

Grace Groups Questions

1 Corinthians 13

1. Why would the gifts, wisdom and social action be worthless without love?

They miss the meaning of the body, and building each other up. They also lack what Jesus said would be the defining reality of the church.

2. How is this type of love different from how love might be defined in our day?

It is sacrificial, committed and lasting.

3. What are some of the ways we can learn and live this kind of love with one another?

Practice; by engaging in the church and giving others entry into our lives. Using gifts not for self-promotion but the good of others.

4. Why would this love be appealing to outsiders? How can we show it to them?

It shows a care and investment in each other that the rest of the world lacks. We can show it by loving in our neighborhoods and communities, in being a welcoming church.
