homes. The state-of-the-art homes are designed with our trauma-informed research in mind.

- Graduated 22 seniors from high school and supported additional MCH alumni pursuing higher education at community colleges, trade schools or four-year institutions.

- Achieved designations of the Gold Seal of Transparency from Guidestar and a four-star charity rating from Charity Navigator. Less than 1 percent of nonprofits listed on Guidestar have achieved the Gold level. These designations recognize our commitment to excellence and efforts to conduct our work with the utmost integrity and transparency.

- Named as a TBRI® Ambassador Organization by the Karyn Purvis Institute of Child Development at Texas Christian University. TBRI® is an attachment-based, trauma-informed intervention designed to meet complex needs of vulnerable children. Ambassador Organizations are key partners with long-term relationships with the Purvis Institute.

- Entered into a collaborative partnership with One Heart Project (OHP) to provide holistic, evidence-based mentoring for youth in the MCH residential and aftercare programs in Waco. The One Heart Project is a national organization headquartered in Southlake, Texas, and has a history of producing positive change in youth through mentoring, life and gap-skill training, social and emotional intelligence, and job training.

- Strengthened our collaboration with The Cove – Heart of Texas, Inc., who moved its operations to the first floor of the MCH Family Outreach Center in Waco. The Cove serves high school-aged youth without access to housing by providing access to resources they need to thrive. With a common focus to equip and empower youth, this collaboration will strengthen both nonprofits and the Waco community at large.

Our achievements in the past and those yet to come are directly related to the men and women who give their time, talents and resources to bless our children. The following from the Rio Texas Conference serve on the MCH Board of Directors:

Mr. Bill Bingham, Austin
Mrs. Candy Mallonee, San Antonio
Mr. Mario Olivarez, Corpus Christi
I am excited for what is next for MCH and trust the future for our ministry is bright. May God continue to bless MCH and the ministries of the Rio Texas Conference.

**PROVIDENCE PLACE**

**FOR INFORMATION ONLY**

On behalf of our Board of Directors, staff, and the people that we serve in our many residential and outreach programs, I thank you, Bishop, and the members of the Rio Annual Conference for your dedication in partnership with the ministry of Providence Place. By God’s grace, we celebrated our 125th anniversary in 2020 during a Pandemic and have continued to provide and expand our services thanks to the committed support from individual donors and United Methodist Churches. We have been able to be a blessing to our community and to continue our important work despite these difficult times, and we couldn’t have done it without you.

Providence Place started in 1895 as a refuge for women and children who were the neediest in our community, and back then the Methodist churches and the Methodist Conference joined with us to provide food, shelter and adoption services to our most vulnerable women. After 125 years, we are still providing adoption services and have placed over 6000 babies in loving, forever homes. We have expanded our adoption services to include foster care adoption and foster care and in 2020, we opened a residential program for young women who are aging out of foster care.
They live with us in an apartment setting and practice independent living and employment skills until they are ready to transition into the community successfully and independently.

Our Parenting with a Purpose outreach program has expanded to serve over 2000 women and young children each year in the San Antonio and surrounding rural areas. We provide free diapers, formula, counseling, case management and parenting classes to help families during difficult times and to strengthen them to face their many challenges. Our goal is to support women, children and families whether they choose adoption or parenting.

Our residential program for women survivors of trafficking, sexual or domestic violence, My Mariposa Home, is going strong. We are celebrating our two-year anniversary offering this program, and our first group of survivors have graduated and are moving out into the community to live their lives as God intended, safe and feeling supported and loved.

And this year, 2021, we are opening up a short-term shelter serving homeless youth, providing services to them to stabilize their lives and reintegrate them into our community. Our commitment to vulnerable women, children and families continues as does our partnership with our Methodist congregations and supporters...serving together to end trauma and to spread God’s love. We are so lucky to have so many dedicated partners who support our work and want to see it thrive for future generations in need.

I encourage you to schedule a tour of our beautiful 25-acre campus, arrange a speaker for your congregation or church group, and request offering materials for an annual church offering. We couldn’t continue these ministries without you and we would love to come and share the stories and history of Providence Place with your congregation. If we could be a resource to you, contact our Advancement Team at (210) 696-2410 or at mission.advancement@provplace.org. Also, please visit our website at www.provplace.org to learn more about these special ministries and to hear first-hand stories from those we have served or follow us on Facebook to see what we are doing every day. We would love for you to be a part of our network!

Respectfully,

Dr. Judith Bell, President and CEO

AFRICA UNIVERSITY

For Information Only

The opportunity to update and thank the Rio Texas Conference as a partner in ministry with Africa University is truly a joy.

Africa University is deeply grateful to the local congregations of the Rio Texas Conference for investing 80.24 percent of the asking to the Africa University Fund apportionment in 2020. Thank you for supporting the ministry of Africa University with such faithfulness and generosity. By giving as you do, even in difficult times, Rio Texas United Methodist congregations are a source of inspiration and strength.

The upheaval and multilayered challenges associated with the coronavirus pandemic have brought about profound and lasting adjustments how we live, work, serve and connect. For Africa University, these included:

- **A shift to online-only teaching and learning from late March through to December 2020.** As the only university in Zimbabwe accredited to offer online degrees, Africa University had the infrastructure and expertise to transition smoothly and break new ground with competence-based student assessment tools.

- **Gifts totaling more than $300,000 from across the United Methodist connection that were designated for COVID-19 relief efforts.** These second-mile gifts enabled Africa University to house, feed and encourage close to 300 international students who were stranded on its campus between March and late July 2020.

- **Excellent student retention and modest enrollment growth,** with a more than 99% uptake of online learning by students. More than 3,000 students enrolled for the 2020-2021 academic year—a 16% increase over the previous year—with 2,395 studying full-time. Fifty-seven percent of the full-time students were female and 24% were international.
Innovation, outreach and service through:

- The development and distribution of masks and hand sanitizer (of its own design/formulation), that have now been certified and cleared for commercial production.
- The launch, via a web application, of farm to household delivery of fresh produce, meat and poultry products by the Africa University Dream Farm Trust.
- Two student-led initiatives—Feed a Family and Ben Hill UMC Women’s Residence Girl Child Support Program—that provided medical care, food and school fees assistance to vulnerable families in the wider community. Campus-based and home-based students raised resources, procured supplies and organized safe distribution to families.

The successful completion of two new buildings—the Highland Park UMC-funded student union facility and a dormitory for female students. A new solar farm powers the Highland Park women’s dormitory.

Africa University’s online campus is here to stay, thanks to infrastructure upgrades and the lesson learned while staying on mission in 2020. Going forward, Africa University is committed to growing its pan-African presence and impact through new programs, partnerships, and an effective blend of in-person and online learning options.

Thank you, Rio Texas United Methodists, for helping to prepare young leaders to be “an aroma that brings life” to a world that is crying out for justice, compassion, healing and wholeness (2 Cor. 2:14-16). Your prayers and gifts provide a strong foundation for the efforts of the students, lecturers and administrators as they engage in disciple-making by example. In a fragile and interconnected world and family of faith, your deep commitment, loving concern and steadfast support matter greatly.

Thank you for aiding Africa University in transforming lives and growing vibrant, worshipping communities. In journeying alongside Africa University in ministry and mission, Rio Texas United Methodists are the church in the world—seeding hope and sharing the love of Christ. Rio Texas Conference, your faithfulness affirms that when we are all in it together, God's grace is indeed sufficient. To God be the glory.

BOSTON UNIVERSITY SCHOOL OF THEOLOGY
FOR INFORMATION ONLY

Dear Colleagues in Ministry:

I am grateful for my first opportunity to thank you for your moral, prayerful, and material support of the Boston University School of Theology (BUSTH). Like many institutions, this past year at BUSTH has been largely influenced by the COVID-19 pandemic, outrage over enduring racial injustices in our country, and concern over rising white supremacy in our nation. Our work at BUSTH is to prepare religious leaders to encounter and engage complex challenges such as these. A year like 2020 makes the School’s historic and ongoing commitments to social justice even more relevant. Below are some BUSTH highlights from 2020. We remain hopeful in our continued partnership with you in the work and witness of the School toward advancing social justice, fostering compassionate communities, and shaping wise leaders for a hurting world.

BREAKING NEWS:

- Virtual Learning: Our faculty, staff, and library successfully pivoted to fully remote learning in Spring 2020 upon the COVID-19 lockdown, which continued through the summer terms. Fall 2020 offered a hybrid approach to learning, due to Boston University’s “Learn from Anywhere” initiative, which included a comprehensive on-campus testing program and strict COVID-19 precautions to ensure the safety of students, faculty, and staff.
Students were given the most flexibility, with allowances to learn in-person in socially distanced and masked classes or in the comfort of their own homes via Zoom. The redirection to online learning served as an opportunity for BUSTH faculty to develop new online pedagogical proficiency and positions the School for greater engagement with current conversations concerning best practices in distance, hybrid, and online learning options for students worldwide.

- **Students**: We continue to increase and celebrate diversity in our student body, creating opportunities for in-depth exchanges and a rich virtual community life. Our Fall 2020 entering class was among our largest classes ever, with 128 new students enrolling in September, despite the fact that recruitment had to transition to be fully online.

- **Faculty**: We celebrated *dean emerita* Mary Elizabeth Moore’s 12-year service to the School as she stepped down on December 31, 2020. The institution will be forever grateful for her historic tenure as its dean. The new dean G. Sujin Pak began her appointment on January 1, 2021. Dean Pak is known for her commitments to academic rigor, social justice, and United Methodism, which made her a wonderful fit for the deanship of BUSTH at this time. In the coming months, the School plans to appoint a new Martin Luther King, Jr. Professor of Ethical Leadership.

- **Lilly Endowment Grant for Thriving Congregations Initiative**: BUSTH was awarded a nearly $1 million, four-year grant to work with urban congregations responding to trauma. The project will be focused on responding to congregants who are continually shaped by and reacting to compounding domestic and global traumatic events, such as systemic racism, gun violence, homelessness, or immigration stressors.

- **Scholarships**: We continue to offer free tuition to UMC registered candidates for ordained ministry. Building student scholarships and housing opportunities remain key priorities. BUSTH also offers leadership fellowships to support students in ethnic, gender, and sexuality studies: Raíces Latinas, Sacred Worth, Indigenous Studies, Korean Studies, Women in Leadership, and Black Church Studies.

- **Online Lifelong Learning**: Through a generous grant from BU’s Digital Education Incubator, BUSTH began to offer online mini-courses, workshops, and reading groups for interested professional and spiritual enrichment of alumni and other religious leaders. Inaugural groups covered topics such as religious Afro-futurism, spirituality through the writings of Howard Thurman, and rituals and practices of grief in a time of pandemic. To learn about or participate in the next BUSTH Lifelong Learning offerings, visit [bu.edu/sth/oll](http://bu.edu/sth/oll).

- **Development**: BUSTH’s “On a Mission” campaign surpassed all expectations when it concluded in September 2019, raising $29.4 million—well beyond the $15 million goal set in 2010. These funds reflect broad support from alumni, friends, faculty, staff, and students, with a far-reaching impact on the School’s ability to pursue its mission. More than 2,800 donors, including 1,927 alumni (a 50% alumni participation rate), contributed to our campaign.

**PARTNERING FOR MINISTRY AND TRANSFORMATION:**

- **Doctor of Ministry**: The DMin in Transformational Leadership thrives with lively student cohorts that are interfaith, broadly ecumenical, culturally diverse, and global. The model includes intensives, online courses, and faculty mentoring.

- **Ecumenical partnerships**: We now have four denominational Communities of Learning: Wesleyan/Methodist, Episcopal/Anglican, United Church of Christ, and Unitarian Universalist.

- **Partnership with Hebrew College**: Together we are able to enrich interreligious learning through joint courses and public events, and also co-sponsor *The Journal of Interreligious Studies* and the *State of Formation* for emerging leaders.

- **Chaplaincy education**: BUSTH and the Chaplaincy Innovation Lab received a grant to support the joint project “Innovations in Chaplaincy Education,” which will seek to redesign courses on chaplaincy in higher education, and centralize education for chaplaincy curricula, including competencies needed for chaplains or other professionals in spiritual care.
TAking action globally and locally:

- **Campus action**: Work continues to improve accessibility, sustainability, and responsible investing. BUSTH is the first certified Green School in BU and is active in the Green Seminary Initiative.
- **Internships in global service and peacemaking**: Students participate in apprenticeship ministries across the world.

Commitment to justice:

- Faculty, staff, and students are active in #BlackLivesMatter efforts to seek racial equality, and in collaborative services to support people suffering the consequences of immigration practices or disability inequities.
- In Town Hall meetings, the community has deep conversations on issues that divide, seeking to develop capacities for relating across difference and to create a community based on the dignity of all.

BUSTH celebrates transformational leaders of the United Methodist Church. Your legacy and witness and your partnership give us hope and courage for the future.

Blessings and gratitude,

G. Sujin Pak, Dean

CANDLER SCHOOL OF THEOLOGY

For Information Only

Since our founding in 1914, Candler School of Theology at Emory University has educated more than 10,000 students, shaping thoughtful, principled, and courageous leaders dedicated to transforming the world in the name of Jesus Christ. We continued our work even through this most difficult year, with the coronavirus continuing its march around the world, a reckoning for racial injustice rolling across our nation, and a toxic, divisive political atmosphere challenging our civic life. Perhaps there has been no better year than this to underscore the importance of faithful and creative leaders for the church’s ministries throughout the world—the type of leaders we form at Candler.

Though our mission remains unchanged, the pandemic has necessitated many changes in how we undertake that mission: We have shifted classes online, redesigned syllabi to support optimal online learning, developed new ways to worship and experience community together in the virtual sphere, and discerned which new habits and modalities have promise for enriching our work even after the pandemic ends. Through these efforts, we and our students have gained deep experience in being flexible, adaptable, and creative as we respond to the demands of ever-changing contexts—experience that not only serves us well now, but will continue to serve us and our ministries far into the future.

Candler is one of 13 official seminaries of The United Methodist Church, yet true to the Methodist tradition of ecumenical openness, we enthusiastically welcome students from 44 denominations, with 46% of MDiv students coming from the Wesleyan tradition. Our student body reflects the diversity and breadth of the Christian faithful, with an enrollment of 483 from 12 countries and 37 states, 44 percent persons of color (U.S.), and a median age of 27 among MDivs. This diversity is a rich blessing, and this year we created a new staff position of assistant director of student life for diversity, equity and inclusion to foster understanding and ensure we are responsive to the needs of our diverse student body.

We offer six single degrees (MDiv, MTS, MRL MRPL, ThM, DMin) and ten dual degrees. Our Doctor of Ministry degree is 90 percent online, so students can remain in their places of ministry while completing their degrees. Our new Chaplaincy concentration is now among our most popular, and our Teaching Parish program enables students to serve as student pastors in local churches throughout the southeast, learning firsthand about shepherding a congregation; this year, there were 36 participants.

Alleviating student debt through generous financial aid remains among our top priorities. In 2019-2020, we awarded nearly $6.6 million in financial aid, with 100% of MDiv and 98% of all students receiving support. All MDiv students who are certified candidates for ordained ministry in the UMC receive full-tuition scholarships, and all MDiv, MTS,
and master of religious leadership students who are enrolled part-time or more receive a scholarship covering at least 50% of tuition for the length of their program. The demands of the pandemic did not diminish Candler’s robust schedule of events. Candler’s Black Church Studies program celebrated its 30th anniversary with a yearlong slate of online lectures and panel discussions, now available at vimeo.com/candler. We also launched The Candler Foundry to make theological education accessible to all, through short and semester-length courses taught by Candler faculty, videos and discussion guides to spark conversation in groups or one-on-one, and Facebook Live panel discussions connecting theology with current issues in the world. View the latest offerings at candlerfoundry.emory.edu.

Candler’s ability to fulfill our mission of educating faithful and creative leaders for the church’s ministries throughout the world depends upon your prayers, partnership, and support. Thank you for the countless ways you advance this vital ministry in the life of our denomination. We invite you to visit us online at candler.emory.edu.

DREW THEOLOGICAL SCHOOL
FOR INFORMATION ONLY

As with most other schools in the northeast of the U.S., Drew University evacuated its campus in early spring 2020 in response to the COVID-19 pandemic. Drew Theological School faculty and staff adapted to this challenge with resilience, compassion, and creativity. The Theological School faculty put their courses all online, led development workshops for faculty across the university, and, in order to accommodate our many international admits who would not be able to enter the United States for fall 2020, designed an asynchronous Master of Divinity program. As a result of this work, the Theological School welcomed 147 new students, its largest entering class in a decade, with an enrollment of 380 for the current academic year. Our chapel team has also led the way in creating online worship experiences that connect the Drew community now across the globe. All degree programs at the Theological School include interdisciplinary courses that demand out-of-the-box thinking, apprenticeship training that addresses real-world issues, and modes of learning that promote adaptability and innovation. Our MDiv and MATM degrees include a required gateway year, vocational pathways, and experiential learning that develops and deepens adaptive leadership skills. The curriculum features a team-designed and taught interdisciplinary sequence of core courses reflecting the integration of the theological disciplines and practices characteristic of the life of faith. The faculty have also articulated shared values that are infused across the teaching and learning at Drew: a commitment to anti-racism; gender and sexual-identity equality; eco-sustainability and environmental justice; and interfaith understanding and cooperation. Drew cultivates pastors, preachers, deacons, activists, teachers, and thought leaders who go all over the world to take their place as the next generation of faith leaders and change agents.

Melanie Johnson-DeBaufre, Interim Dean

LYDIA PATTERSON INSTITUTE
FOR INFORMATION ONLY

It is my honor to submit a report of the only institution of the South Central Jurisdiction to your conference. It is my wish to thank the Bishop and the members of the conference for the committed support to Lydia Patterson in the past year.

The year 2020, has been one unlike any other in my 36 years serving this ministry. We have endured many crises before such as drug wars, violence, peso devaluations, border and immigration issues, and other pandemics but none as terrifying as COVID-19. This time the lives of our students and staff were threatened. This time, we knew not how to attack it.

In early March, we closed our doors in order to keep our students and staff safe. By God’s grace and not knowing that He had a hand in what was to come, we had computerized our classrooms about 4 years prior. Going from on-site to on-line was done within 24 hours. We encountered some glitches, like students without internet or computers at home. We moved fast to provide them with tablets and “hot spots” so that no student would be left behind. The plan, of course was to return to the classroom in
a few weeks. The few weeks turned into months and months to a year. We did manage to celebrate the Class of 2020 with 69 graduating seniors. Of the 69 seniors, 69 are in college today.

We began the fall semester with a drop in enrollment. Parents were struggling to pay tuition. By then, many were unemployed and had lost loved ones to the pandemic. Our job was to see that our students returned and that we were there to make it possible. We moved swiftly to raising more scholarships. The uncertainty of the situation was alarming and many parents opted to keep their children home.

Teachers and staff are heroes and heroines. They have done an amazing job of keeping the students focused and on course. A few students may be falling behind, but they will receive extra help during the summer to catch up. This administration will seek funds so that these students can attend tuition free and jump back on board.

The past twelve months have been a test to our faith. We, at Lydia Patterson, did not lose faith. While in the middle of the pandemic, we completed a soccer practice field with green grass and colorful pergolas to welcome the students when they return. We remodeled the music room so that the students would have something positive and with optimism to return to. The students, parents, teachers, have all endured such pain, that we moved to bring back hope. We have all lived through horrifying times, but it is our faith that will get us through. While we went to virtual learning, we maintained our weekly devotionals on Zoom. For the past year, the staff has gathered to pray every single day.

We look forward for when the students can return to some type of normalcy. We look forward for the students to enjoy sports again and participate in extracurricular activities. The lay ministry students anxiously await the time to go out and serve in the local churches. We look forward to a normal graduation when we can celebrate the amazing student body that Lydia Patterson has. We look forward to your visit to our campus, whether it be on a mission trip or simply to experience firsthand the sanctity of this ministry.

God is good all the time. We have received many good wishes and prayers from our supporters together with financial support for our students. We will survive. My most sincere appreciation to all those kind people that have thought about us while trying to keep their own house safe. My gratitude goes out to all our supporters on behalf of every student at “La Lydia”.

Respectfully,

Socorro de Anda, President

SOUTHWESTERN UNIVERSITY
FOR INFORMATION ONLY

Despite the challenges posed by the pandemic, Southwestern University continues to provide our undergraduates with a distinctive residential educational experience. Thanks to meticulous planning and collaboration across campus departments and offices, the university successfully maintained a relatively low COVID-19 positivity rate in spring and fall 2020 while still engaging students in the rigorous inquiry-based courses and high-impact learning experiences that prepare our undergraduates for successful lives and careers beyond graduation.

For the fourth year in a row, a record-breaking number of students applied for admission, and in August, we welcomed 361 first-year and 50 transfer students, bringing the total enrollment to 1,506. Approximately 63% of the new class was in the top 25% of their graduating class, and 27% were in the top 10%. Altogether, 21 states and four countries are represented in the class. Underrepresented students constitute 39% of the class, and 18% are first-generation students. Southwestern’s class of 2024 was also the most diverse in university history, with 25% of the incoming class identifying as Hispanic or Latinx.

Our 2020 accolades include Washington Monthly ranking Southwestern the #1 Liberal Arts College in Texas. The university also tied for the #1 National Liberal Arts College in Texas according to the U.S. News and World Report. Our Center for Career & Professional Development ranks #3 in the nation and #1 in Texas, according to The Princeton Review, which also ranked Southwestern #2 in the nation and #1 in Texas among its Impact Schools.
Among our award-winning scholar-teachers, eight were awarded Sam Taylor Fellowships from the United Methodist General Board of Higher Education and Ministry. In just 52 weeks, Michael Cooper (music) published 56 source-critical, world-premiere editions of compositions by Florence B. Price (1887–1953), the first African-American woman to have her music performed by a major U.S. orchestra. Therese Shelton (mathematics) serves as a coprincipal investigator on a grant awarded by the National Science Foundation titled “Building Community through Systemic Initiative for Modeling Investigations and Opportunities with Differential Equations (SIMIODE).” And three of our faculty members published scholarly books last year: Bob Bednar (communication studies) published *Road Scars: Place, Automobility, and Road Trauma*; Jessica Hower (history) published *Tudor Empire: The Making of Britain and the British Atlantic World, 1485–1603*; and Allison Miller (art history) published *Kingly Splendor: Court Art and Materiality in Han China*.

Last academic year saw 31 students inducted into Southwestern’s chapter of Phi Beta Kappa. German and physics major Claire Harding ’20 was awarded a Fulbright Award to teach English in Germany and interned at the NASA Glenn Research Center with a program focusing on space communications and navigation. Art major and business minor Mattie Mint, class of 2022, interned with the Chicago Metropolitan Planning Council as a Kemper Scholar. Three psychology majors, three alumni, and Professor Fay Guarraci (psychology) published new research investigating the long-term effects of soy on rats’ reproductive physiology and behavior in the journal *Behavioural Pharmacology*. Kalliopi Caldwell and Shay Salunkhe, both class of 2022, earned prestigious Sumners Scholarships to engage in conferences and internship opportunities focusing on public policy and civic engagement. Two education majors and three recent alumni, along with Professor Michael Kamen (education), coauthored a chapter in the textbook *Affective Movements, Methods, and Pedagogies* dramatizing preservice teachers visiting innovative schools.

In high-impact learning experiences, for the 20th consecutive year, the King Creativity Fund supported significant, innovative, and visionary student projects across the disciplines. Twenty-five students participated in 11 different Summer Collaborative Opportunities and Experiences (SCOPE) as part of a student–faculty collaborative research program. Although SCOPE 2020 transitioned to a remote format and faculty found new ways to mentor their student researchers, the mission of SCOPE remained the same: to foster a culture of research at Southwestern; to promote student investigative learning, persistence, self-efficacy, and success; and to create an inclusive and diverse research community.

In a pandemic-shortened school year, Southwestern finished third for the SCAC President’s Trophy. The Pirates garnered 60 all-conference selections, including 16 First Team selections, 21 Second Team selections, nine Third Team selections, and 14 Honorable Mention selections. The Pirates also claimed six SCAC Elite 19 awards. Southwestern finished the year with three All-Americans and five All-Region selections. Women’s soccer won its first SCAC Championship in program history, earning its first NCAA Tournament berth. Three programs finished the season nationally ranked, with the men’s and women’s tennis programs earning the highest national rankings in program history. Five student–athletes finished the season in their sport’s individual national rankings. Before their seasons were cut short, men’s lacrosse opened the season with the best start in program history at 4–0, women’s lacrosse had individual leaders at the top of every major SCAC offensive statistical category, softball was 14–5, baseball’s and softball’s top pitchers each threw no-hitters, and women’s tennis was the highest-ranked team in the SCAC for the first time in school history.

In 2020, Southwestern welcomed David Pilgrim, human-rights activist and founder of the Jim Crow Museum of Racist Memorabilia, as guest speaker during the university’s Martin Luther King, Jr., Dream Week celebration. The Center for Career & Professional Development hosted its first annual Skills, Opportunities, Action, and Results (SOAR) summit, with keynotes delivered by industry leaders Chad Littlefield, cofounder of We and Me, Inc.; Diane Gottman, nationally recognized etiquette coach; John Grimshaw, digital marketing expert; and Daron K. Roberts, former NFL coach. The 20th annual Research and Creative Works Symposium took place online April 20–24, 2020, and featured more than 80 projects by 128 student presenters mentored by faculty and staff from across the university.
Ratification of Trustees

As stated in the University By-Laws, “Conference trustees are nominated by the University’s board of trustees, upon recommendation to the board’s trusteeship committee, and elected by their respective conferences.” Conference confirmation of “trustees at large” is no longer required by the By-Laws.

The following names are submitted to the Rio Texas Conference for election or re-election:

- Mr. Henry C. Joyner, nominated by the Board of Trustees for election to a one-year term concluding 2022.
- Mr. Kenneth Snodgrass, nominated by the Board of Trustees for election to a three-year term concluding 2024.

Conclusion

I would like to take this opportunity to personally invite you to visit Southwestern and experience, in person, our vibrant intellectual community.

Respectfully yours,

SAINT PAUL SCHOOL OF THEOLOGY
FOR INFORMATION ONLY

Saint Paul School of Theology, a seminary of the United Methodist Church, is committed to the formation of people for innovative, creative ministry. We are one institution, online and on-campus, in Kansas and Oklahoma.

This past year, we have all faced new challenges amid these unsettled times. Saint Paul School of Theology began the 2020-2021 academic year offering students an online option for all courses. With many students choosing to attend class solely online, our Student Council created a monthly “Chat & Chew” where students, faculty, and staff come together to eat lunch and talk about life, seminary, and ministry. In addition, Rev. Rod Newman, our Oklahoma Campus Chapel Coordinator, crafts a weekly Community Prayer to provide encouragement and faithfulness as the school seeks to provide spiritual formation in new ways.

Kansas Campus Chapel Coordinator Dr. Casey Sigmon took worship to new technological levels by introducing our weekly online worship service via Zoom, bringing our separate campus chapel services together for one service where all are invited to create a sacred atmosphere from wherever they are. Along with our featured alumni worship preachers, the community was blessed this fall by the presence of Musician in Residence Hannah Rand, from The Many, who led the music each week for worship. In Spring 2020, Odell Talley, Director of Music for Swope Parkway United and organist for Zion Travelers Missionary Baptist, served as Musician in Residence. For those who cannot join us live, chapel recordings are available on the Saint Paul YouTube channel.

Saint Paul staff and faculty continue to contribute to the academy, church, and society. This year, we have added new adjunct professors, including Rev. Dr. Carol Cook-Moore and Rev. Dr. Tiffany Nagel Monroe both of the OKUMC, Rev. Dr. Robert Turner of Vernon Chapel AME, UMC Deaconess Cindy Johnson of Rio Grande Conference, Rev. Adam Hamilton and Debi Nixon both of Church of the Resurrection, Rev. Chebon Kernell of the UMC Native American Comprehensive Plan, and Rev. Dr. Shannon Fleck of the Oklahoma Conference of Churches.

The faculty of Saint Paul School of Theology continue to maintain high standards of scholarship, research, publication, and engagement. Their many activities and publications over the past year are so numerous that space permits only the sharing of selected highlights.

1. Dr. Jim Brandt, Professor of Historical Theology, will publish “Schleiermacher’s Christian Ethics” in the forthcoming Oxford Handbook of Schleiermacher, which will appear in 2022 from the Oxford University Press.
2. Dr. Nancy Howell, Professor of Theology and Philosophy of Religion and Oubri A. Poppele Professor of Health and Welfare Ministries, continues her service on the Executive Committee of the International Society for Science and Religion, working on several committees advancing the aims of the Society.

3. Rev. Dr. Israel Kamudzandu, Associate Professor of New Testament Studies, will see the publication of his book, Reading and Interpreting the Bible with Global South Christians: A 21st Century Model for Europe and North America Christendom, by Wipf and Stock Publishers this summer. He has also written four Commentaries on 2 Corinthians and Ephesians which appeared on WorkingPreacher.org in April.

4. Dr. Hal Knight, Donald and Pearl Wright Professor of Wesleyan Studies, continues his work as a contributing writer in The Missouri Methodist magazine.

5. Dr. Kristen E. Kvam, Professor of Theology, serves as co-chair for the American Academy of Religion’s Program Unit “Martin Luther and Global Lutheran Traditions.” Over the last several months, she has conducted invited presentations to the Great Plains UMC Clergy and its Clergy Excellence in Liminal Time Conversations and the Fall Theological Conference of Central States Synod (ELCA) on October 14, 2020.

6. Dr. Casey Sigmon, Assistant Professor of Preaching and Worship and Director of Contextual Education, continues to contribute regularly to WorkingPreacher.org and served as the keynote speaker at the Wesleyan Liturgical Society in Kansas City in March 2020. Her scholarly writing will appear in the Preaching the Manifold Grace, Vol. 2, edited by Ronald J. Allen and published by Wipf and Stock.

This year, we have faced several challenges that turned into opportunities for new recruiting spaces and partnerships to enhance students’ seminary experience. With the change from in-person to virtual events, Rev. Shannon Hancock, Director of Admissions and Communications, has expanded her reach to prospective students by participating as a virtual exhibitor at online conferences. Rev. Hancock engages with prospective students via apps such as Whova and HopIn to highlight Saint Paul’s unique course delivery system and formative community.

In February, Saint Paul held the 2021 Slater-Willson Lecture online featuring Rev. Dr. Miguel A. De La Torre. His lecture, “Why Do They Come?” explored the political, economic, and social causes of our current immigration crisis. Before the lecture, Rev. Dr. De La Torre participated in a student-led forum, entering a conversation centering around the practical aspects of ministry and immigration. Later in April, Saint Paul Evangelical Society, led by Dr. Hal Knight, hosted a lecture given by Dr. Sammy G. Alfaro, Associate Professor of Theology at Grand Canyon University and Pastor of Iglesia Nuevo Dia (New Day Church), on the “Pastoral Strategies for Ministering Among Latinx Immigrant Communities.” And for the first time, on May 22, Saint Paul held a virtual commencement celebration with videos, cap and gown photos, online congratulatory messages from friends and family, and a commencement address by Rev. Chebon Kernell. The class of 2021 had 22 graduates, including 16 Master of Divinity and 1 Doctor of Ministry graduates. Due to the pandemic, for safety concerns, Saint Paul has postponed our 60th Anniversary Celebration. However, we have rescheduled the event for Friday, October 22 and look forward to coming together as a community for a safe, in-person gathering.

For the 2020-2021 fiscal year, Saint Paul Course of Study (COS) School educated 255 individual students, 40 of which were new students, with a total registration of 520 classes and offering a total of 51 courses. Due to Covid-19, the school quickly pivoted its course offerings and delivered lessons in both asynchronous and synchronous online formats. In Winter 2019, Saint Paul began a hybrid (online and on-campus) schedule for six courses. Although for 2021, this went fully online, plans to increase the number of hybrid course offerings are in development.

Saint Paul Board of Trustees added three new members to their ranks: Bishop James D. Tindall, Sr., Pastor Emeritus at Metropolitan Spiritual Church of Christ Kansas City; Ms. Sharon Cleaver, Senior Director of Marketing, Communications, and PR for the Boys & Girls Clubs of Greater Kansas City; and Mr. Rogers Strickland, Founder/CEO of Strickland Construction.

Through a Board initiative related to diversity and inclusion, Saint Paul created a working group on Native American theology and ministries comprised of Native theologians and church leaders. Their efforts are focused on how the church and academy can work together toward healing generational trauma related to the spread of Christianity and the genocide of Indigenous North Americans.
As we have happily reported in past years, Saint Paul is financially sound and operates with a balanced budget. The changes made these last years have established a solid financial foundation for years of sustainability. We continue to be grateful for donations from the community that provide technology, scholarships, and emergency assistance to students. Our significant investments in technology have recently allowed our staff, faculty, and students to transition to a fully hybrid educational delivery model providing a safe learning environment during the pandemic. Our faculty was uniquely adept at managing technology in the classroom before the pandemic, making the transition to all online courses a smooth process.

With the Board’s assistance, led by Board Chair Rev. Dr. Tex Sample, the seminary focuses on its mission. Our trustees work to continuously enhance and evaluate the strategic plans in place to guide us into the future. Perhaps most importantly, we have learned much and grown closer as a community due to the pandemic.

Saint Paul School of Theology is blessed to be your partner in ministry and help those seeking more to answer the call. We are a seminary that offers online and on-campus classes with a flexible schedule to help our students manage pastoral leadership demands in the 21st century. We are grateful for your support of our students and our seminary. May we continue to live into the call of Jesus Christ to be faithful witnesses for healing in these unsettled times and for generations to come.

President Neil Blair, Saint Paul trustees, faculty, staff, alumni, and students thank you for your prayers and support.

TEXAS UNITED METHODIST COLLEGE ASSOCIATION
FOR INFORMATION ONLY

This has been a year of distance. Those things that generally bring us together have been severely impacted by the spread of the COVID-19 pandemic. Life in our churches and on college campuses now requires that we maintain social distance, do distance learning, and otherwise call for the separation of our fellowship. Yet, the support of young men and women in our universities through church-related scholarships continues. Not only does it provide an avenue for the next generation of United Methodist students to study at our institutions, it also provides hope that an education is still possible, even in the face of hard economic times brought on by the pandemic.

The total distribution to our Texas United Methodist College Association colleges this past year was $162,000. These funds that were granted to McMurray University, Southern Methodist University, Southwestern University, and Texas Wesleyan University are restricted to scholarships for deserving students from United Methodist congregations in Texas. As always, no funds are used for brick and mortar. Many of our students continue to be first-generation college students.

While the support from any one congregation may be small, the impact of those funds in combination with all the other Texas congregations is enormous. TUMCA scholars continue to receive hope, affirmation, encouragement, and the development of servant-leadership skills that will serve well the church-at-large while individual churches chart new ways to close the theological, social, and medical distances that challenge us today.

TUMCA continues to be an extension of our United Methodist congregations’ mission, and we are grateful for their support. We are continually blessed to work with our scholars and the supporting congregations in the transformation of the world.

Respectfully Submitted,

Dr. Darrell M. Loyless, President
It appears God is doing some new things at United Theological Seminary, even in the midst of health, racial, and political crises.

**God is doing a new thing at United financially.** United continues to make progress toward its goal of becoming debt-free by the Seminary’s 150th anniversary on October 11, 2021. Thanks to the faithfulness and generosity of alumni/ae and donors, less than $1 million remains of the original $4 million mortgage debt. After the mortgage is paid in full, the Seminary plans to convert those mortgage payments into money for student scholarships.

**God is doing a new thing in enrollment.** Over the last five years, United’s Doctor of Ministry program has grown by 48%, from 170 students in the 2016-17 academic year to 251 in 2020-21. In Fall 2021, Dr. Elvin Sadler, General Secretary of the African Methodist Episcopal Zion Church, will become the Associate Dean for Doctoral Studies, upon the retirement of Dr. Harold Hudson who has been a vital leader at the Seminary for 17 years.

**God is doing a new thing with partners in church renewal.** In the 2020-21 academic year, United has partnered with Fresh Expressions US and the Mosaix Global Network to introduce two new Houses of Study. These houses oversee specialized tracks in the Doctor of Ministry and Master of Divinity programs. Rev. Dr. Michael Beck is director of the Fresh Expressions House of Studies, and Dr. Harry Li is director of the Mosaix House of Studies.

In collaboration with the Northwest Texas Conference of The United Methodist Church, United also introduced Rooted/Enraizados, a certificate program for coaches and mentors of Hispanic/Latino church planters. In 2020-21, the program served students from more than five annual conferences.

**God is doing a new thing with the establishment of The Bishop Bruce Ough Innovation Center.** Beginning in 2021, the Innovation Center honors the ministry of Bishop Bruce Ough by providing a hub of learning for church leaders seeking the framework, support, and courage to introduce the Gospel of Jesus Christ in new and creative ways.

Rev. Sue Nilson Kibbey joins United as the inaugural director of the Innovation Center.

United’s prayer is that United Methodists will perceive the new things that God is doing in our communities, congregations, and ministries as we strive to make disciples of Jesus Christ for the transformation of the world.

Grace and peace,

Dr. Kent Millard, President

For the world, 2020 was a year like no other. In the midst of a global pandemic, plus resurgent racism, mass unemployment, and politically challenging times in the US, Wesley remained committed to fostering wisdom and courage, preparing graduates to lead innovative ministries while remaining grounded in our biblical and theological traditions for the sake of God’s inbreaking kingdom. The mode of educational delivery changed overnight, as we became an all-online seminary on March 15, 2020 and have remained so to keep students, faculty, staff and all members of the Wesley community safe from COVID-19 exposure on campus. This is simply Wesley modelling what we teach our students: to be committed to our God-given mission while being innovative and responsive in the delivery of ministry. Here are some of the ways we are accomplishing that with our many partners in this mission, as we seek to faithfully minister to the world in the future.

**Research projects support congregational community engagement and envision future ministry**

Wesley is pleased to announce new opportunities for UMC congregations to explore, clarify, and pursue thriving in their communities.
Through The Source Collaborative, Wesley will work with three cohorts of regional congregations in a two-year process of prayer, community engagement, congregational visioning, and coaching, with the goal of following Jesus in mission and ministry. Interested congregations can contact innovation@wesleyseminary.edu for more information. This work, funded by a $1 million Lilly Endowment, Inc, grant, raises Wesley’s role as a leading research and development seminary for the whole church and complements Wesley’s other Lilly Endowment-funded projects focused on congregational vitality.

The Religious Workforce Project is an expansive study of the current and future nature of religious work, particularly in local congregations, so as to understand what opportunities and constraints may exist in the future and to adapt resources and training accordingly. Through the Wesley Innovation Hub, the seminary has worked with 18 congregations in the greater Washington area to experiment with ministries with young adults outside the church. Together, these projects forge insight into future ministry and local church development, influencing the way students are trained in master’s, doctoral, and course of study education, but also informing workshops, podcasts, articles, and training for church leaders working in their communities across the country.

We invite you to discover the latest research and conversations generated by the Wesley community through our new web portal, #EngageInTheseTimes, at www.wesleyseminary.edu/#engage.

Using research and partnerships to reach and equip the next generation of ministers

Research shows that the primary way people learn about and begin to consider seminary options is through their pastor or an alumnus. Whether you feel called or you know someone who does, Wesley is ready to work with you as we make theological education more accessible and relevant to the realities of ministry today—for laity and clergy, for those seeking a degree or certification or continuing education, and for ministry from within or beyond the church.

Wesley offers an 81-hour Master of Divinity, a 36-hour Master of Arts, and a 60-hour Master of Theological Studies, any of which can be focused around specializations in public theology, urban ministry, arts and theology, missional church, children and youth ministry and advocacy, or African American church leadership.

For full-time students, we offer a modern and affordable residential community in the nation’s capital. Our Community Engagement Fellows program prepares students to engage in entrepreneurial, community-based ministry. Generous stipends are available for each Fellow while they complete their MDiv degree. Our 3+3 Fast Track BA/MDiv program with Shenandoah University allows students to complete both degrees in six years, entering ministry more quickly and with less debt.

For people with work, ministry, and family commitments, Wesley’s Master of Divinity degree can now be completed via online, weekend, short-term intensive, and weeknight courses in 5 years. Check out upcoming flexible course offerings for Summer and Fall 2021 at www.wesleyseminary.edu/admissions/try-a-class-3.

Wesley works with each student to make seminary affordable. Thanks to the consistent support of graduates, congregations, and friends, Wesley provides more than $2 million annually in scholarships. In addition to our regular merit awards, ranging from 25% to 100% tuition with stipends, Wesley has released special additional scholarships: full-tuition scholarships for people recommended by Wesley alumni, campus ministers, or Christian camping or service ministries who feel called to leadership in the church as it is becoming; Next Call in Ministry scholarships for students who have worked in a non-ministry setting for at least 10 years; and Generación Latinx Scholarships for emerging Latinx/Hispanic leaders for ministries both within and beyond the church.

Take your ministry to the next level

In addition to full master’s degrees, Wesley offers graduate certificates for those preparing for specialized ministry! The new Certificate for Children and Youth Ministry and Advocacy (CYMA) is designed for people who work with and advocate for children and young people, whether in churches, schools, or non-profit organizations. The non-residential certificate can be completed in 12 to 15 months through online coursework and up to two residential sessions. For more information, visit www.wesleyseminary.edu/admissions/cyma-3. The Certificate in Faith...
and Public Life explores the foundations of public theology, religious freedom, and civil discourse through graduate courses. For more information, visit www.wesleyseminary.edu/ice/programs/public-theology/public-life/.

Wesley is a leader in Doctor of Ministry programs in specialized tracks that can include international study. Wesley is pleased to announce three new Doctor of Ministry tracks for 2022: Ministry in a Digital Age, a timely new track exploring the new opportunities and challenges of online ministry; Justice, Compassion, and Witness in a Turbulent World, hosted in Cambridge, England; and a program focused on Latinx ministry. As well, new 2022 cohorts for our popular DMin areas of focus will be offered for Military Chaplains and CPE chaplains, our international mission-focused Global Church Leadership program, and Wesley’s premiere DMin program in innovative church administration “Church Leadership Excellence.” Find out more or apply at www.wesleyseminary.edu/doctorofministry/.

TEXAS METHODIST FOUNDATION

FOR INFORMATION ONLY

The pandemic brought great hardships to United Methodists in Texas and New Mexico in 2020, but it also provided great opportunities to be in mission with the most vulnerable among us. Since relationships have always been at the center of TMF’s ministry, we were encouraged by all the ways churches and nonprofits creatively maintained,
developed, and strengthened their relationships with their communities in spite of unprecedented and prolonged challenges. To support their work, TMF created a Microloan Program, offered special grants through the COVID-19 Response and Recovery Fund, moved Leadership Ministry opportunities online, and made a Loan Assistance Program available to loan clients. We were grateful to extend these resources and walk alongside so many agents of change in an unpredictable year.

Tom Stanton, TMF Senior Area Representative for the Rio Texas Conference, is the primary contact and bridge between congregations (clergy and laity) and TMF. As a partner in ministry, he connects members of the Rio Texas Conference to relevant resources unique to their goals for missional growth within congregations and communities.

TMF, headquartered in Austin, serves United Methodist individuals, churches and agencies within the six annual conferences in Texas and New Mexico. We appreciate the opportunity to report some of the ways we served United Methodists last year.

Within the Rio Texas Conference:

- Loans to churches in the Rio Texas Conference totaled $53.7 million at the end of 2020.
- Three churches in the Rio Texas Conference participated in the TMF Microloan Program, seeking $30,000 in microloans.
- Churches and agencies, not including individuals, within the Rio Texas Conference had $48.6 million invested in the Methodist Loan Fund.

Throughout Texas and New Mexico:

- As of December 31, 2020, total assets under management by TMF were $709.7 million.
- Methodist Loan Fund investments ended the year at $334.9 million, and our loan portfolio at $305 million.
- TMF’s Undesignated Endowment ended the year at $68 million.
- Highlighting a significant year of financial support for TMF was a grant of $1 million from Lilly Endowment, Inc. The Lilly grant to TMF’s Leadership Ministry will launch the Courageous Congregations Collaborative (C3).
- In response to the global pandemic, TMF established the COVID-19 Response & Recovery Fund. The COVID Fund received $492K in donor support highlighted by two separate challenge grants of $100K and $125K.
- Gifts to TMF, including our Leadership and Grants Ministries and the undesignated endowment, totaled $2.15M.
- TMF continued its planned giving work with individuals and families to support their family philanthropy. In 2020, donors directed $1.445M in gifts (endowments, donor-advised funds, charitable gift annuities, and trusts) to support their most cherished churches and nonprofits.
- TMF distributed, or had available for distribution, approximately $3,165,000 from 470 permanent endowments to named endowment beneficiaries. There was approximately $1,363,000 available for grants from 93 endowments.
- During 2020, the TMF Grants Ministry funded approximately $2.1 million in support of 124 grant awards to churches and nonprofits. Of that total, $1.2 million came from restricted endowments and the remainder from TMF Operations, and funds raised for the newly established COVID-19 Fund. A new COVID-19 Committee was formed to determine grant awards related to the pandemic. Unlike any other year, all funds that could be awarded toward COVID-19 efforts were released without restrictions. This amount was estimated at $825,000. The Grants Committee of the TMF Board of Directors determines distribution decisions for the discretionary funds.
- TMF’s Leadership Ministry works to equip leaders for deep change through facilitating conversations of courage, learning, and innovation. Some of these conversations take the form of on-going peer groups and others as stand-alone conversations around an adaptive issue. These peer relationships offer fresh perspectives, renew their sense of calling and embolden them for courageous leadership. During 2020, TMF’s Leadership Ministry joined the rest of the world in pivoting to online gatherings. Our cohorts have continued meeting in the digital space, staying connected to each other for support, learning and encouragement. Remarkably, we also launched two new cohorts through the Courageous Leadership Imperative (CLI). As a complement to our CLI initiative that works with leaders, TMF received a grant from the
Lilly Endowment for their Thriving Congregations initiative. In this project, which we are calling the Courageous Congregations Collaborative or C3, we will gather teams to exercise and flex five adaptive muscles needed for this post-pandemic season. Additionally, in July of 2020, TMF welcomed the Rev. Dr. Blair Thompson-White as the Director of Leadership Ministry and the Rev. John Thornburg as the Director of Learning.

- Though this year of COVID has brought substantial loss, it has also provided great opportunity for improvement and innovation. Fueled by the desire to encourage and support, the TMF team of Area Representatives has continued to remain steadfast and loyal to those they serve. As walk-beside partners in ministry, the team equips and empowers faith communities as they live into their God-appointed mission. Though grounded by the pandemic, the eight representatives, who normally travel Texas and New Mexico, making over 2500 visits, found a way to pivot. A pivot that led to the nurturing of deeper relationships and the provision of much needed services. All within the virtual space. By providing financial best practices, cultivating legacy generosity plans, and nurturing cultures of generosity the improvement work flourished. Churches who desired to nurture purpose and innovation leaned on the process of discernment guided by this question, “What difference is God calling us to make in this time and in this place?” Engaging both informal conversation and contracted services church leadership used Holy Conversations (4-6 months with a team of 7-9) and Holy Excavations (half-day workshop with 20-25 people). The TMF Area Representatives remain excited by the mission, inspired by God’s call into the future and poised to walk the journey with you no matter where the path may lead.
