INSTRUMENTAL INSTRUCTION

Group Instrumental Classes
Piano, Guitar, Violin, Ukulele, Woodwind, Brass, Mallet Percussion
Ages: Elementary-High School
Facility needs: large space with secure instrument storage, projector
Instrumental instruction in an engaging and interactive group setting. Students will learn the basic care of their instrument, instrument part names, proper posture and playing technique, and elements of music theory, while performing songs from a range of musical traditions.

Buckets and Beats
Ages: Elementary-Middle School
Facility needs: large classroom with audio and storage
Students will get an introduction to the world of percussion by learning the fundamentals of rhythm. In a positive and engaging environment, students use drumsticks and buckets to learn basic stick technique, rudiment patterns, drum notation, and dynamics. Students will gain experience in a large ensemble as well as in smaller groups, applying musical concepts to a variety of genres including Hip Hop, Classical, Pop, Jazz, and Afro Cuban!

World Percussion Workshop
Ages: Elementary-High School
Facility needs: large classroom with secure instrument storage
In this group percussion class, students of any experience level will learn and develop rhythmic skills in different time signatures, tempos, and feels. In a welcoming and supportive environment, students use hand drums such as the djembe and the congas to learn exercises for increasing power and dexterity. After gaining solid technique on the drums, students will learn rhythms from the Congo, West Africa, Cuba, Haiti, and Trinidad - all of which will improve rhythmic vocabulary and musicality!
ENSEMBLE: Band, Orchestra, and Chamber Ensembles
Ages: Elementary-High School
Facility needs: Large classroom with secure instrument storage, music stands, projector
Start a band or orchestra program at your school, led by experienced teaching artists.
Instrument rentals available.

ENSEMBLE: Rock Band
Ages: Elementary-High School
Facility needs: Large classroom with secure instrument storage, music stands, projector
BMS’s Outreach Rock Bands offer students the opportunity to experience different instruments popular in Rock ‘n’ Roll, such as electric guitar, electric bass, keyboard, drumset, and vocals.
Students will develop proficiency and technique on various instruments through the practice and performance of Classic Rock songs and popular music that has been arranged to fit their skill levels. In this engaging environment, students will learn and apply basic music theory concepts, as well as develop fundamental musicianship skills including keeping the beat, following form, and improving aural skills.

VOCAL INSTRUCTION

Singers’ Showcase
Ages: Elementary-High School
Facility needs: space with piano or audio
An open-ended workshop where students can find their voice. This class uses song interpretation as a springboard for the development of technical, theoretical, and performance skills. Participants will receive instruction in healthy vocal technique and music theory fundamentals, and will be encouraged to express themselves through lyric writing and musicality.

Musical Theater Workshop
Ages: Elementary-High School
Facility Needs: large, flexible space, preferably with piano or audio
Students explore acting methods, script analysis and how to create strong characters. For dance, students work on stretching and flexibility as well as study various musical theater dance styles. The singing instruction focuses on expanding healthy vocal technique and developing skills to build a character through song.
Ensemble: Choir
Ages: Elementary-High School
Facility needs: large, flexible space, preferably with piano and audio

*Our choir program draws from classical, folk, and jazz repertoire, and can be customized to complement specific curricular or cultural literacy goals. Students will develop healthy vocal technique, as well as sight reading, theory, and ear training skills.*

**SONGWRITING AND PRODUCTION**

**Songwriting for the Soul**
Ages: Middle School-High School
Facility needs: large space with piano or keyboard.

*Facilitated by a licensed music therapist, participants will practice songwriting techniques with a focus on mindfulness and expression in a supportive environment.*

**Beats for Peace**
Ages: Middle School-High School
Facility needs: secure instrument storage, computers w/ internet access

*A great introduction to digital production. Students work closely with teaching artists to create original music, writing their own lyrics, creating song structures, and recording vocal, instrumental, and computer-generated tracks.*

**DANCE AND MOVEMENT**

**Ballet**
Ages: Elementary-Middle School
Facility needs: large classroom with audio (please note: a wooden floor is best)

*A beginner class focusing on classical technique and ballet vocabulary. Students will work on ballet fundamentals, including alignment, coordination, musicality, and expression.*
Brooklyn Music School
Outreach Course Offerings
2022-2023

Contemporary Dance
Ages: Elementary-Middle School
Facility needs: large classroom with audio (please note: a wooden floor is best)
*This class pairs modern dance fundamentals with movement games to give students an opportunity to explore their physicality, engage with music, and express themselves through creative movement.*

Hip Hop
Ages: Elementary-High School
Facility needs: large classroom with audio
*This group class pairs dance fundamentals with popular music, for an immersive kinesthetic learning experience. Students dance in street clothes.*

EARLY CHILDHOOD

Early Childhood Group Classes
Ages: 10 months - 4.6 years
Facility needs: large space with audio
*Sing, dance, and play with us! BMS offers developmentally appropriate early childhood music and dance classes for very young children, where students have the opportunity to sing, move, and try out new instruments!*

MUSIC AND MINDFULNESS

All of our Music and Mindfulness classes are facilitated by Music Therapy Department faculty members. These classes employ methods from Music Therapy training, enhancing the learning and social experience with a “whole-person” approach to music education.

Music and Mindfulness
Ages: Middle School-High School
Facility needs: large space with audio
*Find your center through music. Learn calming techniques and align mind and body through guided deep listening, singing, and gentle movement.*
Mindfulness and Musical Play
Ages: Early Childhood-Elementary
Facility needs: large space with audio
This Music and Mindfulness course is for our youngest learners. Music stimulates the imagination and engages the senses. Come join us on a musical adventure in which we sing, move, improvise, and discover the playfulness of musical sound. This course cultivates social awareness, mind-body awareness, listening, focus, and discovery. reserved for ages 3-5, 6-10

Music and Imagery
Ages: Elementary-High School
Facility needs: large space with audio and work space
Close your eyes and experience the power and magic of imagery in music. Listening to music from various genres, we will meditate on the imagery conjured up by the music, and create sketches of these scenes, discovering together the universal and personal aspects of musical immersion.

WORKSHOPS AND PERFORMANCES

Meet the Instruments
BMS brings professional instrumentalists, representing a range of musical traditions and styles from around the world, into classroom settings for a close-up look and interactive educational experience. Students get to engage directly with teaching artists from many different cultures and learn about many different kinds of instruments.
Sample Roster: strings, flutes, qanun, accordion, oud, African drums, Middle Eastern frame drums, saz, woodwinds, hurdy-gurdy, throat singing, sitar, tabla, guitars, pipa, electronics

Performances
Bring a cultural experience to your school or organization! BMS brings professional ensembles to present educational, interactive performances representing an array of different musical traditions.
Sample Roster: Jazz, Opera, Middle Eastern, Chinese, African and Afro-Caribbean, Indian classical, Irish folk
ADULT PROGRAMMING

INSTRUCTIONAL CLASSES

Group Instrumental Classes:
**Piano, Guitar, Violin, Ukulele, Woodwind, Brass, Mallet Percussion**
Facility needs: large space with secure instrument storage, projector
*Instrumental instruction in an engaging and interactive group setting. Students will learn the basic care of their instrument, instrument part names, proper posture and playing technique, and elements of music theory, while performing songs from a range of musical traditions.*

World Percussion Workshop
Facility needs: large classroom with secure instrument storage
*In this group percussion class, students of any experience level will learn and develop rhythmic skills in different time signatures, tempos, and feels.
