\* Our agreement is that the chat function of Zoom should be used for non-content topics

only. Examples we'd like to see: 'BRB. Getting water.' 'Having sound issues.' 'Cute baby!'

\* Comments that are about the agenda/discussion topic and vibe checks should be done verbally. We do this to: facilitate audio-only participation, ensure that there is only one stream of focused conversation, and most importantly because we want everyone to be 'heard'. We will use visual symbols or the "raise hand" function on Zoom to catch the facilitator's attention and get in line if we aren't feeling able to jump in verbally. If you are uncomfortable speaking out you may message the board president who can act as a proxy for you. Note: Our facilitator does not monitor chat.
