2017 Point In Time (PIT) Count and  
Housing Inventory Chart (HIC)

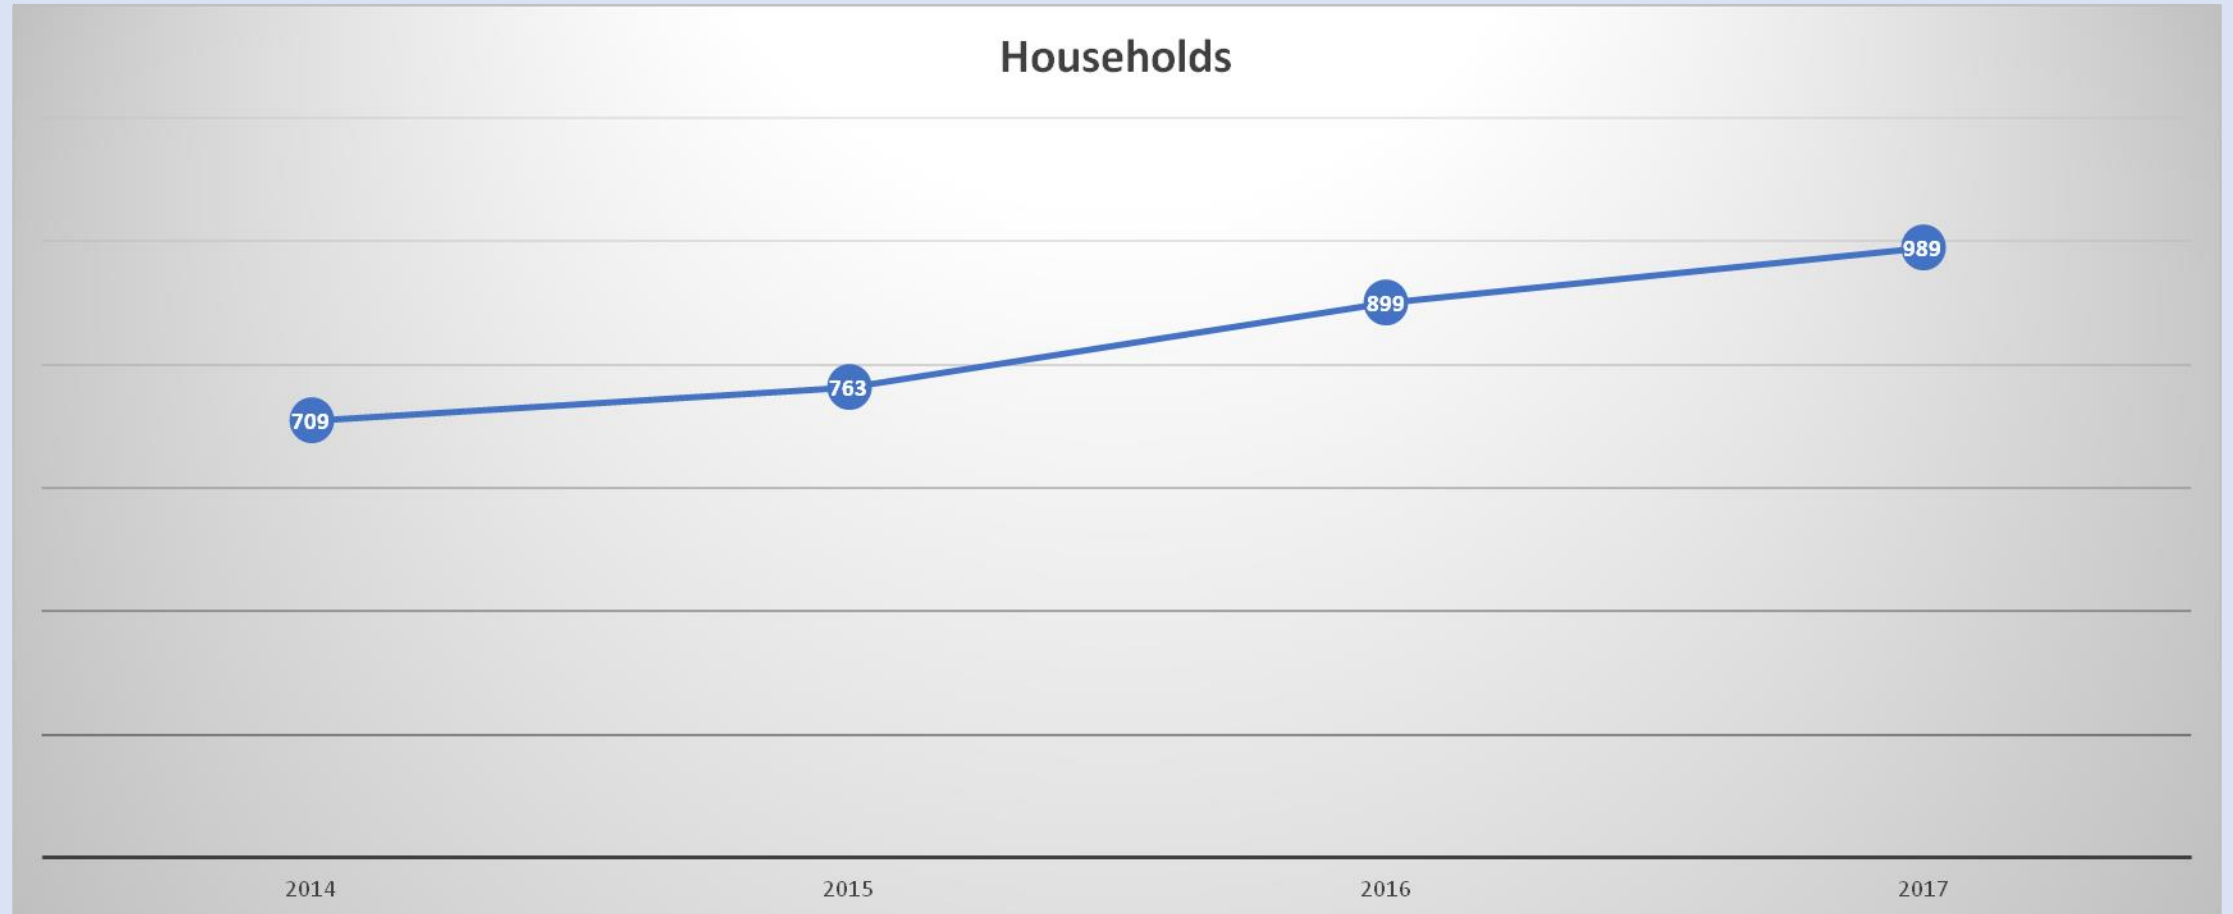

# Point In Time Overview

- The Point-in-Time (PIT) count is a count of sheltered and unsheltered homeless persons on a single night in January.
- HUD requires that Continuums of Care conduct an annual count of homeless persons who are sheltered in emergency shelter, transitional housing, and Safe Havens on a single night.
- Continuums of Care also must conduct a count of unsheltered homeless persons every other year (odd numbered years). The 2017 PIT Count took place on January 26<sup>th</sup>.
- Each count is planned, coordinated, and carried out locally. The St. Louis City CoC PIT Committee is responsible for planning the count.
