You have probably heard somewhere in the Twittersverse about the feud between **Kanye West** and **Wiz Khalifa**. But, let us break down for you everything you need to know about their epic Twitter battle so far.

On January 26th, West officially announced on Twitter that he changed his highly anticipated album title from *Swish* to *Waves*. Khalifa did not take this lightly as he thought that Kanye was stealing the term “waves” off of 38-year-old musician, **Max B. Khalifa**. Khalifa tweeted:

The “See You Again” rapper then started posting videos of Max B’s music, and tweeted:

Kanye quickly fired back at Khalifa's tweets, thinking that the father of one was throwing shade at his wife **Kim Kardashian West**, as seen in his now deleted tweet:

**“Like, oh that’s Ye and I can put his wife’s initials on my twitter @Wizkhalifa”
— KANYE WEST (@kanyewest) January 27, 2016**

But Wiz corrected Kanye, stating that KK refers to weed, not the famous Kardashian.

The battle was far from over as Kanye expressed his hatred towards Wiz, his child, and his ex-baby mama, **Amber Rose** (who Kanye was in a serious relationship with for a long time). Some of his now-deleted tweets about the former stripper and his child include:

**“4th you let a stripper trap you”
— KANYE WEST (@kanyewest) January 27, 2016**

**“5th I know you mad every time you look at your child that this girl got you for 18 years”
— KANYE WEST (@kanyewest) January 27, 2016**

**“12th You wouldn’t have a child if it wasn’t for me”
— KANYE WEST (@kanyewest) January 27, 2016**

**“13th You own waves???? I own your child!!!!”
— KANYE WEST (@kanyewest) January 27, 2016**

Amber Rose did not take it lightly that Kanye dissed her and her child. On January 27th, she dissed the rapper and fashion designer on **Twitter**, using this epic tweet:

Later that day, Miss Rose went on the *Allegedly* podcast to talk about her baby daddy, son, and former flame in the feud: “He gets on the Internet today and he’s like, uh, ‘a stripper trapped you Wiz.’ But like you took me around the world. We dated for two years, but you’re talking sh*t about Wiz and my baby... Listen. Don’t talk about my kid. That’s all I gotta say. Just don’t talk about my baby.”

Kanye was later cornered by [TMZ](#) while departing LAX on Wednesday, but when it came to the Khalifa/Rose feud, “he said what he had to say”.

But wait... there’s more!

While Wiz performed his song “Taylor Gang” at a concert in Argentina on Wednesday night, a fan captured and posted on [YouTube](#) a video of the 28-year-old rapper shouting to the crowd: “F**k Kanye!”

Yet, on the end, in true Kanye fashion, the father of two promoted himself and his album with yet ANOTHER deleted tweet:

**Thank you for the extra promotion [#WAVES](#) available February 11th
— KANYE WEST ([@kanyewest](#)) [January 27, 2016](#)**

He even dissed Khalifa about allegedly losing 2 million Twitter followers.
