Making the Business Case

Our mission at Prompt, Inc. is to deliver innovative, reliable, cost-effective, and efficient software solutions for Human Resource and Compensation professionals. Our clientele includes Ryder Truck Rental, Pier 1 Imports, Texas Health Resources, Exterran, Co-operators Insurance and other companies ranging in size from 300 to 25,000+ employees.

PromptPayPlanner[®] is our Global Total Rewards Planning software solution, designed for organizations ranging from from 250 to 500,000 employees, and has the flexibility to meet the most complex salary planning requirements. Your managers can view their employees, make pay decisions within your guidelines, and use powerful, intuitive reporting tools for clear communication to their staff. IT leaders and security experts will appreciate our status as security innovators. Our systems utilize database field-level encryption as well as encryption over-the-wire, ensuring the ultimate in security as your company's information travels via the internet or your own internal network. Boasting incredible ease of use, an unparalleled commitment to security, affordability, and "no-wait" customer service, Prompt, Inc.'s powerful solutions proudly stand head and shoulders above the competition. Thanks to the flexible nature of PromptPayPlanner[®], additional modules such as Total Reward Compensation Statements, Salary Change Forms for off-cycle increases, and Multiple Languages can be added.

PromptPerformance[®] is our Performance Management solution, and seamlessly integrates your Performance Review forms and ratings with PromptPayPlanner[®]. Designed to mimic your existing forms, PromptPerformance[®] incorporates our efficient workflow, notification, and approval process. PromptPerformance[®] allows employees and managers to focus on their jobs while the system's design facilitates smooth, easy use for a simple, pain-free process. We invite you to explore our website and schedule a demo to learn more about our service and software solutions. Our team goes above and beyond to provide you with a fast implementation of high quality software, all with our affordable prices. We look forward to saving you time and money with our innovative solutions, and to delivering the Prompt Promise – On Time, On Budget, and To Your Specifications!

Sincerely,
