EXPERIENCE

TANK DESIGN / JUNE 2015 – PRESENT

As a designer at Tank Design, I work very closely with project managers, developers, senior designers and art directors to craft projects from concept to finish. Clients include FedEx, Reebok, and LogMeIn.

OPUS DESIGN LLC / SEPT. 2014 – MAY 2015

Year long apprenticeship as a graphic design intern for a small studio specializing in informational graphics for higher education. Studio work ranges from print production to UX web mock-ups.

RUE LA LA / JUNE 2014 – AUG. 2014

Creative Intern for a top online flash sale retailer which works with various popular brands. Involved with acquisitions work and creating external documents and presentations for clients.

CLOUDKID STUDIO LLC / MARCH 2014 – MAY 2014

Graphic design internship at a small animation studio which creates educational online games for companies such as PBS, Nickelodeon, and Cartoon Network. Mainly involved in the rebranding process of the company.

BOW + DRAPE / JULY 2013 – AUG. 2013

Summer graphic design internship with an online, customizable women's clothing website. Work included photo manipulation, editing, and website banners.
