

Grace Groups Questions

1 Corinthians 14:1-25

1. What are your experiences with prophetic words during the worship service of churches?

2. Why is it important that what takes place when the church gathers should be understandable?

So that believers can be built up, brought to maturity and that unbelievers can rightly accept the message or reject it.

3. How are believers built up by prophecy? How are unbelievers drawn in?

We are reminded of our situation before God, our standing and the grace of Christ that saves and secures us. We are built up, rooted, and growing, in this message. For unbelievers the opportunity to receive forgiveness, to have life's biggest questions answered and to experience the love of God are draws.

4. Is there anything more loving than sharing the gospel as empowered by the Spirit?

Not really. Even providing food or needs is not as loving as the gospel heard and empowered by the Spirit.
