

Dunsmuir Finance Committee

The City of Dunsmuir is accepting applications to participate on the Finance Committee as one of the two citizen members. In addition to the citizen member, the committee will consist of two members of the City Council and the City Treasurer. The Finance Committee makes recommendations to the City Council on financial policies and procedures of the City. Committee members shall be residents and registered voters within the City or sphere of influence, with priority given to relevant experience in Finance, Law, Accounting, or Business. Resolution 2019-11 is the establishing document to be referenced.
