The Prime Minister's wife accompanied Mr. Trudeau into the interview for the magazine and talked about what first drew her to the very attractive man was that "he had a really deep gaze."

Sophie also revealed that on their first date Justin said, “I’m a dreamer and a romantic.” Sophie recalls, “at the end of dinner, he said, ‘I’m 31 years old, and I’ve been waiting for you for 31 years.’ And we both cried like babies.”
