

**MARCH 28TH TO 31ST
SERPENTINE RETREAT CENTRE**

How do we experience and express love? What expressions are most meaningful for us? These questions and many more will be the focus of Perth Easter Camp, led by visiting minister Robert Thompson from Brisbane. At a time of increasing disconnection in relationships across our communities we will consider how to experience love grounded in the highest values of human experience. At the sacred time of Easter, we will also remember the language of love so graciously expressed in the life and ministry of Jesus Christ.

Why not join with others for Fellowship, learning, reflection and worship, recreation and craft activities. The Serpentine Retreat Centre provides an ideal venue to connect with nature and experience sacred community. For further information and to obtain a registration form, please email: cofchristperth@gmail.com or phone **08 9204 4240**.

We hope to see you there.
Peter Lonsdale.
