

Fernet Cannella

Sicilian Inspired. Made in San Francisco.

OVERVIEW Rooted in Italian tradition, yet uniquely American, we introduce to you Fernet Cannella! Inspired by founder Joe Cannella's formative travel experiences in Sicily, Fernet Cannella is a fresh take on a classic Italian spirit.

Overproofed at 42%, and with under 5% sugar by volume, Fernet Cannella is drier than you might expect, and foregoes the traditional caramel coloring you'll typically find in most other Fernet. This allows us to better showcase the ingredients and allow them to shine through.

WHAT'S IN IT While the formulation is proprietary, we can share that among many other botanicals, roots and spices, we are Fernet Cannella includes myrrh, saffron, turmeric and angelica root.

HOW TO ENJOY On the rocks with a lemon twist makes for great sipping.

ABV: 42%

Format: 750ml

Cases: 6x 750ml

About Cannella Spirits: "Cannella" is the Italian word for cinnamon, and our family name. Inspired by an ancient Sicilian family tradition in the spice trade, we launched our San Francisco based amaro company in 2014 when we launched our Cannella Cinnamon Cordial.
