

Stormwater Reference Library - 1st floor Marana Municipal Complex

Title	Author (Last)	Author (First)	Publisher	Date	Place	Description	Location
Books/Booklets							
<u>Better Site Design: A Handbook for Changing Development Rules in Your Community</u>	Center of Watershed Protection		Site Planning Roundtable	1998	Ellicott City, MD	The book guides readers on how to create a consensus process initiated to create more environmentally sensitive, economically viable, and locally appropriate development.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>City of Tucson Water Harvesting Guidance Manual</u>	City of Tucson		City of Tucson	2003	Tucson, AZ	The manual teaches practical water harvesting techniques for arid climates	SW Library, Shelf One, 1st Floor MMC, TOM
<u>Designing for Effective Sediment and Erosion Control on Construction Sites</u>	Fifield	Jerald S.	Forester Press	2001	Santa Babara. CA	The purpose of this book is to provide the reader with proven and practical methods for minimizing sediment from, and eroison on construction sites.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>Excavation & Grading Handbook</u>	Capachi	Nick	Craftsman Book Company	2003	Carlsbad, California	The purpose of this book is to explain to contractors/supervisors on how to use all types of excavation, grading, paving pipeline and compaction jobs. It also emphasis on solving problems with unsuitable materials, widening rural roads, lay or remove asphalt, and how to install water, drain or sewer lines.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>Guide For Best Management Practice Selection In Urban Developed Areas</u>	Urban Water		ASCE	2001	Reston, VA	The purpose of this book is to explain on how to remove pollutants from stormwater runoff at a particular location.	SW Library, Shelf One, 1st Floor MMC, TOM

<u>Introduction to Stormwater</u>	Ferguson	Bruce K.	John Wiley & Sons, Inc.	1998	New York	The purpose of this book is to give its user an understanding of the relationship of stormwater to the human and natural environment.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>National Pollutant Removal Performance Database for Stormwater Treatment Practices 2nd Edition</u>	Winer	Rebecca	Office of Science and Technology	2000	Ellicott City, MD	The purpose of this book is to clarify, modify and expand upon the original National Database Pollutant Removal Performances.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>NPDES Best Management Practices Manual</u>	United States Environmental Protection Agency		Government Institutes, Inc.	1995	Rockville, MD	The manual provides guidance to NPDES permittees in the development of BMP's for their facilities.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>NPDES Compliance Inspection Manual, Third Edition</u>	U.S. Environmental Protection Agency		Government Institutes, Inc.	1995	Rockville, MD	The manual provides guidance for each type of inspection a National Pollutant Discharge Elimination System inspector may be required to conduct at an NPDES permitted facility.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>NPDES Storm Water Sampling Guidance Manual</u>	Smoley	C.K.	Office of Water	1993	Boca Raton, FL	The manual provides the operators of facilities that discharge storm water associated with industrial activity and operators of large and medium municipal separate storm sewer systems guidelines for proper sampling.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>Recipes For Clean Water: A Homeowner's Stormwater Survival Guide</u>	Boudreau	William	Brule Publishing	1999	Minneapolis, MN	The book helps homeowners find a easier way to prevent pollution of stormwater.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>Silt Fence That Works</u>	Carpenter	Thomas	Carpenter Erosion Control	1999		This manual gives readers comprehensive material about sediment control with the proper installation and use of silt fencing.	SW Library, Shelf One, 1st Floor MMC, TOM

<u>Soil Stabilization Series Volume 12 Dust Control</u>			International Erosion Control Association	2001	Steamboat Springs, CO	The purpose of this book is to inform readers of the dangers and precautions of dust.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>Soil Stabilization Series Volume 11 Erosion Control for Construction Sites</u>			International Erosion Control Association	2001	Steamboat Springs, CO	The purpose of this book is to show what it takes to keep the erosion controlled in construction site areas.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>Soil Stabilization Series Volume 15 Sediment Control</u>			International Erosion Control Association	2001	Steamboat Springs, CO	The purpose of this book is to show the steps that are involved in stabilizing the soil.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>Soil Stabilization Series Volume 17 Slope Stabilization</u>			International Erosion Control Association	2001	Steamboat Springs, CO	The purpose of this book is to show the steps that are involved in stabilizing the slopes.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>Soil Stabilization Series Volume 18 Streambank & Channel Stabilization</u>			International Erosion Control Association	2001	Steamboat Springs, CO	The purpose of this book is to show the steps that are involved in stabilizing the streambank and channels.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>Storm Water: Guidance Manual for the Preparation of NPDES Permit Applications for Storm Water Discharges Associated with Industrial Activity</u>	U.S. Environmental Protection Agency		Government Institutes, Inc.	1991	Rockville, MD	The manual assists operators of facilities that discharge storm water associated with industrial activity in preparation to apply for an NPDES permit.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>Stormwater Management for Construction Activities</u>	Smoley	C.K.	Office of Water	1993	Boca Raton, FL	The purpose of this book is to help you develop and implement a Storm Water Pollution Prevention Plan specifically designed for your construction site.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>The Practice of Watershed Protection</u>	Schueler	Thomas R.	Center of Watershed Protection	2000	Ellicott City, MD	The purpose of this book is to exchange ideas, data and experience about which practices work and to promote science of urban watersheds.	SW Library, Shelf One, 1st Floor MMC, TOM

<u>The Watershed Treatment Model</u>	Caraco	Deb	Office of Wetlands	2002	Ellicott City, MD	The purpose of this book is to describe the simple tool for the rapid assessment of various watershed treatment options.	SW Library, Shelf One, 1st Floor MMC, TOM
<u>USA Blue Book</u>						Catalog of products for Water and Wastewater Management	SW Library, Shelf One, 1st Floor MMC, TOM
<u>Uni Eco-Stone Guide and Research Summary</u>	Uni-Group USA			2003	Palm Beach Gardens, Florida	Outlines permeable pavement and its potential as one solution for stormwater management	SW Library Shelf One, 1st Floor MMC, TOM
<u>Smart Solutions Application Expertise</u>	Rain for Rent			Fall 2005	Bakersfield, CA	Fall 2005 newsletter published by Rain for Rent	SW Library, Shelf Two, 1st Floor MMC, TOM
<u>Consider the Source: A Pocket Guide to Protecting Your Drinking Water</u>	U.S. Environmental Protection Agency					The third pocket guide published by the US EPA outlining sources of water pollution and protecting our drinking water from pollution.	SW Library, Shelf Two, 1st Floor MMC, TOM
Material in Binders							
Construction Sites and Stormwater Quality Permitting	Cline	Linda	ADEQ	2003		The purpose of this manual is to inform the reader of the way that ADEQ runs the construction sites and stormwater quality. It also gives a brief introduction to the company.	SW Library, Shelf One, 1st Floor MMC, TOM
Green Wrench Guide						Automotive industry Good Housekeeping practices to reduce or eliminate stormwater pollution	SW Library, Shelf One, 1st Floor MMC, TOM
Harvesting Rainwater						Water harvesting techniques for homeowners developed for the Sonoran desert	SW Library, Shelf One, 1st Floor MMC, TOM

Pima County Standard Specs for Public Improvements	Pima County						SW Library, Shelf One, 1st Floor MMC, TOM
Pima County Public Works Standards, Specs, and Title 16,	Pima County		City of Tucson	1988-1993		This 3 binder set provides regulations, standards, and construction specs for Pima County projects	SW Library, Shelf Two, 1st Floor MMC, TOM
Sediment and Erosion control- Underground Disposal of Stormwater Runoff	EPA						
State of Arizona ADOT Construction Standard Drawings	ADOT			2000			
Stormwater Detention/Retention	Flood Mitigation Section			1999	Phoenix, AZ	The purpose of this manual is to provide general information on stormwater detention/retention and to document the recommended standards and procedures for use in Arizona.	SW Library, Shelf Two, 1st Floor MMC, TOM
Brochures							
Stormwater Phase II Regulatory Overview; Industrial and Construction Site Solutions	Rain for Rent				Bakersfield, CA	Provides an overview of the Stormwater Phase II program and compliance by the construction industry	SW Library, Shelf Two, 1st Floor MMC, TOM
Lowcountry Paver: Your Local Manufacturer of Architectural Paving Stones	Lowcountry Paver			2004	Hardeeville, SC	This book contains ideas and options for choosing the style, color, and shape of pavers to suit your home or office	SW Library, Shelf Two, 1st Floor MMC, TOM
Urban Watershed	Carter Burgess					A brochure on Carter Burgess company and the services they provide in urban watershed planning	SW Library, Shelf Two, 1st Floor MMC, TOM

Watershed Permeable Paver America's Most Attractive Permeable Pavement	Low Country Paver				Hardeeville, SC	Describes problems with impervious pavement and watershed permeable pavement as a solution	SW Library, Shelf Two, 1st Floor MMC, TOM
Silt Stop and Floc Log	Applied Polymer Systems				Woodstock, GA	Provides information on Silt Stop and Floc Logs BMP's specifically tailored for each soil type and water chemistry	SW Library, Shelf Two, 1st Floor MMC, TOM
Pervious Concrete: When it Rains, it Drains	Concrete Delivers				Silver Spring, MD	Provides information on Pervious Concrete, a product developed and marketed by Concrete Delivers	SW Library, Shelf Two, 1st Floor MMC, TOM
Jordan Cove Urban Watershed Project	Uni-Group USA				Waterford, CT	Provides information on a watershed project in Glen Brook Green Subdivision in Waterford, Connecticut and the use of concrete pavers in the project	SW Library, Shelf Two, 1st Floor MMC, TOM

File Drawers

- NOI forms File drawer one
- NOT forms File drawer one
- Consultant information File drawer one
- Brochures File drawer two
- Posters - Ways to reduce pc File drawer two
- 2005 Stormwater Calendar File drawer two

**Stormwater Reference Library - located in the Environmental Division, 2nd floor
Marana Municipal Complex**

Title	Author (Last)	Author (First)	Publisher	Date	Place	Description	Location
Books/Booklets							

<u>Environmental Law Handbook</u>	Sullivan	Thomas F.P.	ABS Consulting	2003	Rockville, Maryland	.The purpose of this book is to give users reliable, accurate and practical compliance information.	SW Library, Shelf One, Environmental Division, TOM
<u>GIS Tools for Water, Wastewater, and Stormwater Systems</u>	Shamsi	U.M.	ASCE	2002	Reston, VA	The purpose of this book is to give step-by-step directions on GIS software, data conversions. It answers questions about GIS and it helps utilize GIS tools, ect.	SW Library, Shelf One, Environmental Division, TOM
<u>NPDES Storm Water Sampling Guidance Manual</u>	Smoley	C.K.	Office of Water	1993	Boca Raton, FL	The manual provides the operators of facilities that discharge storm water associated with industrial activity and operators of large and medium municipal separate storm sewer systems guidelines for proper sampling.	SW Library, Shelf One, Environmental Division, TOM
<u>Site Assessment and Concept Design Santa Cruz River Habitat Project North Simpson Site</u>			Tucson Audubon Society	2002		This book informs readers of the entire area, of the North Simpson Site in Northern Marana, Pima County, Arizona	SW Library, Shelf One, Environmental Division, TOM
<u>Storm Water Phase II Compliance Assistance Guide</u>	United States Environmental Protection Agency		Office of Water	2000		The purpose of this manual is to help the regulated community comply with the Storm Water Phase II Rule.	SW Library, Shelf One, Environmental Division, TOM
<u>Urban Stormwater; Best Practice Environmental Management Guidelines</u>	Stormwater Committee and Australian EPA		CSIRO Publishing	1999		The manual assists urban catchment managers to plan for the protection of stormwater quality.	SW Library, Shelf One, Environmental Division, TOM
<u>User-Free-Funded Stormwater Utilities</u>	Garner	Gordan R.	Water Environment Federation	1994	Alexandria, VA	The purpose of this book is to focus on the experience of successfully establishing stormwater utilities, both old and new.	SW Library, Shelf One, Environmental Division, TOM

<u>StormCon Conference Guide - The North American Surface Water Quality Conference & Exposition</u>	StormCon			2005		This booklet contains information on the 2005 StormCon conference in Orlando, Florida including a State-of-the-Industry Exhibit Hall, Comprehensive Workshop Program and Stormwater Community Networking Functions	SW Library, Shelf One, Environmental Division, TOM
Material in Binders							
Designing and Implementing an Effective Storm Water Management Program: Phase II Regulations Volume I	Thompson Publishing Group		APWA	2000		This 2 volume set guides the reader through the NPDES regulatory background and provides guidance on applying for a NPDES permit.	SW Library, Shelf Two, Environmental Division, TOM
Designing and Implementing an Effective Storm Water Management Program: Phase II Regulations Volume II	Thompson Publishing Group		APWA	2000		This 2 volume set guides the reader through the NPDES regulatory background and provides guidance on applying for a NPDES permit.	SW Library, Shelf Two, Environmental Division, TOM
Stormwater Management Program	Liberti and Ward	Leslie and Jennifer		2003	Tucson, AZ	The purpose of this manual is to show a summary of the results of the studies, as they relate to SWMP.	SW Library, Shelf Two, Environmental Division, TOM
Stormwater Master Plan	Arroyo Engineering, Inc.			1999	Tucson, AZ	The purpose of this manual is to present a summary of a Task 2- Data Collection, and Task 3- Evaluation of the Existing Stormwater System.	
Stormwater Permit Manual Bulletin			Thomas Publishing Group	2003		The purpose of this manual is to present special updates and incidents that happen to deal with the environment and stormwater.	

Stormwater Permit Manual Vol. 1			Thomas Publishing Group	1991	Washington, D.C.	The purpose of this manual is to help you obtain NPDES permit coverage and it is a vital source of information for making sound, cost-efficient decisions for long-term regulatory compliance.	
Stormwater Permit Manual Vol. 2			Thomas Publishing Group	1991	Washington, D.C.	The purpose of this manual is to help you obtain NPDES permit coverage and it is a vital source of information for making sound, cost-efficient decisions for long-term regulatory compliance.	
Town of Marana Stormwater Management Program	Liberti and Ward	Leslie and Jennifer		2003		The purpose of this manual is to fulfill the requirements of the Arizona Pollution Discharge Elimination System, General Permit for Discharge from Small Municipal Separate Storm Sewer Systems to Waters of the United States.	
CDs/DVDs							
Approaches to Better Site Design			Center of Watershed Protection	1999		This CD presents 22 model land development principles that can help urbanizing communities develop environmentally sound and economically feasible new residential and commercial developments.	SW Library, Shelf One, Environmental Division, TOM
Approaches to the Eight Tools of Watershed Protection			Center of Watershed Protection	1999			SW Library, Shelf One, Environmental Division, TOM

Approaches to Impacts of Urbanization			Center of Watershed Protection	1999			SW Library, Shelf One, Environmental Division, TOM
Approaches to Stormwater Treatment			Center of Watershed Protection	2001			SW Library, Shelf One, Environmental Division, TOM
Silt Fence That Works	Carpenter	Thomas	Thomas Carpenter	1999		CD accompanies the book, illustrating concepts of proper silt fence installation	CD is with the Book
Stormwater Outreach Materials	U.S. EPA			2003			SW Library, Shelf One, Environmental Division, TOM
Stormwater Practice Design			Center of Watershed Protection	2002		This CD contains 5 presentations designed to teach you everything you need to know about the design and implementation of several types of stormwater treatment practices including filtering, infiltration, open channels, aquatic buffers, ponds and wetlands.	SW Library, Shelf One, Environmental Division, TOM
WaterCad, etc.	Haestad Methods		Haestad Methods	2003		Virtual Tour of Modeling Software + free unit conversion calculator	SW Library, Shelf One, Environmental Division, TOM
Why Watersheds?			Center of Watershed Protection	1999		Explains what watersheds are and why we need to protect them	SW Library, Shelf One, Environmental Division, TOM
AZPDES Construction Presentation			PAG			Used for education for construction professionals	SW Library, Shelf One, Environmental Division, TOM

Reining in the Storm One Building at a Time	Eckert	David	Virginia Village Productions				SW Library, Shelf One, Environmental Division, TOM
Tucson Water Plan: 2000-2050			City of Tucson Water Department	2004		Outlines the City of Tucson water department's plan for supply and demand on water resources until the year 2050	SW Library, Shelf One, Environmental Division, TOM
AMEC Earth 7 Environmental Facilities			AMEC			Contains information on AMEC services including their strengths, qualifications, locations, capabilities, client strategy and global reach	SW Library, Shelf One, Environmental Division, TOM
Journals/Magazines							
Stormwater Buyers Guide 2004	Waldman	Daniel	Western Publications	2002		This magazine contains a list of categorical listings for stormwater.	
The Journal for Surface Water Quality Professionals Stormwater	Waldman	Daniel	Forester Communications	2003		This magazine contains articles relating to BMPs for erosion control, West Nile Virus, and many other issues relating to stormwater	SW Library, Shelf One, Environmental Division, TOM
Video Tapes							
Construction Sites and Stormwater Quality Permitting	Cline	Linda	ADEQ	2003		The purpose of this video is to inform the viewer of the way that ADEQ runs the construction sites and stormwater quality. It also gives a brief introduction to the company and insights on what to be expecting in the months to come.	SW Library, Shelf One, Environmental Division, TOM
