Consultations are vital if you have not been to us before, require a colour change or correction or want extensions. During a consultation we will do any necessary tests and give you a comprehensive idea of the price and how long it will take. To book a consultation the cost is £10 but this is redeemable against your service or you can pop in and a stylist will see you the moment they are free - this service is complimentary but you may experience a wait. Failure to have a consultation may limit the services available to you.
