### UPDATED PROGRESS REPORT ON ACTION ITEMS

#### Impaired Driving Emphasis Area

| <u>Action Step #</u> | <u>Action Step</u>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | <u>Members(s)</u>                                                                                                                  |
|----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| 3.5                  | <p>Continue to conduct No Refusal in EBR with a focus on judicial engagement and participation</p> <ul style="list-style-type: none"> <li>• <i>No Refusal is set for June 2<sup>nd</sup>-9<sup>th</sup>. The team met with EMS and it is now a go.</i></li> <li>• <i>The group talked about what they could do for future No Refusal weeks or if it were to be implemented 24/7.</i></li> <li>• <i>Acadian would cost \$11,000/week</i></li> <li>• <i>Parish prisons can be contracted out.</i></li> <li>• <i>The group discussed having the Crime Lab (State &amp; BRPD) trained to do the blood draws.</i></li> <li>• <i>On June 9<sup>th</sup> the team will know if the blood draw grant has been approved or not through LHSC.</i></li> </ul> | Jason Martin, Rachel Smith, Lauren Corkern                                                                                         |
| 5.2                  | <p>Support stronger implementation and accountability of ignition interlock laws to ensure program is coordinated and devices are tracked and monitored</p> <ul style="list-style-type: none"> <li>• <i>Lauren and Rachel will have an estimate of judges in the 19<sup>th</sup> JDC that are following the laws for the next meeting.</i></li> <li>• <i>The team discussed possibly a lunch meeting with all the law clerks once a month.</i></li> </ul>                                                                                                                                                                                                                                                                                          | Mike Barron, Kelly Simmons, Donna Tate, Paolo Messina                                                                              |
| 1.3                  | <p>Educate 25-44 year-olds about impaired driving via area plant and refinery safety meetings</p> <ul style="list-style-type: none"> <li>• <i>Filming is done, and is now in the editing stages.</i></li> <li>• <i>The latest version of the film should be out by the end of this week.</i></li> <li>• <i>The team discussed how to break up the 250 DVDs. (How many 30 minutes and how many 15 minutes? Both on the same DVD?)</i></li> <li>• <i>The final copy will be shared with the ID team at the next team meeting.</i></li> </ul>                                                                                                                                                                                                         | Michael Talley, Dortha Cummins, Daniel McKnight, April Higgins, Larry Cooper, Michael Dake, Jared Sandifer, Bryan Lee, Kirk Martin |

## ITEMS FOR DISCUSSION

- The team went through the Impaired Driving Regional Action Plan to decide what action step they should make as their next priority. The group also went through and made changes to some of the action steps. See attached plan.
  
- **Assigned To Do List/Task (Kenyatta & Bailey):**
  - Contact Paige at LEARN
  - Contact Rene at the Safety Council
  - Contact Chad Dudley about partnering with the Coalition on advertising at movie theaters.
  - Reach out to LYFT
  - Reach out to the Health Centers at the universities to see what programs they have on Impaired Driving
  - Get an update from Lt. Mike Edgar on Action Steps 3.1-3.3
  - Reach out to Lyrica about Action Step 3.4 – request information from Brad Stewart (LEL)
  - Reach out to Asheba Brown on Action Step 4.5

**CLOSING REMARKS/ADJOURN** - Next Meeting: Tuesday, July 25, 2017 (1:00-3:00 pm) – TTEC Room 101
