-I don’t know how to vote
The first question is, do you have your elector ID and password?
The voting website is riotexas.simplyvoting.com.
Next, the member will need to enter their elector ID and password.
Once they are logged into the voting website, they will see a blue clickable Vote Now link.
Click the blue text to open the ballot.
Make a selection by clicking the box next to your answer and click continue.
Make sure to confirm your vote after clicking continue.

-I am logged into the voting website but I do not see a vote.
Click on the Next Vote button on the top of the voting website, next to your name.
