

GET A FREE DOZEN NITEX P-12'S

Learn more below:

The NiTex P-12 is Advanced Gloves new high-visibility NiTex P-200. It's the P-200 with an all new green flare, made to keep workers noticeable and safe.

Other than the high-visibility color, not much else has changed. The glove is still the long-lasting, form fitting, breathable glove we've all come to depend on.

But let's get to why you're still reading. To introduce the P-12, we are offering a free twelfth dozen if you order eleven dozen P-12's. That's right, you can get that door opening deal one more time.

Order soon, as this deal expires on:
Friday January 30, 2015

Offer is a one-time only and expires after first use
