

I try my best to package items so that they don't get broken in transit. That being said there is always going to be some thing that doesn't make it. I insure every parcel, so if there is a problem with your order please don't hesitate to send me an email. If an item comes and it is not what you wanted, please contact me so we can work it out. I am a SMALL business, so I can not afford to pay for the return of an item that you did not like, but I will reimburse you for the cost of the item once it is safely back with me! I hope you understand.
