

## Grace Groups Questions

1 Corinthians 15:1-11

1. Why would Paul call the gospel the thing of “first importance” and is it all that important for us today?

*It is the thing that establishes the church. It is still vitally important, without it we have no message of hope and salvation.*

2. Are there ways we should adapt or change this gospel to be more appealing?

*No! But man, we sure are prone to.*

3. What does it mean for believers to “stand” and continually be “saved” by this gospel?

*To live with confidence in Christ and his work - and to be transformed continually by his grace.*

4. How does this unrelenting grace of Christ (that everyone can get in on) change how we treat other people?

*It places value on everyone, none is too far to be saved. We see all as image bearers and share the love of Christ with them.*

5. If you are not the “preacher” behind the pulpit, how can you “preach” this gospel in your life?

*Being gracious with others and sharing the hope we have with others. Raising our children, teaching them the gospel.*
