## General Meeting Minutes

Date: October 3, 2017  
8:00am – 9:00am

Adam opened the meeting by introducing the board members and what their positions are. This meeting was held at City Hall so that Mayor Mark Hall could give a state of the city address to the members of HBA. Adam introduced the mayor and he updated us on the state of several projects underway in the city that included streets, water and sewer, police and fire departments. He told us the city was in very sound financial footing and we continue to work with a balanced budget. He thanked the members of the HBA for all they do for the city and for opening their businesses in Helena.

We then got updates on several projects underway from John Burch, Kristi Scozzaro specific to the Helena Miracle League and ways we can help Helena High School students by allowing them to job shadow or by going to the high school and speaking to a class.

Andy gave an update on the Golf tournament and the Helena Business Expo and asked for some volunteers to help with the planning this year.

We then took some time to have everyone introduce themselves and talk a little about their business. We had a great turnout for this meeting and we thank the Mayor for giving such a comprehensive State of the City report. Helena is by far the best place to live and work in Alabama.

The meeting was adjourned at 9:00am.
