

Benediction for January 22, 2017

Go forth in renewal and hope,
To proclaim God's glory.
Do not cling to holy moments
when heaven pulls back the veil.

Seek the good and beautiful,
The true and honorable,
Following Jesus
from the places of revelation
to the places of mission.

May you see through the eyes of another.
Feel with their heart.
Read their story with wonder.

Go now in compassion and curiosity,
In love and service,

All in the name of the Father,
of the Son,
and of the Holy Spirit
