Serpent and the Veil: A Mystery School of Indigenous Celtic Wisdom
October 27- November 3, 2019
An in-depth immersion of a year and a day, culminating with an initiation in Ireland, in the tradition of our ancient mystery schools in Europe. Connect to the spiral dance of life, to participate, remember and embody the rhythms of the season and the powers found within and without. We will reclaim our sense of belonging and our own sovereignty through Irish Celtic myths, the land herself, indigenous herbs and sacred ritual. We will traverse through the veil and collectively work to reconnect the Otherworld with our own, thus restoring balance and healing to the Earth. Begins Samhain 2018 and culminates with a weeklong pilgrimage in Ireland. Visit http://www.dancingwiththewild.com/mystery-school/ for more information on this year-long program.

**Daily itinerary for**
**Herbcraft, An Herbal Pilgrimage: Beltaine and Spiraling Inward**
*(subject to change)*

The pilgrimage includes lodging in traditional Irish home, transportation with Ireland, two meals per day, entrance fees, all medicine-making and ritual supplies. Does not include one meal per day, drinks including alcohol and dessert. Does not include airfare to Ireland (fly into Shannon). Single supplement: $150 (if you wish to have your own private room).

Day 1: **Kinvara.** You will be met at Shannon Airport for your morning arrival into the magical isle of Ireland! To get grounded in this land, we will take a gentle, spirit-awakening walk in a mystical wood and explore an ancient castle ruin. We will get settled into our home for a week and have time for a rest, a walk to the bay or a stroll along the beach. In the liminal light, we will have our opening ritual at a sacred well tucked into the mystical hazel groves of the Burren and collect holy spring water to bless our journey.

Day 2: **Kinvara.** After a hearty and restorative Irish breakfast we will be inspired by the mystical land of Coole Park. Enjoy a gentle walk, connect with the magnificent trees through guided meditation and deepen into the land through poetry and journaling. We will explore the hidden herbs in the limestone pavers of the Burren and wild craft from the overflowing hedges to create a healing herbal tea. At sunset, we will visit Flaggy Shore on Galway Bay and collect seaweed for foot and body soaks before supping seaside at Linnane’s Lobster Bar, where we will enjoy just-caught seafood and lots of Irish craic!

Day 3: **Kinvara.** We will greet the new day in sacred circle before we traverse into misty wilds of the Burren. We will chant with ancient echoes in an abbey and harvest herbs from the infirmary. We will explore hidden beaches, fairy forts, sacred springs and discover a bean- to- bar chocolatier! We will invoke Brighid, Goddess of healing, to guide our hands and our hearts as we create healing salves and infused oils.

Day 4: **Kinvara.** We travel the short distance to Brigit’s Garden to explore the amazing Celtic Festival-themed gardens dedicated to this Goddess and Saint of Healing. Then we journey into the blue mists, bogs and stark beauty of Connemara. We will seek healing from the sea and perhaps take a baptismal dip into one of her waters. We will be transported by the white sands and turquoise waters and the fertile possibility of this land and sea, within and without us.

Day 5: **Kinvara.** We will begin the day with a seaside ritual on beautiful Traught Beach and traverse the countryside from there, seeking out fairy forts, ivy-covered abbey ruins, castles and Sheela na Gig. We will sit in circle and create medicines in the wilds of the Burren and in the cozy kitchen of my Irish cottage. We will visit a gorgeous herb garden, share tea and cake, and be inspired by locally handcrafted herbal products.
Day 6: Kinvara. We will greet the new day in sacred circle before we traverse into misty wilds of Connemara. We will indulge in a seaweed bath overlooking the only fjord in Ireland, connecting to our own fertile waters as we are nourished by the sea. We will explore the fecund bogs and rings forts and ancient crannogs. We will awaken to receive her mysteries.

Day 7: Kinvara: We will enjoy a picnic along the coast road to Doolin and connect with the ancient wisdom of land’s end known as Hag’s Head. We will celebrate ritual at Brighid’s Well in Liscannor and learn about the healing waters taken here for thousands of years. We will harvest rushes, overlooking the Aran Islands, to make Brighid’s crosses. We will invoke Brighid, Goddess of healing, to guide our hands and our hearts as we create healing salves and weave her cross. We will return home for a closing feast prepared in community!

Day 8: Kinvara. Departure from Shannon Airport.
