Testimonials from participating families: “Sheer Magic. A ride your child will never forget.” “My girls love it and are looking forward to it every year.”
Ryan’s Ride was established in 2004 shortly after Ryan passed away from Sudden Unexplained Death in Childhood (SUDC). Watching thousands of young champions cross the finish line over the years is a wonderful way to honor Ryan. We appreciate all of your continued support and dedication toward making what this ride is today. Ryan would have turned 18 last December. The moment feels right to make this 16th annual ride our final Ryan’s Ride.

At the beginning of the event’s inception, the Ryan Phua Memorial Fund (Ryan’s Fund) was created through the LIVESTRONG Foundation to support cancer survivorship programs. Sixteen years later, with the help of dedicated volunteers and, of course, the wonderful participants, we have raised nearly one million dollars.

We hope you can join us on one last ride to honor Ryan. No doubt will we miss seeing the pure joy of all the kids riding on their bikes and receiving their medals. These magical moments are reasons why we keep putting our hearts & souls in planning this ride. It will be hard to let go, but we know that Ryan will always be in all of our hearts. We just could not have done it without your love and support. Our family is grateful and honored to have you by our side. We hope you can support Ryan’s Fund by making a donation. Thank you for your support.
