

BE STILL

Words and Music by *Jonathan Clarke*

Verse 1:

G **Em**

When all around is sinking

D **A**

Feels we've been here before

G **Em**

And old familiar questions

D **A**

Come running back for more

Chorus:

D/F# G D/F# G A Bm D

I'll be still and know that He is God

D/F# G D/F# G A Bm D

Be still and know that He is God

Verse 2:

It's a war for staying open

The heart tries to hide

But You lift my head and hold me

I feel you in the fight
