

Benediction for July 24th, 2016

People of God, go forth.
Praise the Eternal in all you do,
In the calm, and in the storm.
Trust in his goodness,
When it is easy, and when it is not.
Let each step proclaim,
Every heart-beat rejoice.

Our hope will not rest upon
the things of this world;
The empty promises of those seeking
power and prestige,
Voices of darkness and fear,
Our own stumbling and striving.

Instead, we will dwell
in the comfort of his presence;
Our sanctuary and refuge.
Our guiding, sustaining light.

Brothers and sisters in Christ, go forth.
Speak compassion and blessing.
Pursue justice and peace.
Share the goodness and grace
that you have been given.
Beloved. Go and be love.
