Who Duffy Serves

We welcome persons who may be:

- Uninsured
- Eligible for MassHealth and other state-sponsored health insurance programs
- Eligible for Medicare
- Unstably housed

Duffy accepts all patients regardless of ability to pay. We will enroll you into health insurance and other benefits programs for which you may be eligible. A sliding fee scale is available.

Duffy respects diversity. We offer multilingual services and welcome gay, lesbian, bisexual and transgender individuals.

NCQA Recognized

Duffy Health Center is recognized by the National Committee for Quality Assurance (NCQA) for its ability to deliver quality team care and to improve health as a Patient-Centered Medical Home (PCMH).

Hours of Operation

Monday - Wednesday: 8:00 am - 7:00 pm
Thursday: 8:00 am - 12:00 pm; 2:00 pm - 7:00 pm
Friday: 8:00 am - 5:00 pm

Same day appointments may be available. Call (508) 771-9599 for an appointment.

What a patient-centered medical home means to you...

Care with dignity and respect.

Good health is key to a good life. Feeling safe and supported will help you reach your goals.

Staff at Duffy are here to listen and to help. Our staff respect your unique needs and circumstances.

Once you become a Duffy Health Center patient, you will have access to primary and preventive care and support services.

We envision Cape Cod as a community where all people have access to quality health care, safe and affordable housing, and lives filled with hope and purpose.

What can I expect from team care?

Expertise
Care from a team that includes primary care providers, substance use disorder clinicians, mental health and spiritual health counselors, and case managers.

Partnership
Care that includes you as a respected and active member of the team, so you can help manage your own health.

Convenience
Care that is easy to schedule, with early and late appointments, and new ways to keep in touch with your team.

Collaboration
Care that is coordinated with other health care providers when you need it.

YOU are a part of your health care team!
