Integrative Touch (InTouch) is a 501 (c) (3) nonprofit organization that supports and empowers children with special medical needs, their families, and healthcare providers through a whole-child, whole-family, whole-community approach.

Integrative Touch is respectfully requesting an item or gift certificate to be included in our next Silent Auction, to be held **online during our Annual Butterfly Gala on Saturday, March 26th, 2022**. Additionally, we are holding a Boutique Wine & Liquor Auction and would be grateful for a contribution of a special bottle of wine or liquor for this event.

During the gala, we will be using a state of the art online and mobile bidding service that will enable us to provide opportunities to visually display your generous donation and recognize your company.

Benefits of donating to our Silent Auction include:
- Digital display of your items on the Butterfly Gala website
- Publication online in the 2022 Butterfly Gala program
- Onscreen recognition at the event
- Name recognition on our website that consistently has 1500+ visitors per month

Your support contributes to our unique and effective programs, which allow children with special medical needs and their entire family to explore new avenues to health and wellness. Funds raised from our Butterfly Gala directly serve children and families. Please visit our website for more information [www.IntegrativeTouch.org](http://www.IntegrativeTouch.org)
