

ACOUSTIC WOOD CITY & GUILDS OFFICE EDITION

eomac wall & ceiling panels by LAMBRI

ABOUT PROJECT

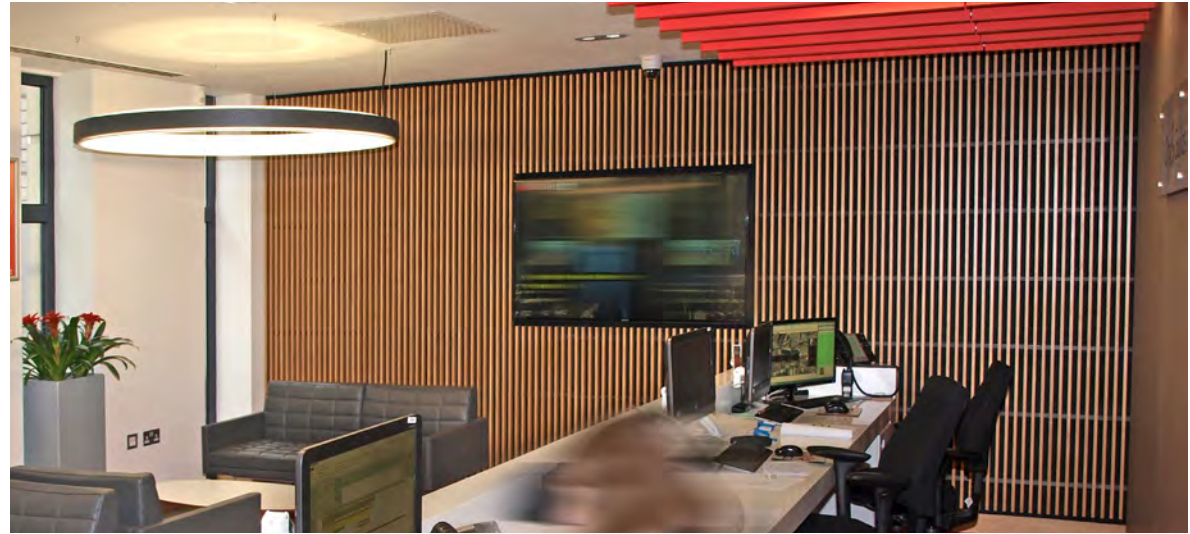

Artelia in the UK, has completed a full refurbishment of the City & Guilds Headquarters Building, in the role of Project Manager, QS, designer and CDMS, as well as acquiring M&E and Structural Engineers. **eomac** has worked with *Interior Motives* in the supply of GRILL™ acoustic wood veneered wall and ceiling panels in European Oak, at the reception area and the boardroom, including custom-cut AV Wall panels.
