“More to Life”

1 Corinthians 15:12-34

1. How do we make sense of the resurrection in a world where it seems so far fetched?

We can study the evidence, the impact of Christ's resurrection. We can understand the human sense of something more than this. We can, by the Spirit, have faith in it and believe.

2. In what ways does the resurrection of Jesus give us hope?

It tells us that he is victorious. That death no longer has control and the we will be physically with him for eternity. This helps us get through life because we are expectant for tomorrow.

3. How would your life be different if it was lived motivated by the resurrection?

I think I would be freer, less worried about living up to expectations of social or business success and more likely to spend time and money on family, sharing the gospel and worshiping Jesus.

4. What are some of the ways we can remind each other of the resurrection life so that it informs even the mundane events?

By meeting together, holding our hope in front of each other. By being there for one another when life gets rough.
