Thursday, October 26, 2023 | 5:00 - 9:00 PM | Berkeley City Club

Please join us for our Annual Dinner and Stand Up for Solar Event. Together we will take stock in the important work being done to keep California's solar and storage market growing while enjoying quality food, drink, and company at the beautiful and historic Berkeley City Club. Featuring a cocktail hour from 5:00-7:00 on the Club's outdoor terrace, followed by a delicious sit-down dinner and official program in the Ballroom. This evening is our premier membership event bringing together California's leading solar and storage professionals. So, don your finest and bring your partner, friend, or colleagues. This will be a night to remember and to celebrate who we are and what we accomplish together.

There are numerous ways to participate to maximize support through bundled packages that include unique branding opportunities both before and during the event.

Key Benefits

- Cultivate relationships with colleagues, clients, and customers.
- Maximize exposure in the California Solar & Storage Association and with over 150 members in attendance.
