Undertaking LA Service Questions

Are you interested in using ULA for a home dressing? Would you also be using us as your funeral home for disposition (cremation or burial)?

_________________________________________________________________________________________________

If the answer is ‘no’. Do you know who you plan on using so that we can help you talk to your home and allow them to know what your arrangements are at the time of death?

_________________________________________________________________________________________________

If leaving the body at home how long would you like it to be?

_________________________________________________________________________________________________

Would you like to use us to arrange transportation to a funeral home? Or, do you plan on using another home or your own personal vehicle?

_________________________________________________________________________________________________

If you have a specific cemetery in mind please write it below. Do you already have a plot purchased?

_________________________________________________________________________________________________

Will you be having other families members attend the dressing & how many people do you expect to participate?

_________________________________________________________________________________________________
How many guests do you anticipate having in the household at the time of dressing?

If you plan on having the body in the home for more one day, do you plan on having visitors and/or a scheduled ceremony or vigil?

If yes. Please describe your ideal situation:

Are you comfortable leaving the body outside of a casket?

Do you have a specific casket/alternative container/shroud in mind if you would like one?

Do you have an outfit that you would like to be dressed in for your burial or cremation? Where is it located?

Is there any jewelry or special memento you would like included with you?

Is there anything else you would like us to know that was not addressed?
