

# FIXED ON YOU

Words and Music by *Jonathan Clarke*

*Chorus:*

**A**                    **C#m**  
Keep my eyes fixed on You  
**B**  
Keep my gaze ever true

*Verse 1:*

**A**    **E/G#**   **B**        **C#m**  
I been building empires  
**F#m**  
Castles in the sand  
**A**    **E/G#**   **B**            **C#m**        **F#m**  
But the tides will bring them crumbling down

My vain ambitions  
To prove my place and worth  
I lay them down to look to You

*Verse 2:*

You never falter  
When fear has moved me  
Your hands have held me through my nights

Spirit you're speaking  
Calling to my heart  
To come and set my gaze on You

**A**                    **E/G# B**                    **C#m**                    **F#m**  
To see that You're my all in all, You're good and true
