## Message from the President

We are pleased to present the 2015-16 Annual Report of the Qullit Nunavut Status of Women Council (QNSWC). Over the last year we have met, advertised for new Council members, launched our reworked website and increased our presence in social media through Facebook and Twitter. The Council completed projects, events and activities as outlined in its contribution agreement with the Government of Nunavut for the fiscal year ending on March 31, 2016.

We continued to engage in advocacy work in areas of concern for women and their families. These include the shortage of housing, lack of daycares, high cost of living, lack of opportunities for employment and the ever growing concern that these affect the increase of violence in our homes. We believe it is a priority to promote the leadership and education of our young women for increased access to more choices and opportunities that are empowering and fulfilling.

Ours is a small organization; we are keenly aware that to make our voice stronger we must work and collaborate with other organizations that share our commitment to ending poverty and homelessness, and build on improved access to education, health care, and leadership. Everyone has a role to play in advancing equity in Nunavut.

We need to acknowledge and support Nunavut's strengths - particularly its people who reach out and engage in helping build better communities for everyone. These volunteers run our soup kitchens, food banks, help lines and other non-profit organizations that help support positive changes in people's lives.

We will continue to network with other organizations, work together, consult with individuals, meet with concerned groups and also promote and build on the strengths of Nunavummiut. We know that to reach all communities we have to remain diligent about being available. We hope that our continued collaboration with other organizations, our renewed website and our activity in social media will continue to build linkages and move us forward towards equity.

From a collaboration perspective, this has been yet another positive and productive year. We thank our partners and acknowledge the importance in partnerships. On behalf of Qullit, we would like to express appreciation to Minister Eil-Kanayuk and her staff for their advocacy on behalf of Nunavut's women.

Respectfully submitted,

Elisapee Sheutiapik,  
President (Jan 20/16 – Mar 31/16)

Charlotte Borg,  
President (Apr 1/15 – Jan 19/16)

The memorial in Iqaluit started with a candle-lit Orange Day Walk in support of the United Nations call to end violence against women and girls everywhere in the world, followed by a program that included qulliq lighting, speeches, the laying of red roses by the audience in memory of lost family and friends, music and song, the Jennifer Naglingniq Award by CBC, and a moment of silence to remember the women and girls lost to violence.

### Raising Our Voices:

Since 2013, Qullit has awarded six Qullit Leadership Bursaries per year to Nunavut young women, aged 14 – 17, to support their leadership skill development by participating in Encounters with Canada, in Ottawa. This week-long program focuses on developing leadership in areas specific to the participant's interest in science/technology, sports/fitness, arts/culture, law, medicine/health, ecology/environment and others. This opportunity provides young women with a chance to meet other young people from across Canada and to hear from leaders in many fields, who inspire youth to pursue their areas of interest and passion.

## Violence Prevention Action Plan Coalition:

Upon completion of phase 1, the draft action plan created by the Coalition, representing the actions of each coalition member, was presented to members of the Department of Family

Services. As this was not an action plan for Family Services but a Coalition Action Plan, the department has chosen to conclude its support for the continuation of this Coalition's work.

### **MMAW (Missing and Murdered Aboriginal Women)**

Susie Evyagotailak and Mavis Elias-Adjun attended the 2<sup>nd</sup> National Round Table gathering in Winnipeg, February 2016, where Indigenous families and leaders, Premiers, provincial, territorial and federal ministers met over two days to continue their work towards better outcomes for Indigenous women and girls.

The RCMP has identified 1,181 missing and murdered Aboriginal women in Canadian police databases between 1980 and 2012.

This National Roundtable included opportunity for family members to share their stories with political leaders and to share their views on what work needs to be done to address this important issue, a day for discussion among political leaders towards further improving coordination and collaboration across sectors, and amongst each other on MMIW issues.

### **Coalition of Status of Women Councils and Advisory Groups**

Status of Women Councils and Advisory Groups from across Canada met in Halifax this year to discuss the challenges and opportunities for women in Canada, from violence, lack of access to abortion, women in politics, equal opportunity for women immigrants, sex trade, human trafficking, economic security, equal pay, access to day cares and health. These annual meetings provide opportunities to increase awareness and look at ways to address these issues across Canada.

### **Website and Social Media**

Qullit's renewed website was launched in February 2016 and will offer information to all women about the awards, activities and events offered by the Council and an opportunity to participate. This website will continue to grow and offer links to current information in areas of Culture, Business, Leadership, Health, Education, Violence Prevention, Justice, Politics, etc. The Council also shares information through its Facebook page and Twitter account.

### **Collaboration and Partnerships:**

## **Nunavut Law Society**

We are working together to establish support for women looking to access information on law and legal issues. We partnered on the second 'Access to Justice' event, hosted in Iqaluit to bring awareness and answer questions on the justice system. **INDEPENDENT AUDITORS' REPORT**

To the Members of  
Qullit Nunavut Status of Women Council

We have audited the accompanying financial statements of Qullit Nunavut Status of Women Council, which comprise the statement of financial position as at March 31, 2016, and the statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free of material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Council's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluation of the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Qullit Nunavut Status of Women Council as at March 31, 2016 and its financial performance and its cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

## **Report on Other Legal and Regulatory Requirements**

As required by the *Financial Administration Act* of Nunavut we report that, in our opinion, Canadian Public Sector Accounting Standards have been applied on a basis consistent with that of the preceding year.

We further report in accordance with the *Financial Administration Act* of Nunavut that, in our opinion, proper books of account have been kept by the Council, the financial statements are in agreement therewith and the transactions that have come under our notice have, in all significant respects, been within the statutory powers of the Council.

**QULLIIT NUNAVUT STATUS OF WOMEN COUNCIL**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED MARCH 31, 2016**

**1. NATURE OF THE ORGANIZATION**

The Qullit Nunavut Status of Women Council was established under the *Qullit Nunavut Status of Women Council Act* of Nunavut on April 1, 1999, as amended March 22, 2005, and commenced operations April 1, 2001 as a *Schedule A Public Agency* as determined by the *Financial Administration Act*. The Council is required to comply with the Government of Nunavut's *Financial Administration Act* and *Financial Administration Manual*. The purpose of the Council is to advance the goal of equal participation of women in society and promote changes in social, legal and economic structures to that end.

**2. SIGNIFICANT ACCOUNTING POLICIES**

The accounting policies followed by the Council are in accordance with Canadian public sector accounting standards. The following is a summary of the significant accounting policies:

**(a) Use of Estimates**

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Significant items subject to such estimates and assumptions include the valuation of accounts receivable. Actual results could differ from those estimates.

**(b) Financial Instruments**

The Council initially measures its financial assets and financial liabilities at fair value. The Council subsequently measures all its financial assets and financial liabilities at amortized cost, except for derivatives and equity securities quoted in an active market, which are measured at fair value.

Financial assets measured at amortized cost include cash and cash equivalents and accounts receivable. Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

It is management's opinion that the Council is not exposed to significant interest, currency or credit risks arising from these financial instruments unless otherwise noted.

**(c) Revenue Recognition**

The deferral method of revenue recognition is followed. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

**QULLIIT NUNAVUT STATUS OF WOMEN COUNCIL**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED MARCH 31, 2016**

**2. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(d) Cash and Cash Equivalents**

Cash and cash equivalents are comprised of bank account balances net of outstanding cheques and short term highly liquid investments that are readily convertible to cash. Short term investments are recorded at the lower of cost or market value.

**(e) Furniture and Equipment**

Minor furniture and equipment are expensed in the year of acquisition. Furniture and equipment consists of computers, office equipment and furniture.

**(f) Contributed Materials and Services**

Volunteers contribute a significant number of hours to the Council in carrying out its service delivery activities. Due to the difficulty of determining their fair value, contributed materials and services are not recognized in the financial statements.

**3. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES**

Included in the accounts payable and accrued liabilities balance is \$nil (2015 - \$3,593) of government remittances payable.

**4. ECONOMIC DEPENDENCE**

The Council receives the majority of its funding from the Government of Nunavut. Without the continuing support of the Government, it is unlikely that the Council could continue operations.

**5. COMMITMENTS**

The Council is committed to a lease for office space of \$2,100 per month until December 31, 2017.

An addendum added to the lease agreement in August 2015 gives the tenant the option to renew the lease for three consecutive terms of five years per term. The annual rent is subject to negotiation for each renewal term. The rent for the renewal term shall be the current market rental value for a similar space at the time of renewal.
