POLICY 1-2 CODE OF CONDUCT

As employees of the Town of Marana, we must manage our personal and business affairs so as to avoid situations that might lead to conflict, or the appearance of conflict, between self-interest and our duty to the Town, to the persons served by the Town and to the general public.

Common sense and good judgment will dictate the proper course of action in most situations. However, if there is a question of even a slight conflict with our Code of Conduct, others will tend to exaggerate it. The best policy is to resolve such questions by addressing them at the outset so they will not become embarrassing problems later. Such matters can easily be addressed by discussing them with the Department Head or Human Resources Director. Handling these matters in this manner should avoid any occasion for disciplinary action. However, any violation of this Code of Conduct may result in disciplinary action. Depending upon the severity of the violation, such disciplinary action could include any one or a combination of the following: oral warning, written reprimand, probation, suspension or discharge. Situations may arise that have not been directly addressed in this Code of Conduct. The final resolution of such situations rests with the Town Manager.

Section 1-2-1 Performance Of Duties

- A. Employees should perform official duties diligently, conscientiously and to the best of their ability, remembering that they are public servants.
- B. Employees should always perform their duties with courtesy and respect for the public and for co-workers and without bias or prejudice, manifested by words or conduct, based upon age, race, religion, national origin, gender, sexual orientation, veteran status, disability or political affiliation.
- C. With support from the Town, employees should seek to maintain and improve their personal and professional growth and development and that of their co-workers

CHAPTER 1

GENERAL EMPLOYMENT RIGHTS AND RESPONSIBILITIES

through cooperation and participation in training and educational programs relevant to their duties and through any licensing or certification required for their position.

- D. Employees should perform their duties impartially in a manner consistent with law and the public interest, unswayed by kinship, position, partisan interests, public pressure or fear of criticism or reprisal.
- E. Employees should bring to the attention of their supervisor any information that, by its nature or inference, could disclose or cause to be addressed any condition or situation that is detrimental to the image of the Town of Marana or that they regard as a threat of liability, a threat to safety or a breach of law. The Town will not retaliate against any employee who makes such a disclosure in good faith. Resolution shall be pursued in accordance with the provisions of applicable local, state and federal law.

Section 1-2-2 Abuse of Position

- A. No employee should use or attempt to use his or her official position to secure unwarranted privileges or exemptions.

- D. Each employee should use the public resources, property and funds under the employee's control responsibly and for the public purpose intended by law and not for any private purpose.

Section 1-2-3 Conflict of Interest

Every employee has an obligation to diligently identify, disclose, avoid and/or manage conflicts of interest. Potential conflict of interest exists when an employee or an employee's immediate family may be directly or indirectly financially impacted, whether favorably or detrimentally, by a decision made by the Town of Marana in which the employee participates. Even if no abuse of position actually occurs, a conflict of interest or its appearance can seriously undermine the public's confidence and trust in the Town's governmental system.

- A. **Outside Contracts.** Employees and their immediate family members should not enter into any contract with any component of the Town government for financial gain apart from an employment appointment without full disclosure and satisfactory management

CHAPTER 1

GENERAL EMPLOYMENT RIGHTS AND RESPONSIBILITIES

 - 1. Immediate family or employees who reside in the same household will be allowed to work in the same department, and neither will be required to transfer or terminate employment, as long as neither is in a position that requires supervising the other.
 - 2. If a supervisory responsibility is involved, then the affected employees will determine which of them will transfer or resign in order to ensure compliance with this policy. The Town will assist in exploring transfer opportunities to like or similar positions for either employee.
 - 3. If no transfer opportunity exists after 90 days, one of the employees will be required to resign employment with the Town.

- D. Acceptance of Gifts, Gratuities, Hospitality. Employees should not accept gifts, loans, gratuities, discounts, favors, hospitality, services or other compensation under circumstances from which it could reasonably be inferred that a major purpose of the donor is to influence the employee in the performance of duties. Examples of acceptable courtesies include a meal or social event; floral offerings or gifts of food to commemorate events such as illness, death, birth, holidays, promotions; or a sample or promotional gift of nominal value (\$25 or less).

Section 1-2-4 Outside Employment

- A. While the Town of Marana does not oppose employees engaging in outside employment, each full-time employee should consider his or her position with the Town of Marana to be his/her primary place of employment. The outside employment of part-time employees may also reflect on the Town. Therefore, the Town of Marana will oppose outside employment when it interferes with any employee's duties with the Town of Marana, involves a potential conflict of interest, or compromises the integrity or

CHAPTER 1

GENERAL EMPLOYMENT RIGHTS AND RESPONSIBILITIES

credibility of the Town. Consequently, in addition to conflict of interest situations addressed above, employees should avoid:

1. Outside employment with an entity that conducts business with the Town or requires the employee to have frequent contact with entities that regularly do business with the Town without full disclosure and satisfactory management of any potential conflict of interest.
 2. Outside employment that cannot be accomplished outside of the employee's normal working hours or is otherwise incompatible with the performance of the employee's duties by placing the employee in a position of conflict between the employee's role at the Town of Marana and the employee's role in the outside employment.
 3. Performance of work for any governmental entity within the State of Arizona without the written consent of both employers.
 4. Outside employment that exploits official position or confidential information acquired in the performance of official duties for personal gain.

Section 1-2-5 Volunteer Activities

Employees should maintain the confidentiality of these matters, ensuring information about these activities is made public only upon appropriate authorization by the Department Head, Human Resources Director or Town Manager.

Section 1-2-7 Political Activity

The Town seeks to maintain neutrality concerning political matters to the extent humanly possible. Employees of the Town of Marana have a right to entertain and express personal opinions about political candidates and issues, but when performing their duties on behalf of the Town during working hours, employees of the Town of Marana should endeavor to maintain neutrality in action and appearance, except where an employee's position entails political advocacy on the part of the Town.

- B. Non-competitive selections shall only be made with the approval of the Town Manager.
- C. All candidates selected through a non-competitive process must meet the minimum qualifications of the position in question.

- D. Probationary employee: A classified employee serving in an initial evaluation period.
- E. Regular employee: A classified or unclassified employee hired for an indefinite period in a budgeted position

Section 3-1-2 Classified Positions

- A. All positions not specifically identified in the salary schedule implemented by the Town Manager as unclassified or temporary positions are classified positions.

Section 3-1-3 Unclassified Positions

All town officers, as defined in the Town Code, are in unclassified positions. Any other unclassified positions shall be identified as such in the salary schedule implemented by the Town Manager. Employees in unclassified positions are at-will employees.

Section 3-1-4 Temporary Positions

This category of employment is comprised of term-limited temporary positions and short-term temporary positions, as defined below. Employees in temporary positions are at-will employees.

CHAPTER 3

CLASSIFICATION AND COMPENSATION

- A. Term-limited temporary positions are positions with work related to a specific grant, project, or other non-routine significant or substantial body of work, for a term of six to 36 months.

Employees in short-term temporary positions shall work for a time period that does not exceed six months or 1040 hours in a rolling 12-month period.

POLICY 3-2 CLASSIFICATION PLAN

The Town Manager shall ensure the preparation, development and maintenance of a classification plan consisting of descriptions of positions defined by essential duties, qualifications, knowledge, skills and abilities characteristic of the positions.

Section 3-2-1 Purpose

The classification plan shall be developed and maintained so that all positions substantially similar with respect to duties, responsibilities, authority and character of work are similarly classified, and positions substantially different in scope and complexity are appropriately classified.

Section 3-2-2 Plan Amendment

All amendments to the classification plan, including classification title changes, abolitions of obsolete classifications, and the creation of new classifications, require the approval of the Town Manager.

Section 3-2-3 Position Classification

- A. Position classifications shall be maintained by the Human Resources Department for all positions.
- B. Position classifications are descriptive only and are not restrictive in nature. The omission of specific duties from a position classification does not exclude those duties from the position if the work is related or a logical assignment to the position. Supervisors may assign different tasks to a position within a classification when the duties are similar in type and responsibility to those described in the classification description.
- C. The classification description does not constitute an employment agreement between the Town and employee and is subject to change as the needs of the Town and the requirements of the job change.

CHAPTER 3

CLASSIFICATION AND COMPENSATION

- D. When the duties or responsibilities of a position have changed significantly, the Town Manager will ensure that the position is reclassified accordingly.

Section 3-2-4 Position Classification Review

Whenever a reorganization, change in job content or Town Council action causes the duties of a position to change or creates the need for a new classification, or a position otherwise appears to have been incorrectly classified, the Town Manager may reclassify the position to a more appropriate classification.

- A. The Town Manager, in consultation with the Human Resources Director, shall establish the process for review of a specific position classification and for review of the classification plan as a whole.
- B. If there has been a significant change or a gradual accretion of duties and responsibilities over the period of one year, a Department Head or the chain of authority above the level of Department Head may submit a written request to the Human Resources Department to determine if a review of the position is warranted. Such review shall require the completion of a position description questionnaire.
- C. When there is any substantial change, addition, or deletion to the duties assigned to a position, the Department Head or the chain of authority above the level of Department Head, where applicable, will provide a completed position description questionnaire to the Human Resources Department.
- D. Implementation of a reclassification and any related pay change shall be prospective and is effective when the employee assumes the new position or responsibilities, as applicable.

Section 3-2-5 No Right of Appeal

The establishment of a classification plan and position classifications, allocation of classifications to a specific salary grade, position classification review decisions, and changes or adjustments to the classification plan, are not subject to appeal under the personnel action review procedures set forth in Chapter 5 of these Personnel Policies and Procedures.

POLICY 3-3 COMPENSATION PLAN

The Town of Marana is committed to providing a fair, balanced, and highly competitive compensation package for its employees. Section 3-3-2 Pay Adjustments Based on Market Movement and Performance

- A. The Human Resources Department will conduct an annual survey in the region regarding market adjustments and performance-based pay and may recommend pay adjustments based upon that survey.
 - 1. If the salary schedule is adjusted due to market movement, employees will receive salary increases equal to the structure adjustment in order to remain at their relative position within the pay range.
 - 2. If performance-based increases are granted, such increases will be the basis upon which employees move through the pay grade.
- B. Any adjustments to the salary schedule or employee pay are subject to budget capacity and authority.

CHAPTER 3

Section 3-3-3 Compensation Funding

Within available resources, the Town will consider funding individual components of the compensation plan each year during its annual budget process, working to establish a highly competitive total compensation package for employees.

employee shall provide written notice to the employee's supervisor and to the Finance Director or designee as soon as the employee becomes aware of the error. CHAPTER 4
EMPLOYMENT BENEFITS AND LEAVES

POLICY 4-1 VACATION LEAVE

The Town of Marana provides vacation leave with pay to eligible employees.

Section 4-1-1 Eligibility

The provisions of this policy apply to all regular full- and part-time classified and unclassified employees, including those serving in an initial evaluation period, and term-limited temporary employees.

Section 4-1-2 Accrual of Vacation Leave

- A. Eligible employees shall begin to accrue vacation leave on their effective date of hire.
- B. When an employee is on leave and a portion of the leave is unpaid, the employee shall accrue vacation leave on a prorated basis, based on the number of hours paid by the Town during the pay period. When an employee is on leave and receives no compensation from the Town, the employee shall not accrue vacation leave.
- C. Vacation leave accrual is cumulative, up to the maximum number of hours permitted by this policy.

Section 4-1-3 Rate of Accrual

- A. Eligible full-time employees shall accrue paid vacation leave at the rate shown in the following schedule:

Vacation Accrual Rate	
Length of Service	Vacation Days Each Year
0 to 5 years	10 days (3.08 hrs per pay period)
> 5 - 10 years	15 days (4.62 hrs per pay period)
> 10 years	20 days (6.15 hrs per pay period))

- B. Eligible part-time employees shall accrue vacation leave on a prorated basis each pay period based on the number of hours paid by the Town during the pay period.
- C. For purposes of determining length of service, the year noted begins on the day after the preceding anniversary. For example, an employee shall be employed for greater than (>) five years on the day after the employee's fifth anniversary; therefore, the employee shall begin earning at the higher accrual rate for the pay period in which this date falls.
- D. Notwithstanding the provisions of this section, as an incentive to recruit key employees, upon hiring an employee in an unclassified position, the Town Manager may negotiate a

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

vacation accrual rate in excess of the initial vacation accrual rate specified in this section. However, in no event shall the Town Manager negotiate a vacation accrual rate of more than 4.62 hours per pay period.

Section 4-1-4 Maximum Accrued Hours Permitted

- A. An employee's accrued vacation leave balance shall not be permitted to exceed 240 hours. Therefore, employees shall not be credited for vacation leave in excess of 240 hours. Employees who are approaching the 240 hour cut-off shall be notified by the Finance Department of their vacation leave balance and given the opportunity to request vacation leave before vacation leave hours are forfeited.
- B. In extenuating circumstances, the Town Manager may approve an exception to this provision and grant an employee an additional 90 calendar days to come into compliance with the 240-hour rule without forfeiting any vacation leave. This exception will only be granted once per rolling 12-month period. If the employee fails to come into compliance with the 240-hour rule within the additional 90-day period, the employee will forfeit all accrued vacation leave in excess of 240 hours.

Section 4-1-5 Request for Vacation Leave

- A. Eligible employees may request to use vacation leave after 180 days of employment.
- B. Employees shall submit vacation leave requests to their supervisor before taking any time off. Requests will be reviewed based on a number of factors, including Town needs and staffing requirements.

Section 4-1-6 Vacation Leave Pay

Vacation leave shall be paid at the employee's base rate of pay, plus any special assignment pay, at the time of the leave. Vacation leave pay shall not include overtime or any adjustments to pay such as shift differential.

Section 4-1-7 Payment of Vacation Leave Upon Termination of Employment

Upon termination of employment, employees shall be paid at their base rate of pay for any unused accrued vacation leave earned through the last day of work.

POLICY 4-2 SICK LEAVE

The Town of Marana provides sick leave with pay as income protection to eligible employees.

CHAPTER 4

Section 4-2-1 Eligibility

The provisions of this policy apply to all regular full- and part-time classified and unclassified employees, including those serving in an initial evaluation period, and term-limited temporary employees.

Section 4-2-2 Accrual of Sick Leave

- A. Eligible employees begin to accrue sick leave on their effective date of hire.
- B. When an employee is on leave and a portion of the leave is unpaid, the employee shall accrue sick leave on a prorated basis, based on the number of hours paid by the Town during the pay period. When an employee is on leave and receives no compensation from the Town, the employee shall not accrue sick leave.
- C. Sick leave shall accrue without limit.

Section 4-2-3 Rate of Accrual

- A. Eligible full-time employees shall accrue sick leave at the rate of 3.08 hours per pay period.
- B. Eligible part-time employees shall accrue sick leave on a prorated basis each pay period based on the number of hours paid by the Town during the pay period.

Section 4-2-4 Permitted Uses

- A. Eligible employees may use sick leave after 30 days of employment.
- B. Eligible employees shall be permitted to use sick leave for the following reasons:
 - 1. Personal illness, disease or injury and travel time to and from a physician's office
 - 2. Medical conditions that prevent the employee from performing assigned tasks
 - 3. Surgical, medical, dental or optical appointments, including regular, preventative care appointments, that must be made during working hours and travel time to and from such appointments.
 - 4. Illness or injury of immediate family member or surgical, medical, dental or optical appointments, including regular, preventative care appointments, for an immediate family member and related travel time to and from a physician's office. For purposes of this policy, "immediate family member" shall be defined as the spouse, children, parents, grandparents, brothers, sisters or other individuals whose relationship to the employee is that of a dependent. A relative who, because of family circumstances, has been a parent substitute to the employee may be considered the mother or father in this definition.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

Section 4-2-5 Notification to Supervisor

- A. For unplanned absences, such as when an employee is unable to report to work due to illness or injury, the employee shall notify his or her direct supervisor before the scheduled start of the employee's work day. The employee shall also contact his or her direct supervisor on each additional day of absence unless the employee is on FMLA leave or has notified the supervisor in advance of the number of days the employee will be absent. Upon return to work, the employee shall submit a leave request form to his or her direct supervisor for the time missed. Requests for leave are subject to the approval of the supervisor and the supervisor may require the employee to submit a medical verification statement from a health care provider verifying the need for the sick leave absence.
- B. For planned absences pursuant to this policy, such as a planned appointment or medical procedure, an employee shall submit a leave request form to his or her direct supervisor as soon as the employee becomes aware of the need for the planned absence. Requests for leave are subject to the approval of the supervisor and the supervisor may require the employee to submit a medical verification statement from a health care provider verifying the need for the sick leave absence.

Section 4-2-6 Medical Verification

- A. If an employee uses sick leave for three or more consecutive days, the employee's supervisor or Department Head may require the employee to submit a medical verification statement from a health care provider verifying the need for the sick leave absence.
- B. If an employee exhibits an unusual pattern of sick leave absences, such as recurring absences on the days immediately preceding and/or immediately following the employee's regularly scheduled days off or Town-approved holidays, the employee's supervisor or Department Head may require the employee to submit a medical verification statement from a health care provider verifying the need for the sick leave absence.
- C. If the employee fails to provide the required medical verification or if the employee's Department Head determines, in consultation with the Human Resources Director or designee, that the verification provided by the employee is inadequate, the absence may be charged to another category of leave or considered leave without pay.
- D. The employee's department shall forward medical verification statements to the Human Resources Department.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

Section 4-2-7 Additional Conditions of Eligibility

- A. When applicable, an employee requesting to use sick leave must apply for any other available compensation and benefits that the employee may be eligible to receive under disability insurance coverage provided by the Town, such as workers' compensation and short- and long-term disability.
- B. Sick leave benefits may be used to supplement any payments that an employee is eligible to receive from workers' compensation or any disability insurance programs paid for by the Town.
- C. The employee's pay shall not exceed the employee's normal weekly earnings through any combination of paid leave and other payments received by the employee, such as disability insurance payments, or workers' compensation benefits. If the combination of payments results in the employee being paid more than his or her normal weekly earnings, the Town shall require the employee to reimburse the Town for the overpayment.

Section 4-2-8 No Sick Leave Available

An employee who has exhausted accrued sick leave may request leave without pay.

Section 4-2-9 Transfer of Sick Leave Hours to Vacation Leave

- B. The employee must request the transfer in writing to the Finance Department by the deadline set by the Finance Department. If an employee does not request the transfer, the hours will not automatically be transferred.
- C. Hours not transferred shall remain in the employee's sick leave balance each calendar year until they are approved for use in accordance with the sick leave policies in this chapter.
- D. If the transfer of sick leave hours to the employee's vacation leave total would cause the employee's accrued vacation leave to exceed the maximum vacation leave hours allowed under this chapter, the employee's request for transfer shall be denied.

Section 4-2-10 Payment of Sick Leave Upon Termination of Employment

- A. Employees shall not be compensated for unused accrued sick leave upon termination of employment.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

- C. Eligible part-time employees shall receive a prorated amount of personal leave each calendar year based on the number of hours per week that they are officially scheduled to work.
- D. As an incentive to recruit and retain key employees, the Town Manager may, upon hiring or in connection with an annual performance evaluation, grant additional personal leave, up to an additional 40 hours per calendar year, to employees in the following categories.

The Town Manager's decision

Section 4-3-3 Request for Personal Leave

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

Section 4-7-6 How FMLA Leave is Measured

- A. Except for leave to care for a covered servicemember with a serious injury or illness, the Town uses a rolling 12-month period to calculate FMLA eligibility. Each time an employee uses FMLA leave, the remaining leave entitlement is the balance of the 12 weeks that has not been used during the immediately preceding 12 months.
- B. For leave to care for a covered servicemember with a serious injury or illness, the “single 12-month period” begins on the first day the eligible employee takes FMLA leave to care for the covered servicemember and ends 12 months after that date.

Section 4-7-7 Use of Accrued Paid Leave

FMLA leave is unpaid leave, unless an employee uses accrued paid leave balances during the FMLA leave period as described in this section. The Town requires employees to use all paid leave balances concurrently with approved FMLA leave before leave without pay is used, except that an employee may choose to retain a sick leave balance of up to 40 hours. The use of paid leave time is subject to the leave policies set forth in this chapter.

Section 4-7-8 Request for Leave

- A. Eligible employees shall submit a written request for leave to the Human Resources Department at least 30 days in advance of foreseeable FMLA-qualifying events.
- B. Eligible employees shall submit a written request for leave to the Human Resources Department as soon as practicable for unforeseeable events or within no more than two working days after learning of the unforeseen need for FMLA-qualifying leave. An employee requesting unforeseen FMLA leave has the obligation to comply with the Town’s regular attendance and reporting requirements.

Section 4-7-9 Medical Certification

Employees requesting FMLA leave for their own serious health condition or for the serious health condition of a child, spouse or parent or for the serious injury or illness of a covered servicemember are required to submit a medical certification form from a health care provider verifying the serious health condition, injury or illness and the need to provide care in the case of a serious health condition, injury or illness of an eligible family member. The medical certification shall include the expected beginning and ending dates of the leave. The Town shall allow the employee at least 15 calendar days to obtain the medical certification.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

Section 4-7-10 Certification for Qualifying Exigency Leave under the NDAA

Employees requesting FMLA leave due to a qualifying exigency arising out of the active duty or call to active duty status of a covered military member shall provide certification describing appropriate facts regarding the qualifying exigency for which the leave is requested. The certification shall include information on the type of qualifying exigency for which leave is requested and any available written documentation that supports the request for leave. The certification shall also include the expected beginning and ending dates of the leave. The first time an employee requests leave for a qualifying exigency, the employee shall also be required to provide a copy of the covered military member's active duty order or other documentation issued by the military which indicates that the covered military member is on active duty or call to active duty status in support of a contingency operation, and the dates of the covered military member's active duty service.

Section 4-7-11 Designation of Leave as FMLA Leave

In all circumstances, it is the Town's responsibility to designate leave, paid or unpaid, as FMLA-qualifying, and to give notice of the designation to the employee. If the employee's leave request gives the Town sufficient reason to consider the leave as FMLA-qualifying, the Town shall designate the leave as FMLA and inform the employee of the designation within five business days after receiving the employee's request for leave.

Section 4-7-12 Determination/Notice of Substantial and Grievous Economic Injury

- A. When a key employee gives notice of the need for FMLA leave and the Town makes a good faith determination, based on the facts available, that substantial and grievous economic injury will occur to the Town's operations if the key employee is reinstated at the conclusion of the leave period, the Town shall provide written notice of the determination to the key employee as soon as practicable. The notice shall inform the employee that the Town cannot deny FMLA leave, but that the Town intends to deny restoration to employment upon completion of the key employee's FMLA leave. If FMLA leave has already commenced, the notice shall provide the key employee a reasonable time frame in which to return to work, taking into account the circumstances, such as the length of the leave and the urgency of the need for the employee to return.
- B. If the key employee commences the leave despite the Town's notice, or if a key employee already on leave at the time of the notice does not return to work in response to the Town's notice, the key employee's rights under FMLA continue unless and until the employee either gives notice that he or she no longer wishes to return to work, or the Town actually denies reinstatement at the conclusion of the leave period.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

- C. The Town shall make the determination of whether the reinstatement of the key employee will cause substantial and grievous economic injury in accordance with the applicable provisions of the FMLA and accompanying regulations.
- D. If the Town fails to provide timely notice of the determination to the key employee, the Town shall reinstate the employee even if substantial and grievous economic injury will result from reinstatement.

Section 4-7-13 Intermittent Leave

Under some circumstances, employees may take FMLA leave intermittently, by taking leave in blocks of time or by reducing their normal weekly or daily work schedule.

- A. Employees requesting intermittent FMLA leave for a serious health condition or to care for a family member with a serious health condition or to care for a covered servicemember with a serious injury or illness shall provide a medical certification from a health care provider to the Human Resources Department documenting the medical necessity for such leave.
- B. Employees requesting intermittent FMLA leave for a qualifying exigency arising out of the active duty or call to active duty status of a covered military member shall provide an estimate of the frequency and duration of the qualifying exigency and an explanation regarding the necessity for such leave.
- C. An employee is not guaranteed Intermittent FMLA leave for childbirth, adoption or placement of a foster child. Such leave may be taken only upon approval by the Town.
- D. The employee must attempt to schedule intermittent leave in a manner that does not unduly disrupt the Town's operations.
- E. The Town may temporarily transfer an employee on intermittent leave to a different position with equivalent pay and benefits if another position would better accommodate the employee's intermittent leave schedule.

Section 4-7-14 Maintenance of Group Health Plan Benefits

- A. Subject to the terms, conditions and limitations of the applicable group health insurance plans, the Town of Marana shall maintain group health plan benefits, including family coverage, for an employee on FMLA leave on the same terms as if the employee continued to work.
- B. An employee who is on paid FMLA leave via the use of accrued leave balances shall continue to pay his or her share of the group health plan insurance premium, if any, through payroll deductions.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

- C. An employee who is on unpaid FMLA leave shall make arrangements with the Human Resources and Finance Departments to make payments for his or her share of the group health plan insurance premium, if any. If payment is more than 30 days overdue, the Town shall provide written notice to the employee that payment has not been received and that coverage will be dropped. The notice shall be mailed to the employee at least 15 days before coverage is to be dropped. If the Town pays any of the employee's share of group health plan premiums, the Town may require the employee to reimburse the Town for the employee's share. If coverage is dropped, it shall be dropped retroactively to the date the unpaid premium payment was due and the provisions of the federal COBRA law shall apply.
- D. The Town's obligation to maintain group health plan benefits under this section stops if and when the employee informs the Town of an intent not to return to work at the end of the leave period or if the employee fails to return to work when the FMLA leave entitlement is exhausted. In some circumstances, the Town may recover its share of premiums it paid to maintain group health plan insurance coverage for an employee who fails to return to work from FMLA leave.

Section 4-7-15 Maintenance of Other Benefits

- A. The Town has no obligation to maintain insurance and other benefits, such as life insurance or disability insurance, that are not considered to be a "group health plan", while an employee is on FMLA leave. The Town will meet its responsibilities to provide equivalent benefits to the employee upon return from FMLA leave.
- B. An employee who is on paid FMLA leave via the use of accrued leave balances shall continue to pay his or her share of any non-group health plan insurance premiums through payroll deductions.
- C. An employee who is on unpaid FMLA leave must make payment arrangements with the Human Resources and Finance Departments for his or her share of any non-group health plan insurances premiums. If payment is more than 30 days overdue, the Town shall provide written notice to the employee that payment has not been received and that coverage will be dropped. The notice shall be mailed to the employee at least 15 days before coverage is to be dropped. If the Town pays any of the employee's share of non-group health plan premiums, the Town may require the employee to reimburse the Town for the employee's share. If coverage is dropped, it shall be dropped retroactively to the date the unpaid premium payment was due.

Section 4-7-16 No Break in Service

The use of FMLA leave is not considered a break in service for purposes of determining seniority or leave accrual rates.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

Section 4-7-17 Additional Leave

- A. If the employee is unable to perform the full essential functions of his or her position, with or without a reasonable accommodation, at the conclusion of the FMLA leave period, or if the employee needs additional time to care for a child, spouse or parent with a serious health condition or a covered servicemember with a serious injury or illness, the employee may request administrative leave for medical purposes pursuant to Policy 4-8.
- B. The Town may require updated medical certifications to support the need for the additional leave.
- C. The Town is not obligated to grant administrative leave for medical purposes, but will review the request taking into consideration the Town's operational needs and staffing requirements.

Section 4-7-18 Return to Work

- A. Employees returning from FMLA leave generally have the right to return to their same position or an equivalent position, with equivalent pay, benefits and working conditions at the conclusion of the leave, unless the employee informs the Town of an intent not to return from leave or the employee fails to return from leave or continues on a leave after exhausting his or her FMLA leave entitlement in a 12-month period.
- B. An employee on FMLA leave shall provide the Human Resources Department with at least two days' advance notice of the date the employee intends to return to work.
- C. An employee on FMLA leave for the employee's own serious health condition shall provide a certification of fitness to return to work from a health care provider to the Human Resources Department prior to or immediately upon returning to work. If the employee does not provide the certification, the Town may delay restoring the employee to employment until the certification is provided. If any work restrictions are specified, the provisions of these Personnel Policies and Procedures related to alternative work assignments/light duty may apply.
- D. A key employee who has been notified that restoration to employment will cause substantial and grievous economic injury to the Town's operations may still request reinstatement at the end of the leave period. The Town shall then make a final determination as to whether reinstatement will cause substantial and grievous economic injury, based on the facts available at the time the employee requests restoration. If the Town determines again that substantial and grievous economic injury will result, the Town shall notify the key employee in writing of the denial of restoration.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

For purposes of tracking leave time, 12 months will be measured based on 2080 hours for full-time employees and prorated for part-time employees.

Section 4-10-3 Employee Assistance Program

- A. The Town provides an employee assistance program (EAP) to all regular full- and part-time classified and unclassified employees, including those serving in an initial evaluation period, term-limited temporary employees and short-term temporary employees.
- B. When an employee voluntarily seeks assistance from the EAP, confidentiality is maintained. The Town will not be informed that help has been sought unless the employee requests that the information be released.
- C. When stress or personal problems interfere with job performance, the Town will encourage and may require participation in the EAP to deal with job-related performance issues. When participation is required, the EAP provider will maintain

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

confidentiality and will only verify that the employee has participated as required by the Town.

- D. Use of the employee assistance program may be a condition of continued employment if the Town's drug and alcohol abuse policy is violated.
- E. No employee will have his or her employment or promotional opportunities jeopardized solely by participation in the EAP, nor will participation in the EAP protect the employee from disciplinary action for substandard performance or misconduct.

Section 4-10-4 Voluntary Benefits

The Town may offer other voluntary benefits, such as benefits for dependents. Voluntary benefits are fully paid by the employee.

POLICY 4-11 WORKERS' COMPENSATION

Under Arizona law, it is mandatory for employers to secure workers' compensation insurance for their employees. Workers' compensation is a "no fault" system in which an injured or ill employee is entitled to receive benefits for a job-related injury or illness, no matter who caused the injury or illness. If an illness or injury is job-related, then the injured employee is eligible to receive medical benefits and may receive temporary compensation, if eligibility requirements are met. In some cases, a claimant may also receive permanent compensation benefits, job retraining, and supportive medical care.

The provisions of this policy are not intended to conflict with or supersede state law, nor should they be interpreted or construed to do so. If any provision of this policy conflicts with state law, state law shall control.

Section 4-11-1 Reporting Requirement

- A. Employees shall immediately report any job-related accident, illness or injury, regardless of severity, to their immediate supervisor. If the employee's immediate supervisor is not available, or if the employee's immediate supervisor is the employee's Department Head, the employee shall report the accident, injury or illness to the employee's Department Head.
- B. The employee's supervisor or Department Head shall ensure that the accident, injury or illness is reported to the Human Resources Department no later than the next business day.
- C. In addition, employees shall follow the reporting procedures established by the Human Resources Department, to include completing and submitting any required forms.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

Section 4-11-2 Determination of Compensability

The Town's workers' compensation carrier will determine compensability for job related injuries and illnesses.

Section 4-11-3 Types of Claims

- A. Medical Only Claims. Pursuant to state law, if an employee is off work for seven calendar days or less due to a job-related injury or illness determined to be compensable, the workers' compensation carrier will pay all of the employee's medical expenses associated with the job related injury or illness, but will not pay compensation benefits for lost wages. The day of the injury or onset of illness is not included in the calculation.
- B. Time Lost Claims. Pursuant to state law, if an employee is off work for more than seven calendar days due to a job-related injury or illness determined to be compensable, the workers' compensation carrier will pay all of the employee's medical expenses associated with the job related injury or illness and some compensation benefits for lost wages, depending upon the number of days the employee is off work. The day of the injury or onset of illness is not included in the calculation.
 1. If the employee is off work for more than seven calendar days but less than 14 calendar days, the workers' compensation carrier will provide compensation benefits for lost wages at the state-mandated percentage of the employee's average monthly wage for each day off work after the first seven calendar days.
 2. If the employee is off work for 14 calendar days or more, the workers' compensation carrier will provide compensation benefits for lost wages at the state-mandated percentage of the employee's average monthly wage for each day off work retroactive to the first day off work after the day of the injury or onset of illness.

Section 4-11-4 Use of Leave

- A. On the day of the accident, injury or illness, the employee will not be required to use sick or other leave for an absence that is a direct result of the accident, injury or illness. The employee shall record time spent during the work day addressing the accident, injury or illness, such as seeking medical attention, as "industrial leave" on his or her time sheet or attendance record. The employee will not be paid wages for any time spent addressing the accident, injury or illness outside the employee's scheduled work day.
- B. Beginning with the first work day following the day of the accident, injury or onset of illness, the employee may use any accrued leave balances for absences related to the accident, injury or illness. Any request to use paid leave balances will be considered in accordance with the leave policies set forth in this chapter.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

- C. If the employee used accrued leave balances for time lost and the workers' compensation carrier then provides retroactive compensation benefits for lost wages, the Town shall reimburse the employee's leave balances in the appropriate amount and type of leave for the time lost that is retroactively paid through compensation benefits. The Town will correct the overpayment to the employee in the next regular pay cycle or cycles by reducing the employee's hours paid by the Town.
- D. The employee's pay shall not exceed the employee's normal weekly earnings through any combination of workers' compensation benefits, paid leave and other payments received by the employee. If the combination of payments results in the employee being paid more than his or her normal weekly earnings, the Town shall require the employee to reimburse the Town for the overpayment.
- E. For any absences during which the employee is receiving compensation benefits for lost wages from the workers' compensation carrier, the payroll liaison for the employee's department shall record the employee's time on a time sheet or attendance record allocating that portion of the employee's time that is being paid by the workers' compensation carrier as "industrial leave" and the remainder of the employee's time as paid or unpaid leave, as applicable.
- F. When an employee with a job-related injury or illness returns to work, either in his or her normal assignment or in an alternative work assignment (light/restricted duty), the employee must use sick leave or other approved leave for absences due to medical appointments, including physical therapy, for the job-related injury or illness. Any request to use paid leave balances will be considered in accordance with the leave policies set forth in this chapter.
- G. The Town shall not approve the use of sick or vacation leave for an employee who has an injury, illness or disease incurred while employed by another employer.

Section 4-11-5 Maintenance of Benefits

- A. An employee who uses accrued paid leave balances to supplement compensation benefits for lost wages due to a job-related injury or illness shall continue to pay his or her share of any group health plan and other insurance premiums through payroll deductions.
- B. An employee who does not use accrued paid leave balances to supplement compensation benefits for lost wages due to a job-related injury or illness shall make arrangements with the Human Resources and Finance Departments to make payments for his or her share of any group health plan and other insurance premiums. If payment is more than 30 days overdue, the Town shall provide written notice to the employee that payment has not been received and that coverage will be dropped. The notice shall be mailed to the employee at least 15 days before coverage is to be dropped. If the Town

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

pays any of the employee's share of group health plan or other premiums in order to maintain coverage, the Town may require the employee to reimburse the Town. If coverage is dropped, it shall be dropped retroactively to the date the unpaid premium payment was due and the provisions of the federal COBRA law shall apply.

Section 4-11-6 Coordination with the Supplemental Benefits Plan for Public Safety Employees

If any of the provisions of this policy conflict with the provisions of the supplemental benefits plan for public safety employees, as set forth in [Policy 4-12](#) of these Personnel Policies and Procedures, the provisions of the supplemental benefits plan shall govern for eligible public safety employees.

Section 4-11-7 Miscellaneous

- A. A job-related injury or illness may also be considered a "serious health condition" under the Family and Medical Leave Act (FMLA). In such cases, the Town will designate the employee's absence as FMLA-qualifying, will give notice of the designation to the employee and the FMLA provisions described in these Personnel Policies and Procedures will apply.
- B. An employee returning from leave following a job-related injury or illness shall provide a certification of fitness to return to work from a health care provider to the Human Resources Department prior to or immediately upon returning to work. If the employee does not provide the certification, the Town may delay restoring the employee to employment until the certification is provided. If any work restrictions are specified, the provisions of these Personnel Policies and Procedures related to alternative work assignments/light duty may apply.

POLICY 4-12 SUPPLEMENTAL BENEFITS PLAN FOR PUBLIC SAFETY EMPLOYEES

Pursuant to A.R.S. §38-961, the Town of Marana is required to provide a supplemental benefits plan for eligible public safety employees who are injured on the job and unable to perform the functions of their position.

The provisions of this policy are not intended to conflict with or supersede state law, nor should they be interpreted or construed to do so. If any provision of this policy conflicts with state law, state law shall control.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

Section 4-12-1 Definitions

For purposes of this policy, “public safety employee” shall be defined as an individual who is a member of the Public Safety Personnel Retirement System (PSPRS) or the Corrections Officer Retirement Plan (CORP).

Section 4-12-2 Eligibility

- A. To be eligible for the supplemental benefits plan, the employee must meet all of the following criteria:
1. Be a public safety employee employed full-time by the Town at the time of injury.
 2. Be injured while on duty and eligible for workers’ compensation benefits pursuant to A.R.S. § 23-1021 and [Policy 4-11](#) of these Personnel Policies and Procedures, as determined by the Town’s workers’ compensation carrier.
 3. Be physically unable to return to work for the Town in any capacity, including alternative work assignments or light duty, as determined by the Town and as supported by the employee’s physician or an independent medical exam (IME) ordered by the Town directly or through its workers’ compensation insurance provider. The employee’s inability to work in a capacity assigned by the Town, including inability to work light duty assignments, must be supported by appropriate medical documentation in order for the employee to remain eligible for the supplemental benefits plan.
 4. Be receiving compensation benefits for lost wages pursuant to A.R.S. § 23-1041 and [Policy 4-11](#) of these Personnel Policies and Procedures.
- B. To maintain eligibility for the supplemental benefits plan, the employee must comply with all risk management requirements of the Town, including evaluation for light duty/alternative work assignment options and rehabilitation programs, and coordination of benefits. Failure to comply with the Town’s risk management requirements and decisions shall result in the termination of the employee’s participation in the supplemental benefits plan.

Section 4-12-3 Supplemental Compensation

- A. Employees eligible for the supplemental benefits plan shall receive supplemental compensation from the Town in an amount that, when added to the benefits being paid by the workers’ compensation fund to the employee, less any deductions, results in the employee receiving approximately the identical salary the employee was receiving prior to the injury.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

- B. The Town shall pay the supplemental compensation for a period of up to six months from the date the employee receives first payment of workers' compensation benefits for lost wages pursuant to A.R.S. § 23-1041, provided that the employee continues to meet all eligibility criteria.

Section 4-12-4 Application Procedures

- A. To apply for the supplemental benefits plan, an employee must submit a written request to the Human Resources Department on a form provided by the Human Resources Department.
- B. All requests must be received by the Human Resources Department within 14 calendar days of the employee's receipt of his or her first lost wage replacement benefit paid under workers' compensation. An employee's failure to submit a request within the timeframe established in this paragraph shall be construed as a waiver of any rights under A.R.S. §38-961 and this policy.
- C. The Human Resources Department shall review the employee's request and shall provide the employee with a written determination of benefits eligibility within 14 calendar days of receipt of the employee's request.
- D. If an employee is denied participation in the plan for any reason other than a determination by the Town's workers' compensation carrier that the employee is not eligible for workers' compensation benefits, he or she has a right to request review of the denial by filing a written request for review with the Human Resources Department within ten working days from receipt of the denial letter. The employee's request for review must state the reason for the request and facts that the employee wishes to have considered. The Human Resources Department shall forward the request for review to the Town Manager.
- E. The Town Manager shall render a written opinion affirming or denying the employee's eligibility within five working days of receipt of the employee's request for review. The Town Manager's decision is final and not appealable within any Town process.
- F. If an employee is denied participation in the plan due to a determination by the Town's workers' compensation carrier that the employee is not eligible for workers' compensation benefits, the employee may appeal that decision through the procedures established by the workers' compensation carrier and state law.

Section 4-12-5 Maintenance of Benefits

- A. The Town shall maintain group health plan benefits for employees participating in the supplemental benefits plan on the same terms as if the employee continued to work.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

Thus, the Town shall continue to pay its share of any group health plan insurance premium and the employee shall continue to pay his or her share, if any.

1. The employee shall continue to pay his or her share of any group health plan benefits through payroll deductions if the employee is receiving sufficient compensation from the Town to cover his or her share of the premium.
 2. If the employee is not receiving sufficient compensation from the Town to cover his or her share of the premium, the employee shall make arrangements with the Human Resources and Finance Departments to make payments for his or her share of the premium. If payment is more than 30 days overdue, the Town shall provide written notice to the employee that payment has not been received and that coverage will be dropped. The notice shall be mailed to the employee at least 15 days before coverage is to be dropped. If the Town pays any of the employee's share of group health plan premiums, the Town may require the employee to reimburse the Town for the employee's share. If coverage is dropped, it shall be dropped retroactively to the date the unpaid premium payment was due and the provisions of the federal COBRA law shall apply.
- B. While the employee is participating in the supplemental benefits plan, the Town shall pay both the employer and employee contributions to PSPRS or CORP, as applicable, based on the employee's pre-injury salary, unless the employee is no longer actively contributing to PSPRS or CORP. In such a case, the Town shall continue to pay the employer contribution to the employee's retirement system and the employee shall continue to pay the employee contribution.
- C. An employee participating in the supplemental benefits plan is responsible for paying for any elective health care plan deductions, health related optional deductions, optional life insurance deductions or any other optional, employee-elected benefits.

Section 4-12-6 Paid Leave Balances

- A. An employee shall not accrue any additional sick, vacation, personal or compensatory leave while the employee is participating in the supplemental benefits plan.
- B. An employee's sick, vacation, personal and compensatory leave balances shall not be decreased while the employee is participating in the supplemental benefits plan.
- C. If the employee used accrued leave balances to supplement workers' compensation benefits for lost wages prior to being approved for the plan, the Town shall reimburse the employee's leave balances in the appropriate amount and type of leave for the time lost that is retroactively paid through the supplemental benefits plan. The Town will correct the overpayment to the employee in the next regular pay cycle or cycles by reducing the employee's hours paid by the Town.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

Section 4-12-7 Miscellaneous

To the extent the employee is eligible for and receives salary or benefit changes while participating in the supplemental benefits plan, the plan benefits will be adjusted accordingly.

POLICY 4-13 BENEFITS CONTINUATION/COBRA

The federal Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985, amended by the Health Insurance Portability and Accountability Act (HIPAA) of 1996, provides that covered employees and their qualified beneficiaries may continue health insurance coverage under the Town of Marana's health plan when a "qualifying event" would normally result in the loss of eligibility. The Town shall follow all applicable federal and state laws in determining what constitutes a qualifying event.

The provisions of this policy are not intended to conflict with or supersede federal or state law, nor should they be interpreted or construed to do so. If any provision of this policy conflicts with federal or state law, federal or state law shall control.

Section 4-13-1 Payments

- A. Except as provided in this policy, employees or beneficiaries participating in COBRA benefits shall pay the full cost of coverage at the Town's group rates plus an administration fee as prescribed by federal law.
- B. The Town Manager, in his or her sole discretion, may authorize Town payment of the costs of COBRA coverage for an employee or his or her beneficiaries for up to six months if the employee's qualifying event is a layoff as described in Chapter 8 of these Personnel Policies and Procedures.

Section 4-13-2 Written Notification of Eligibility

The Human Resources Director shall ensure that each eligible employee and/or beneficiary receives written notification regarding COBRA rights and benefits in accordance with applicable federal and state laws.

POLICY 4-14 ALTERNATIVE WORK ASSIGNMENTS/LIGHT DUTY

The Town of Marana recognizes the value of allowing employees with work restrictions to temporarily work in an alternative work or light/restricted duty assignment. Alternative work assignments are intended for employees with medically documented temporary mental or physical illnesses or injuries sustained on or off the job who have work restrictions and who are expected to eventually return to unrestricted work. The Human Resources Department shall coordinate and administer all alternative work assignments for the Town.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

The provisions of this policy are not intended to conflict with or supersede federal or state law, nor should they be interpreted or construed to do so. If any provision of this policy conflicts with federal or state law, federal or state law shall control.

Section 4-14-1 Eligibility

The provisions of this policy apply to all regular full- and part-time classified and unclassified employees, including those serving in an initial evaluation period, and term-limited temporary employees.

Section 4-14-2 Definitions

- A. For purposes of this policy, “alternative work assignment,” “light duty” and “restricted duty” are used interchangeably and shall be defined as temporary work that is physically or mentally less demanding than the employee’s regular job duties. An alternative work assignment or light/restricted duty may include a reduction in full time equivalency, limiting or altering duties in the employee’s existing position, or temporarily reassigning the employee to another position which he or she is qualified and capable to perform.
- B. For purposes of this policy, “work restriction” shall be defined as a restriction that prevents an employee from performing the full scope of his or her job duties as outlined in the job description for the employee’s position.

Section 4-14-3 Procedures

- A. When the Human Resources Department becomes aware that an employee has temporary work restrictions, the Human Resources Department will make every effort consistent with the provisions of this policy to offer the employee an alternative work assignment.
- B. In order to be considered for an alternative work assignment, an employee must present a medical certification from a health care provider specifying work restrictions and the expected duration of the restrictions to the Human Resources Department.
- C. Upon receipt of the certification, the Human Resources Department may communicate with the employee’s health care provider to clarify and attain specificity on physical restrictions and limitations relative to specific job duties and responsibilities.
- D. The Human Resources Department shall determine whether there are any alternative work assignments within the Town which the employee can perform given the work restrictions. Primary consideration will be given to job placement within the employee’s

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

department and regular job duties. However, an employee may also be placed in an alternative work assignment in another department and/or in another position. An alternative work assignment may also result in a change in the employee's work hours.

- E. An employee may be placed in an assignment that is in a lower classification than the employee's regular job assignment; however, the employee's salary shall remain the same as it was in the employee's regular job assignment. Overtime, on-call/stand-by and call-out pay is not authorized for employees on light duty status.
- F. Under no circumstances will the Town create a position solely for the purpose of providing work for an employee who is eligible to return to work under a temporary work restriction. Alternative work assignments shall involve productive work that is both useful to the Town and achievable within the restrictions placed on the employee. If there is no alternative work assignment available for a particular employee, the employee shall remain on, or be placed on, an appropriate form of leave, pursuant to the policies set forth in this chapter.
- G. Employees with on the job injuries or illnesses shall be given preference for alternative work assignments over employees with off the job injuries or illnesses, even if an employee with an off the job injury is already serving in an alternative work assignment. Thus, if an employee with an off the job injury is serving in an alternative work assignment, the Town may remove that employee from the assignment if removal is necessary to provide an alternative work assignment for an employee with an on the job injury.
- H. An employee who has previously been subject to work restrictions is required to inform the Human Resources Department immediately upon receiving a release to regular duty from a health care provider.

Section 4-14-4 Duration

An initial alternative work assignment may have a duration of up to 90 days. The Human Resources Department may extend an alternative work assignment in increments of up to 90 days at a time, provided that there remains a reasonable expectation that the employee will return to his/her regular duties within a reasonable amount of time and that the total time the employee is unable to perform the essential functions of his or her regular position, with or without a reasonable accommodation, does not exceed the equivalent of 12 months in any 24-month period. For purposes of tracking leave time, 12 months will be measured based on 2080 hours for full-time employees and pro-rated for part-time employees.

Section 4-14-5 Interaction with Other Laws and Policies

- A. An employee on FMLA leave is not required to accept an available alternative work assignment. The employee may continue on FMLA leave either until the employee is

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

able to return to his/her job or an equivalent job, or until the 12-week FMLA leave entitlement is exhausted.

- B. An employee receiving workers' compensation benefits may forfeit the right to those benefits by refusing to accept an alternative work assignment, as determined by the Town's workers' compensation carrier.

Section 4-14-6 No Right to Alternative Work Assignment

If granted, alternative work assignments are a privilege and shall not be considered a right or entitlement. An employee in an alternative work assignment has no rights to that assignment or any tasks associated with that assignment no matter the duration of the alternative work assignment.

Section 4-14-7 Miscellaneous

- A. An employee in an alternative work assignment is subject to all rules, regulations, standards, policies and procedures of the Town and of the department to which the employee is assigned.
- B. Employees serving in alternative work assignments shall receive a formal performance appraisal document in accordance with the Town's normal performance management process. The appraisal shall address the employee's job duties and performance for the relevant time period, including the employee's job duties and performance in the alternative work assignment.
- C. Employees serving in an alternative work assignment within the same classification as their regular position are eligible for merit increases based on job performance and availability of funding.
- D. Employees serving in an alternative work assignment outside the classification of their regular position will be considered for merit increases on a case-by-case basis, depending upon the level of work being performed compared to the employee's regular assignment.

Section 4-14-8 No Right of Appeal

The decision of the Town to place or not to place an employee in an alternative work assignment is not subject to appeal or review under the personnel action review procedures set forth in Chapter 5 of these Personnel Policies or Procedures or under any other Town review/appeal process.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

POLICY 4-15 CIVIC DUTY

The Town of Marana encourages employees to fulfill their civic responsibilities as citizens and provides civic duty leave to eligible employees as described in this policy.

Section 4-15-1 Eligibility

The provisions of this policy apply to all regular full- and part-time classified and unclassified employees, including those serving in an initial evaluation period, and term-limited temporary employees.

Section 4-15-2 Jury Duty

- A. Eligible employees shall be granted up to ten days of paid jury duty leave during any rolling 12-month period.
- B. Employees shall provide a copy of the jury duty summons to their supervisor as soon as possible so that the supervisor may make arrangements to accommodate the employee's absence.
- C. Employees on jury duty shall be paid their regular base rate of pay provided that they submit any juror fee payments received from the court, excluding mileage and per diem payments, to the Finance Department. Employees may keep mileage and per diem payments.
- D. If an employee is required to serve on jury duty beyond the period of paid jury duty leave, the employee may request to use accrued vacation, personal or compensatory leave balances or may request administrative leave for non-medical purposes.
- E. Employees shall report for work while on jury duty whenever the court schedule permits.
- F. The Department Head may ask the employee to request an excuse or postponement from jury duty if, in the Department Head's judgment, the employee's absence would create serious operational difficulties.

Section 4-15-3 Witness Duty

- A. Eligible employees shall be granted up to 40 hours of paid time off for each instance in which the employee is subpoenaed to appear in court as a witness in a case. This section does not apply to employees who are subpoenaed to appear in court as a part of their regular job responsibilities, such as police officers. Employees who are subpoenaed to appear in court as a part of their regular job responsibilities are considered to be on duty while responding to the subpoena.

CHAPTER 4

EMPLOYMENT BENEFITS AND LEAVES

- B. Employees shall provide a copy of the subpoena to their supervisor immediately after it is received so that the supervisor may make arrangements to accommodate the employee's absence.
- C. Employees under subpoena shall be paid their regular base rate of pay provided that they submit any witness fee payments, excluding mileage and per diem payments, to the Finance Department. Employees may keep mileage and per diem payments.
- D. If an employee is required to appear in court beyond the period of paid leave provided by this section, the employee may request to use accrued vacation, personal or compensatory leave balances or may request administrative leave for non-medical purposes.
- E. Employees under subpoena shall report for work whenever the court schedule permits.
- F. Employees are not eligible for witness duty leave for time spent in court on personal matters without a subpoena. Employees shall request the use of accrued leave balances for these court matters.

Section 4-15-4 Voting

- A. Any employee eligible and registered to vote in any public election held within this state may request time off for voting. The employee must apply for leave for voting prior to the election day.
- B. The employee may be absent for up to three hours with pay on the day of the election for the purpose of voting. The amount of leave the employee is eligible for shall be determined in accordance with state law, which requires that an employee have three consecutive hours in which to vote. Employees are not entitled to voting leave if they have three consecutive non-working hours in which to vote.
- C. The Department Head may specify the hours during which the employee may be absent for the purpose of voting.
- D. Employees are expected to vote at a time that minimizes impact on the department operations.
- E. An employee may be required to provide evidence of eligibility to vote prior to approval for time off.

CHAPTER 5

WORK RULES AND EMPLOYEE DISCIPLINE

POLICY 5-1 HOURS OF WORK

An employee is expected to work the days and hours necessary to perform all assigned responsibilities and tasks in order to provide continuity of services to citizens and to facilitate teamwork and supervision. Attendance is an essential function of every Town position and shall be a consideration in determining promotions, transfers, satisfactory completion of performance periods and continued employment with the Town.

Section 5-1-1 Normal Work Week and Work Hours

- A. The work week will generally consist of five days within a 40 hour week or as determined otherwise by the Town Manager. A work week generally begins every Saturday at 12:01 a.m. and ends the following Friday at 12:00 midnight. The Town Manager or Department Head may stagger, rearrange and adjust the work hours of employees to enable the Town to keep offices open at all times required.
- B. Most full-time employees will work during the core business hours of the Town, from 8:00 a.m. to 5:00 p.m. Monday through Friday, with one unpaid meal break each day. Normal work schedules may be adjusted as provided within these policies and/or with the approval of the Town Manager or designee.
- C. Modifications to the Town's normal core business hours may be made, subject to any federal or State statutory or constitutional limitations relating to hours of work.

Section 5-1-2 Alternative or Flexible Work Schedules

established by written departmental standard operating procedures. If the employee is physically unable to notify his or her supervisor within the time frame required by this policy, the employee shall provide notice as soon as possible. If applicable, the supervisor may request medical verification of an employee's incapacitation, from a licensed health care provider as provided in [Policy 4-2](#) of these Personnel Policies and Procedures.

- B. Advance notice of anticipated tardiness is expected. Employees shall provide notice of anticipated tardiness as far in advance of the tardiness as possible and no later than 24 hours before the tardiness. Employees shall provide notice of unanticipated tardiness as soon as possible. The employee's supervisor shall determine if work time lost due to tardiness may be made up by the employee or if the employee will be required to use accrued leave balances or take leave without pay. If authorized by the employee's supervisor, the employee may make up work time lost due to tardiness only during the work week in which it occurs.
- C. Notification of an unscheduled absence or tardiness by another employee, friend or relative is not considered proper except in an emergency situation where the employee is physically unable to make the notification.
- D. Departments are responsible for establishing procedures for employee notification of unscheduled absences or tardiness. Generally, unless provided otherwise by a department procedure, employees are expected to speak with their direct supervisor regarding an unscheduled absence or tardiness within the time-frames provided by this policy.
- E. Poor attendance and frequent tardiness are disruptive to the provision of Town services and may lead to disciplinary action, up to and including termination of employment.

Section 5-1-4 Meal Breaks and Rest Breaks

- A. Town employees who are considered non-exempt under the Fair Labor Standards Act (FLSA) and who work a regular 8-hour work day will normally receive a minimum of one 30-minute unpaid meal break. However, due to operational needs the Department Head, in his or her sole discretion, may require an employee to engage in work during the employee's meal break, in which case the employee will be paid for all compensable time. The duration of meal breaks shall be determined by the Department Head in order to avoid overtime whenever possible. Meal breaks shall not be taken at the beginning or end of a work shift and cannot be combined with paid rest breaks.
- B. Town employees who are considered non-exempt under the Fair Labor Standards Act (FLSA) and who work a regular 8-hour work day may be granted paid rest breaks of short duration, from five to 20 minutes. Work demands may preclude the granting of a rest break; therefore, rest breaks shall be granted at the sole discretion of the appropriate

CHAPTER 5

WORK RULES AND EMPLOYEE DISCIPLINE

Department Heads are responsible for determining and enforcing the dress code for their respective areas of responsibility.

CHAPTER 5

WORK RULES AND EMPLOYEE DISCIPLINE

Section 5-3-1 Acceptable Attire

Because of the changing nature of fashion, regulations pertaining to acceptable employee attire and grooming are flexible. There are, however, certain expected norms of professional appearance, of personal neatness, cleanliness and good grooming that are applicable to all employees.

Section 5-3-2 Unacceptable Attire

The Town of Marana reserves the right to advise any employee at any time that his or her grooming, attire or appearance is unacceptable. After having been so advised, the employee shall make any changes required by his or her supervisor. Failure to do so will result in the employee's suspension without pay until corrective action by the employee is taken. Repeated lack of compliance may result in further disciplinary action, up to and including discharge.

Section 5-3-3 Uniforms

- A. Employees who are required to wear a uniform of any type in the performance of their duties will be provided a uniform by the Town.
- B. The Town may engage a uniform service company for laundering of uniforms. Laundering, cleaning and general upkeep of uniforms is the responsibility of each employee, whether the employee chooses to use the uniform service company or to self-wash uniforms.
- C. Employees should be aware that the furnishing of uniforms and maintenance or replacement allowance, if any, may, under certain circumstances, be considered a taxable benefit.
- D. Employees shall return all articles of uniform apparel still in their possession to their supervisor upon termination of their employment with the Town. Supervisors shall count the articles returned to ensure all are received. Employees will be required to replace any missing articles of uniform apparel at the employee's expense. POLICY 5-4 USE OF COMMUNICATIONS SYSTEMS AND EQUIPMENT

Electronic mail (e-mail), voice-mail, telephone, on-line subscriber services and the Internet are all information management and communications tools that are important parts of the way that the Town of Marana does business. - B. Employees should have no expectation of privacy regarding the use of these systems and equipment or the transmission, receipt or storage of information in these systems or equipment.
- C. The Town may monitor an employee's use of these systems and equipment at any time at its discretion. Such monitoring may include, but is not limited to, monitoring, tracking, and review of all employee communications including all information created, stored, and disseminated using the Town's computer, network and telephone systems and all information viewed, downloaded, copied, sent, or processed using the Town's computer, network and telephone systems.

Section 5-4-2 Permitted Use

The Town's communications systems and equipment shall be used primarily for Town business purposes associated with the performance of each employee's job. Any use of these systems for non-work related purposes beyond limited incidental use, is prohibited.

Section 5-4-5 Software Copyright

The Town purchases and licenses various computer software for business purposes and does not own the copyright to this software or its related documentation. Employees may not reproduce such software or use it on more than one computer unless authorized to do so by the software license agreement. Employees with questions or concerns regarding the use of software or its related documentation should contact the Technology Services Department.

Section 5-4-6 Consequences of Prohibited Use

Any violation of this policy may result in disciplinary action, up to and including termination of employment.

CHAPTER 5

WORK RULES AND EMPLOYEE DISCIPLINE

POLICY 5-5 DISCIPLINE SYSTEM

Each supervisor shall have the responsibility and authority, with the approval of the Department Head and/or General Manager, to administer appropriate discipline to subordinates using a positive progressive discipline process as a corrective measure.

Section 5-5-1 Progressive Discipline

- A. Progressive discipline is an employee disciplinary system that provides a graduated range of responses to employee performance or conduct problems. The Town's discipline system includes a series of increasingly severe disciplinary actions, ranging from a corrective action memorandum to termination. However, this does not mean that every step in the graduated range of disciplinary actions will occur in an ordered sequence in every case.
- B. Progressive discipline is a general guideline for supervisors. The totality of the circumstances will dictate the appropriate level of discipline for each incident. Review of the particular facts and circumstances, such as the severity of the offense and an employee's disciplinary history, whether for the same type of offense or not, may indicate that more severe disciplinary measures, up to and including termination, are appropriate.
- C. All employees are subject to termination when, in the sole opinion of management, an employee's job performance or conduct threatens the well-being of the Town, its employees or its citizens, regardless of whether progressive discipline steps have been administered.

Section 5-5-2 Applicability

- A. The provisions of this policy apply to all regular full- and part-time classified employees who have completed the initial evaluation period as defined in the Marana Town Code and these Personnel Policies and Procedures.
- B. The provisions of this policy do not apply to unclassified employees or other at-will employees, as defined in the Marana Town Code and these Personnel Policies and Procedures. Unclassified employees and other at-will employees shall be held to acceptable standards of employee performance and conduct and may be subject to discipline; however, unclassified employees and other at-will employees do not have the same due process rights as those afforded to regular full- and part-time classified employees by this policy, [Policy 5-6](#) and [Policy 5-8](#).

CHAPTER 5

WORK RULES AND EMPLOYEE DISCIPLINE

Section 5-5-3 Types of Disciplinary Action

- A. **Corrective Action Memorandum:** A written memorandum to the employee documenting the reason for disciplinary action.
1. The corrective action memorandum shall be given to the employee in a private meeting. The supervisor may have an appropriate witness present during this meeting.
 2. The supervisor shall inform the employee that the supervisor is issuing a corrective action memorandum, that the employee is being given an opportunity to correct the issue(s) which led to the action, and that if the issue(s) is/are not corrected, the employee will be subject to more severe disciplinary action.
 3. The original corrective action memorandum shall be signed by the employee and placed in the employee's official personnel file. If the employee refuses to sign acknowledging receipt of the corrective action memorandum, then the supervisor and one other witness shall note on the memorandum that the employee received a copy and refused to sign it. A copy of the correction action memorandum shall be given to the employee and included in the employee's department personnel file.
- B. **Written Reprimand:** A written notice to the employee documenting the reason for the disciplinary action.
1. The written reprimand shall be given to the employee and its contents shall be explained to the employee by the issuing supervisor in a private meeting. The supervisor may have an appropriate witness present during this meeting.
 2. The original written reprimand shall be signed by the employee and placed in the employee's official personnel file. If the employee refuses to sign acknowledging receipt of the written reprimand, then the supervisor and one other witness shall note on the reprimand that the employee received a copy and refused to sign it. A copy of the written reprimand shall be given to the employee and included in the employee's department personnel file.
- C. **Suspension Without Pay:** Involuntary time off with loss of pay. The number of days of suspension will depend on the severity of the infraction, but shall not exceed 30 working days.
- D. **Demotion:** A reassignment to a lower position classification. Demotion is not a substitute for dismissal when dismissal is warranted.
1. Employees who fail to complete an initial evaluation period in a promotional position and who are restored to their former position under the provisions of these Personnel Policies and Procedures are not considered to have been disciplined with a demotion. Therefore, the provisions of this policy do not apply to such action and

CHAPTER 5

WORK RULES AND EMPLOYEE DISCIPLINE

the action is not subject to review under the personnel action review procedures of this chapter.

- E. Reduction in Pay: A reassignment to lower pay within the same position classification. A reduction in pay is considered to be a final behavior correction opportunity.
 - 1. No change in classification occurs as a result of a reduction in pay.
 - 2. Employees who fail to complete an initial evaluation period in a promotional position and who are restored to their former position under the provisions of these Personnel Policies and Procedures are not considered to have been disciplined with a reduction in pay. Therefore, the provisions of this policy do not apply to such action and the action is not subject to review under the personnel action review procedures of this chapter.
 - 3. Assignments, transfers or reassignments, including those to or from lead positions or special positions, are not considered a reduction in pay for purposes of these Personnel Policies and Procedures.
- F. Termination: The involuntary, permanent removal of an employee from employment with the Town. The terms "termination" and "discharge" are sometimes used interchangeably in these Personnel Policies and Procedures. Termination does not include a layoff as defined in these Personnel Policies and Procedures.
 - 1. Employees serving in an initial evaluation period either as a new hire or in a promotional position are at-will employees as defined in these Personnel Policies and Procedures. As such, during the initial evaluation period, employment may be terminated at any time, with or without cause. The decision to terminate employment shall be made by the employee's Department Head and/or General Manager after consultation with and approval by the Human Resources Director. The employee shall be notified in writing that he or she has failed to successfully complete the initial evaluation period. The decision to terminate employment during the initial evaluation period for either a new hire or an employee in a promotional position is not subject to review under the personnel action review procedures set forth in this chapter.

Section 5-5-4 Imposed Leave

- A. A Department Head and/or General Manager may, after consultation with and approval by the Human Resources Director, place an employee on imposed leave with pay to remove an employee from the work site in order to allow the Town to investigate behavior that is suspected of being illegal, that is not in the best interests of the Town or that places other employees or citizens in jeopardy. Imposed leave shall ordinarily not exceed 21 calendar days. The Human Resources Director may authorize an extension or

CHAPTER 5

WORK RULES AND EMPLOYEE DISCIPLINE

extensions when a comprehensive investigation will require more time to reach a conclusion.

- B. If the investigation reveals employee misconduct, disciplinary action commensurate with the nature of the offense shall be taken. Such disciplinary action may include recovery of salary and benefits paid during the imposed leave.
- C. If the investigation reveals no employee misconduct, the employee will be restored to duty and a letter of exoneration will be placed in the employee's official personnel file.

Section 5-5-5 Grounds For Disciplinary Action

Grounds for disciplinary action, up to and including termination, include, but are not limited to, the following:

The purpose of the meeting is to give the employee the opportunity to respond, verbally or in writing, to the written notice of intended disciplinary action.
- B. The employee may have a non-attorney co-worker of the employee's choosing present during the pre-action meeting. The co-worker may not speak on behalf of the employee and may only participate as an observer. The employee shall be permitted reasonable breaks of limited duration during the pre-action meeting to consult with the co-worker or others who are immediately available, telephonically or otherwise.

A Town employee who is listed as a witness by either party and who has been notified in writing of the date, time and location of the hearing and of his or her scheduled testimony, shall appear at the hearing as directed. An employee's intentional and willful failure to appear as directed will result in disciplinary action, up to and including termination.
- B. The supervisor and/or Department Head of a Town employee directed to appear at a hearing as a witness shall allow the employee to attend the hearing as directed. A supervisor or Department Head who intentionally and willfully fails to allow an employee to attend a hearing pursuant to this policy shall be subject to disciplinary action, up to and including termination.
- C. Neither party shall be required to issue a formal subpoena to a Town employee who is listed as a witness. Written notice to the employee is sufficient to require the employee to appear.

Section 5-6-11 Subpoenas

Pursuant to A.R.S. § 12-2212, any member of the PARB may issue subpoenas to compel the attendance of witnesses and/or the production of documentary evidence. If any person fails to appear and/or produce a document in response to a duly issued subpoena, any member of the PARB may, by affidavit setting forth the facts, apply to the Superior Court for relief.

Section 5-6-12 Hearings before the PARB

- A. General Rules
1. The appealing employee shall appear personally before the PARB at the time and place of the hearing, unless the employee is physically unable to do so.
 2. The hearing shall be of sufficient duration to allow adequate time for the matter to be presented.
 3. The appealing employee may be represented by any person or attorney (other than a PARB Member or a Town employee) who is willing to represent the employee and who is not a witness or otherwise involved in the matter.
 4. The Town may also be represented by an attorney or other representative acting on the Town's behalf.

CHAPTER 5

WORK RULES AND EMPLOYEE DISCIPLINE

5. The PARB may be assisted by an attorney who is appointed by the Town Council for that purpose. The PARB attorney will remain the same through individual appeals. The Town and the PARB shall be represented by separate attorneys.
 6. The parties are individually responsible for their own attorney's fees, except that a law enforcement officer, as defined in A.R.S. § 38-1001(4), may request reasonable costs and attorney's fees under the provisions of A.R.S. § 38-1004(C),
 7. Each party may call witnesses who were disclosed to the other party pursuant to this policy and who are believed to be relevant. Each party is responsible for securing the attendance of his or her own witnesses. The Town will make Town employees available for the hearing, if the identity of the Town employee/witness is timely disclosed pursuant to this policy.
 8. In the absence of good cause, no witnesses or documents shall be considered by the PARB that were not disclosed during the pre-hearing exchange of information unless the party offering the evidence can show that the evidence was newly discovered and could not have been timely discovered and disclosed in the exercise of reasonable diligence, that the evidence was promptly disclosed when discovered, and that the evidence is crucial.
 9. The PARB may, at its discretion, exclude certain witnesses or documents even if timely disclosed if it finds such evidence to be irrelevant, cumulative, redundant, or overly inflammatory.
 10. The hearing shall be limited to the specific cause(s) of the disciplinary action giving rise to the appeal.
 11. The Town bears the burden of demonstrating just cause for the disciplinary action by a preponderance of the evidence.
 12. The hearing shall be recorded by audio or video recorder, or by other mechanical or electronic means and/or by a court reporter.
 13. The cost of a copy or copies of any transcription of the hearing, including preparation of the transcript, shall be paid by the party or parties ordering the copy or copies.
 14. The appealing employee may submit a written request to the Human Resources Director to withdraw the appeal at any time prior to the decision by the PARB.
- B. General Conduct of the Hearing
1. The Chairperson shall call the hearing to order, introduce all parties, summarize the issues and relief requested, outline the hearing sequence, and swear in all witnesses.

CHAPTER 5

WORK RULES AND EMPLOYEE DISCIPLINE

2. The hearing shall take place in a public meeting unless a majority of the members constituting a quorum of the PARB publicly vote to hold the hearing in executive session pursuant to A.R.S. § 38-431.03(A)(1).
3. The hearing shall take place in a public meeting if the appealing employee, upon receiving appropriate notice pursuant to A.R.S. § 38-431.03(A)(1) of the potential executive session, demands in writing that the hearing take place in public.
4. If the hearing takes place in a public meeting, the PARB may, upon a public majority vote of the members constituting a quorum of the PARB, hold an executive session at any time for the purposes listed in A.R.S. § 38-431.03(A)(1), (2) and/or (3).
5. The hearing is informal and the technical rules of evidence shall not apply. The Chairperson shall preside over the hearing in such a manner as will best ensure the receipt of reliable evidence and fairness for the parties within the general guidelines of these procedures. The Chairperson shall maintain appropriate decorum throughout the conduct of the hearing. The decisions of the Chairperson on the conduct of the hearing shall be final, unless overruled by a majority of the members constituting a quorum of the PARB.
6. If the hearing is held in a public meeting, the PARB may, and at the request of either party shall, exclude prospective witnesses from the hearing during opening statements and the testimony of other witnesses. If witnesses are excluded from the hearing under this paragraph, the Chairperson shall also direct the witnesses not to communicate with each other until the closing arguments of both parties have concluded.
7. If the hearing is held in executive session, attendance at the hearing is limited to the appealing employee, the responsible Department Head or designee (who may be the supervisor who is directly involved in the matter), each party's attorney or representative, the PARB members, the attorney for the PARB, any Human Resources Department staff needed to assist the PARB with administrative tasks, and each witness during his or her testimony. The Chairperson shall instruct each person present at the executive session that discussions and testimony made at executive session shall be kept confidential.

C. Default Decision

If, after receiving proper notice, the appealing employee or responsible Department Head or designee fails to attend or participate in the hearing within fifteen minutes of the time set for the hearing, the PARB may enter a default against the party failing to appear. The PARB may reconsider a default decision upon a party's submission to the PARB of proof of exigent circumstances within ten calendar days of the default decision.

D. Statements and Questioning of Witnesses

CHAPTER 5

WORK RULES AND EMPLOYEE DISCIPLINE

1. The Town or its representative may make an opening statement.
2. The appealing employee or the employee's representative may then make an opening statement. The employee or representative may reserve his or her opening statement until the close of the Town's evidence.
3. The Town shall present its case first, calling witnesses and presenting its evidence to establish the reasons for the employment action that is the subject of the appeal.
4. The appealing employee or the employee's representative may ask questions of the Town's witnesses after the Town has completed the questioning of each witness.
5. The Town may then ask further questions of the its witness, limited to those areas raised in the appealing employee or representative's questioning of the witness.
6. After the Town's witness testifies and the appealing employee or representative and PARB members have had an opportunity to ask questions, the witness will be dismissed.
7. When all witnesses of the Town have been heard, the appealing employee/representative will present his/her witnesses and evidence in the same format. The Town may ask questions of the employee's witnesses after the appealing employee/representative has completed questioning the witness. The appealing employee/representative may then ask further questions of the witness, limited to those areas raised in the Town's questioning of the witness.
8. Rebuttal witnesses may be permitted to testify as the PARB determines appropriate.
9. PARB members may ask questions of a witness at any time.
10. After all witnesses have been questioned, the Town may make a closing argument. The appealing employee or representative may then make a closing argument. Because the Town has the burden of supporting its decision, the Town may make a second closing argument in rebuttal to the employee's closing argument.
11. Because the Town has the burden of supporting its decision, the appealing employee and/or representative will not be permitted to make a second closing argument.

Section 5-6-13 Submission to the PARB

- A. If the hearing was held in a public meeting, the PARB may, upon a public majority vote of the members constituting a quorum of the PARB, vote to go into executive session pursuant to A.R.S. § 38-431.03(A)(1) for deliberations, unless the appealing employee requests that the deliberations take place in a public meeting. If the appealing employee so requests, any deliberations shall take place in a public meeting. However, the PARB may, upon a public majority vote of the members constituting a quorum of the PARB,

CHAPTER 6

PERFORMANCE MANAGEMENT AND EMPLOYEE DEVELOPMENT

POLICY 6-1 PERFORMANCE MANAGEMENT

The Town's performance management program relies on a system of establishing goals, strategies and performance benchmarks for the organization and then identifying how individual and team efforts contribute to the overall achievement of Town strategic objectives. Each employee is an important part of the Town's overall success in its mission to serve the citizens of Marana. An employee's performance is directly linked to his or her compensation. The Town Manager is responsible for establishing a systematic process for the ongoing evaluation of organizational and employee performance. At a minimum, this system will link to Town-wide goals and strategies, set appropriate expectations, share ongoing and timely feedback, provide opportunities for coaching and distinguish between levels of performance. The Human Resources Director shall be responsible for ensuring implementation of an employee performance management system.

Section 6-1-1 Initial Evaluation Period

The initial evaluation period is a period of time constituting the final step in the screening process for appointment to a regular full- or part-time classified position. Employees shall be evaluated at least once during their initial evaluation period; however, managers and supervisors are encouraged to evaluate employees more often to provide ongoing feedback.

- A. Except for employees in the Police Department as otherwise provided in this section, all full- and part-time employees hired in a classified position, laterally transferred to a classified position in a different classification title or in a different department than the employee was in prior to transfer, or demoted or promoted from one classified position to another shall serve in an initial evaluation period for six months from the date of hire, transfer, demotion or promotion. However, an employee laterally transferred or demoted will not be required to complete an initial evaluation period in the new position if the employee has previously completed an initial evaluation period in the same classification and in the same department, or if the lateral transfer or demotion is due to a Town-initiated reorganization or restructuring.
- B. All full- and part-time employees hired in a classified position in the Police Department, laterally transferred within the Police Department to a classified position in a different classification title than the employee occupied prior to transfer or demoted or promoted from one classified position in the Police Department to another, shall serve in an initial evaluation period for 12 to 16 months from the date of hire, transfer, demotion or promotion as provided in this section, except that a laterally transferred or demoted employee will not be required to complete an initial evaluation in the new position if the employee has previously completed an initial evaluation period in the same classification within the Police Department, or if the lateral transfer or demotion is due to a Town-initiated reorganization or restructuring.

CHAPTER 6

PERFORMANCE MANAGEMENT AND EMPLOYEE DEVELOPMENT

1. Newly hired civilian employees, laterally transferred civilian and Arizona Peace Officer Standards and Training (AZPOST)-certified employees who are required to serve in an initial evaluation period, and promoted civilian and AZPOST-certified employees in classified positions in the Police Department shall serve in an initial evaluation period for 12 months from the date of hire, transfer or promotion. Demoted civilian and AZPOST-certified employees in classified positions in the Police Department who are required to serve in an initial evaluation period shall serve in an initial evaluation period for 12 months from the date of demotion.
 2. Newly hired employees who will begin their employment with the Town by attending a police academy shall serve in an initial evaluation period for 16 months from the date of hire.
- C. Notwithstanding the provisions of this section, an employee who is demoted, promoted or transferred due to a reclassification of a position and who has been performing the duties of the reclassified position for six months or longer prior to the reclassification, will not be required to complete an initial evaluation period in the reclassified position.
- D. Employees who are required to complete an initial evaluation period pursuant to this section will not be considered finally appointed to a full- or part-time classified position until successful completion of the initial evaluation period. Successful completion of the initial evaluation period is evidenced by a satisfactory or higher rating on a performance assessment document which must be completed and reviewed at least one week prior to the date that the employee's initial evaluation period is scheduled to conclude. Notwithstanding the one-week time frame discussed in this paragraph, managers and supervisors shall review and discuss performance deficiencies with employees as soon as possible to allow the employee the opportunity to correct the deficiencies prior to the completion of the initial evaluation period. Employees serving in an initial evaluation period of 16 months shall be evaluated at least two times during the initial evaluation period, once at 12 months and once at the scheduled conclusion of the initial evaluation period. The Human Resources Department is responsible for maintaining records of employee appointments and promotions and the duration of initial evaluation periods. Department heads or the chain of authority above the level of Department Head, where applicable, are responsible for ensuring that training, informal feedback about performance, and formal performance assessments are completed in a timely manner during the initial evaluation period.
- E. Employees serving in an initial evaluation period are at-will employees as defined in these Personnel Policies and Procedures. As such, during the initial evaluation period, employment may be terminated at any time, with or without cause. The decision to terminate employment shall be made by the employee's Department Head or the chain of authority above the level of Department Head, where applicable, after consultation with and approval by the Human Resources Director. The employee must be notified in

CHAPTER 6

PERFORMANCE MANAGEMENT AND EMPLOYEE DEVELOPMENT

writing that he or she has failed to successfully complete the initial evaluation period prior to the conclusion of the initial evaluation period. If the employee is not notified of unsuccessful completion prior to the conclusion of the initial evaluation period, the employee will be considered to have successfully completed the initial evaluation period. The decision to terminate employment during the initial evaluation period is not subject to appeal under the personnel action review procedures set forth in [Chapter 5](#) of these Personnel Policies and Procedures

- F. Notwithstanding that an employee serving an initial evaluation period as a lateral transfer or due to a promotion is an at-will employee, the employee who does not successfully complete the initial evaluation period in a transfer or promotion may be restored to his or her former position. Such restoration is not mandatory, but is optional at the discretion of the Town and within the limits of available authorized positions. If an employee is restored to his or her former position, restoration shall include restoration of the employee's former pay and all other benefits to which he or she would have been entitled if the transfer or promotion had not occurred, except that any compensatory time that was paid out to an employee who transferred or promoted into an exempt position will not be restored if the employee returns to a non-exempt position.

Section 6-1-2 Extension of the Initial Evaluation Period

The Town may extend an employee's initial evaluation period if it is determined that more time is necessary to evaluate the performance of the employee. All extensions of the initial evaluation period shall be approved by the Department Head or the chain of authority above the level of Department Head, where applicable, and the Human Resources Department. The employee shall receive a written notice of the extension no later than the last day of the initial evaluation period. If the employee is unavailable to receive such a notice in person, the Town shall send a letter to the last known address of the employee on file with the Human Resources Department. In either case, the date of the letter shall be deemed the effective date of the notice. A copy of the notice of extension will be forwarded to the Human Resources Department for inclusion in the employee's personnel file. Under no circumstances may the total time for the initial evaluation period exceed 24 months. The initial evaluation period may be extended under, but not limited to, the following circumstances.

- A. The employee has had a leave of absence during the initial evaluation period that exceeds 15 calendar days.

CHAPTER 6

PERFORMANCE MANAGEMENT AND EMPLOYEE DEVELOPMENT

- D. If an employee disagrees with his or her annual performance assessment document, the employee may request a meeting to discuss the assessment with the Department Head within three working days of the employee's receipt of the performance assessment document. If the Department Head prepared the employee's performance assessment document, the employee may request a meeting with the appropriate person in the chain of authority above the level of Department Head within the three-day time period. After the meeting, if the employee continues to disagree with the performance assessment document, the employee may submit a written rebuttal which will be filed in the employee's personnel file in the Human Resources Department. Performance assessments are not subject to appeal under the personnel action review procedures set forth in Chapter 5 of these Personnel Policies and Procedures.
- E. The final employee performance evaluation and the employee's written rebuttal, if any, shall become a permanent part of the employee's official personnel file and will remain filed for the length of time required by law.

POLICY 7-5 DRUG- AND ALCOHOL-FREE WORKPLACE

It is the policy of the Town of Marana that its employees be free of substance and alcohol abuse. Consequently, the use of illegal drugs by employees is prohibited. Further, employees shall not use alcohol during work hours or engage in "prohibited conduct" as defined in this policy. The overall goals of this policy are to ensure a drug-free and alcohol-free work environment and to reduce accidents, injuries and fatalities.

Section 7-5-1 Consequences of Prohibited Conduct

 - 1. Is not legally obtainable;
 - 2. May be legally obtainable but has not been legally obtained; or
 - 3. Is being used in a manner or for a purpose other than as prescribed.
- B. Alcohol Abuse includes possessing, using, purchasing, distributing, or selling alcoholic beverages at any time during the hours between the beginning and ending of the

CHAPTER 7

SAFETY AND HEALTH

employee's work day, or reporting to work or working while impaired by alcohol in any way.

- C. Failure to Participate in the Town's drug and alcohol testing policy includes:
1. Failure to submit to drug or alcohol testing;
 2. Failure to report immediately for drug or alcohol testing when requested to do so;
 3. Refusal to sign all appropriate consent forms; or

For example, an employee should tell their supervisor if they are using any legal drug that warns about drowsiness or cautions against operating heavy machinery after use.
- B. "Legal drugs" as used in this policy include prescribed and over-the-counter drugs or medications that have been legally obtained and are being used only for the purpose for which they were prescribed or manufactured.
- C. Anyone who fails to notify his or her supervisor about his use of legal drugs will be subject to disciplinary action up to and including discharge, even for a first offense.

Section 7-5-4 Types of Tests

The Town has implemented four circumstances for drug and alcohol testing.

A. Pre-Employment Testing

Candidates selected for employee positions must normally submit to a drug test. Any potential hire who tests positive for drug use will be ineligible for employment with the Town.

B. Post-Accident Testing for Commercial Driver's License Holders

1. Any employee who is required to hold a commercial driver's license (CDL) for the position held by the employee is subject to drug and alcohol testing any time he or she is involved in an accident where:
 - a. A fatality is involved;
 - b. The driver receives a citation for a moving violation arising from an accident where anyone involved requires immediate treatment for an injury away from the accident scene; or

CHAPTER 7

SAFETY AND HEALTH

- c. Any vehicle involved incurs “disabling damage” (for example, must be towed away).

Following any accident, the CDL holder must notify the Town as soon as possible.

2. Any time a post-accident drug or alcohol test is required, it must be performed as soon as possible following the accident. If no alcohol test can be made within 8 hours, attempts to perform an alcohol test shall cease. If no urine collection can be obtained for purposes of post-accident drug testing within 32 hours, attempts to make such collection shall cease.
3. In the event that federal, state or local officials conduct tests for the use of alcohol or controlled substances following an accident, these tests may meet the requirements of this policy, provided the tests conform to applicable federal, state or local requirements. The Town may request or require testing documentation from such agencies and may ask or require the employee to sign a release allowing the Town to obtain such test results.
4. In the event a driver is so seriously injured that he or she cannot provide a sample of urine, blood, breath or saliva at the time of the accident, the driver must provide necessary authorization for the Town to obtain hospital records or other documents that would indicate the presence of controlled substances or alcohol in the driver’s system at the time of the accident.

C. Random Testing for Safety-Sensitive Employees

1. Any employee who holds a safety-sensitive position shall be subject to random drug and alcohol testing. The Town or its agents will submit all safety-sensitive employees’ names to a random selection system. The random selection system provides an equal chance for each employee to be selected each time random selection occurs. Random selections will be reasonably spread throughout the year.
 - a. To meet DOT requirements, the Town will test the average number of employee positions requiring a CDL in each calendar year at a rate established by the Department of Transportation (DOT) for the given year.
2. Random selection, by its very nature, may result in employees being selected in successive selection or more than once a calendar year. Alternatively, some employees may not be selected in a calendar year.
3. If an employee is selected at random for either drug or alcohol testing, a Town supervisor will notify the employee. Once notified, every action the employee takes must lead to a collection. If the employee engages in conduct that does not lead to a collection as soon as possible after notification, such conduct may be considered a refusal to test.

CHAPTER 7

SAFETY AND HEALTH

D. Reasonable Suspicion Testing

The Town will require an employee to submit to alcohol and/or drug testing when there is reasonable suspicion to believe that the employee is engaged in illegal drug use or alcohol abuse.

1. For purposes of this policy, “reasonable suspicion” will be based on specific observations concerning the appearance, behavior, speech or body odors of an employee, including, without limitation, slurred speech, red eyes, dilated pupils, incoherence, unsteadiness, unexplained carelessness or accidents, erratic behavior, inability to perform the job and other unexplained behavioral changes.
2. These observations will be made by a supervisor, a police officer or other Town official who has been trained to recognize signs of alcohol and/or drug use.

Section 7-5-5 Authorization for Previous Test Records of CDL Holders

As a condition of employment, any employee who is required to hold a commercial driver’s license (CDL) for the position shall sign a release authorizing the Town to obtain drug and alcohol testing records from the employee’s previous employers for the previous two years. The Town will verify that no prior employer of the employee has records indicating a violation of any DOT rule pertaining to controlled substance or alcohol use within the previous two years.

Section 7-5-6 Drug Testing

Drug testing will be performed through urinalysis or blood testing. Urinalysis or blood testing will test for the presence of drugs and/or metabolites of the following controlled substances: marijuana, cocaine, opiates, amphetamines, phenacyclidine (PCP) and all other controlled substances.

A. Laboratory Testing

The procedure starts with the collection of a urine or blood specimen.

1. Specimens will be submitted to a Substance Abuse Mental Health Services Administration (SAMHSA) -certified laboratory for testing.
2. As part of the collection process, the specimen provided will be split into two vials; a primary vial and a secondary vial.
3. The SAMHSA-certified laboratory will perform initial screening on all primary vials.
4. In the event that the primary specimen tests positive, a confirmation test of that the primary specimen will be performed prior to the laboratory reporting the results to the Town.

CHAPTER 7

SAFETY AND HEALTH

B. Laboratory Results

All laboratory results will be reported by the laboratory to the Human Resources Director for the Town. At the Human Resources Director's sole discretion, a determination will be made as to whether a result is positive or negative.

1. Negative test results will be reported to the Town Manager.
2. Before reporting a positive test result to the Town Manager, the Human Resources Director will attempt to contact the employee to discuss the test results. If the Human Resources Director is unable to contact the employee directly, the Human Resources Director will notify the Town Manager, who shall contact the employee and direct the employee to contact the Human Resources Director. Upon being so directed, the employee shall contact the Human Resources Director immediately. If the employee fails to contact the Human Resources Director within 5 days after notification, the Human Resources Director may verify the test as positive.
3. After any positive verification, the employee may petition the Human Resources Director to reopen the case for reconsideration.

C. Confidentiality

Individual test results for employees will be released to the Town and will be kept strictly confidential unless consent for the release of the test results has been obtained from the employee.

D. Request for Results and Re-Test

1. Any individual who has submitted to drug testing in compliance with this policy is entitled to receive the results of the drug testing upon timely written request.
2. An individual who tests positive may make a request of the Human Resources Director to have the secondary vial tested. The request for testing of a secondary specimen is timely if it is made to the Human Resources Director within 72 hours of the individual being notified by the Town of a positive test result.
3. The secondary vial must be tested by a different SAMHSA-certified laboratory than tested the primary specimen.
4. The individual making the request for a test of the second specimen must pre-pay all costs associated with the test.

Section 7-5-7 Alcohol Testing

- A. The Town will perform alcohol testing using a device that is on the National Highway Traffic Safety Administration's (NHTSA) Conforming Products List (CPL) and meets the DOT's testing requirements. This may be a breath testing device, a saliva-testing device

CHAPTER 7

or any other approved device and may be provided through a trained supervisor or the Marana Police Department.

1. The device will be operated by a technician who is certified and trained on the specific device he or she will be operating.
 2. The employee shall report to the alcohol testing site as notified by the Town. The employee shall follow all instructions given by the alcohol technician.
- B. Any initial test indicating a Blood Alcohol Concentration (BAC) of .02 or greater will be confirmed on a breath testing device. The confirmation test will be performed no sooner than 15 minutes and no later than 30 minutes following the completion of the initial test.
1. In the event the confirmation test indicates a BAC of .02 to .0399, the employee shall be removed from duty for 24 hours or until his/her next scheduled on-duty time, whichever is longer.
 2. Employees with tests indicating a BAC of .04 or greater are considered to have engaged in prohibited conduct, which may result in disciplinary action up to and including termination, even for a first offense.
- C. All alcohol tests shall be performed just prior to, during or just after duty.

Section 7-5-8 Substance Abuse Evaluation, Return-to-Duty, and Follow-Up Testing

- A. Any employee who engages in prohibited conduct shall be provided with the names, addresses and telephone numbers of qualified Substance Abuse Professionals (SAPs). If the employee desires to become requalified for employment with the Town, the employee must be evaluated by a SAP and submit to any treatment the SAP prescribes.
- B. Following evaluation and treatment, if any, in order to become requalified for employment with the Town, an employee must submit to and successfully complete a return-to-duty drug and/or alcohol test.
- C. The employee is also subject to follow-up testing. Follow-up testing is separate from and in addition to the Town's reasonable suspicion, post-accident and random testing procedures. The schedule for follow-up testing shall be unannounced and in accordance with the instructions of the SAP. Follow-up testing may continue for a period of up to 60 months following the employee's return to duty. No fewer than 6 tests shall be performed in the first 12 months of follow-up testing.
- D. The costs of any SAP evaluation of prescribed treatment shall be borne by the employee. The Town does not guarantee or promise a position to the employee should he/she regain qualified status.

CHAPTER 7

SAFETY AND HEALTH

Section 7-5-9 Discipline and Appeals

- A. The disciplinary procedures included in this policy are subject to the notice provisions of the Discipline System Policy and appeal provisions included in the Problem Resolution Policy.
- B. The disciplinary guidelines contained in this policy supersede the progressive discipline policies of the Discipline System Policy.

Section 7-5-10 Contractors and Visitors

Contractors and their employees or representatives and visitors will be notified that the Town of Marana prohibits the use, possession, sale or distribution of drugs or alcohol on its property or at its work sites. Any person who is reasonably suspected to have drugs in his or her system or to be impaired by alcohol while on Town of Marana property or work site is in violation of this policy. Contractors and their employees or representatives and visitors violating this policy will be refused entry onto Town property or Town work sites. In addition, appropriate legal entities may be contacted as required and appropriate.

Section 7-5-11 Not a Contract

This policy **is not** intended nor should it be construed as a contract between the Town and the employee. This policy may be changed at any time at the sole discretion of the Town Council.

CHAPTER 8

TERMINATION OF EMPLOYMENT

POLICY 8-1 EMPLOYMENT END

Employment with the Town of Marana may be ended voluntarily or involuntarily.

Section 8-1-1 Service Retirement

Service retirement is voluntary termination after the employee has satisfied the employment requirements of the applicable retirement system.

Section 8-1-2 Disability Retirement

Disability retirement is voluntary termination necessitated by an injury or illness that renders the employee incapable of performing the essential tasks of his or her usual job. The termination is preceded by a letter from the employee to his or her supervisor advising of the disability ruling, date of termination, supporting documentation, and a ruling by the appropriate agency verifying the disability and approving the retirement.

Section 8-1-3 Resignation

Resignation is voluntary termination for any reason other than formal retirement. It is customary and expected that an employee will provide a written resignation to his or her immediate supervisor at least 14 calendar days prior to the effective date of resignation. During this 14-day period, the employee will be expected to perform the normal functions of his or her job and to be available to assist in the training of a replacement or in the transition of job duties to another employee. Employees may request to use vacation or personal leave during this 14-day period; however, the supervisor may deny a request on the grounds that the granting of leave will impede the operational needs of the department. Employees may use sick leave during this 14-day period in accordance with the Town's sick leave policies and procedures.

Section 8-1-4 Termination During Initial Evaluation Period

During the initial evaluation period, an employee may be terminated at any time, with or without cause. The Department Head shall make the decision to terminate with the approval of the General Manager, where applicable, and after consultation with and approval by the Human Resources Director.

Section 8-1-5 Termination

Termination is the involuntary, permanent removal of an employee from employment with the Town. The terms "termination" and "discharge" are sometimes used interchangeably in these Personnel Policies and Procedures.

CHAPTER 8

TERMINATION OF EMPLOYMENT

Section 8-1-6 Layoff and Recall

A. Definitions

1. A layoff is a reduction in the Town's work force due to a shortage of work or funds or a material change in duties or organization. Layoffs shall not be used in lieu of discipline.
2. For purposes of this section, seniority shall be defined as an employee's total length of continuous service with the Town as a probationary/regular employee. If there is a tie in seniority, seniority shall then be determined by the date of the employees' entry into the job classification occupied. If there is still a tie, seniority shall then be determined by comparing the first letters of the employees' last names or, if the employees' last names start with the same letter, by comparing the first letters of the employees' first names. In the first fiscal year in which this tiebreaker is applied, letters appearing earlier in the alphabet (i.e., A - Z) shall confer more seniority on an employee. In the next fiscal year in which this tiebreaker is applied, letters appearing later in the alphabet (i.e., Z - A) shall confer more seniority on an employee. Thereafter, the Town will continue applying this alternating pattern whenever this tiebreaker is applied.

B. Applicability

1. The provisions of this section apply to all regular full- and part-time classified employees who have completed the initial evaluation period as defined in the Marana Town Code and these Personnel Policies and Procedures.
2. The provisions of this section do not apply to unclassified employees, probationary employees or other at-will employees, as defined in the Marana Town Code and these Personnel Policies and Procedures. However, unclassified employees, probationary employees and other at-will employees may be subject to job elimination or termination due to a shortage of work or funds or a material change in duties or organization.

C. Bumping

1. The bumping provisions described in this section shall only apply to Arizona Peace Officer Standards and Training (AZPOST)-certified employees serving in the Police Department and Police Department employees attending a police academy.
2. Any regular AZPOST-certified Police Department employee who is identified for layoff in accordance with this section may be permitted to "bump", that is, assume a position in the next lower classification within the department, provided that:
 - a. The employee has more seniority than at least one employee in the lower classification; and

CHAPTER 8

TERMINATION OF EMPLOYMENT

- b. The employee has successfully completed an initial evaluation period in the lower classification in the department; and
 - c. The employee meets the minimum qualifications of the position and can perform the essential functions of the position.
3. If another lower classification exists within the department, the employee who is bumped from a position may be permitted to bump into or assume a position in the next lower classification within the department, provided that the employee meets the qualifications set forth in subparagraph [2 above](#),

D. Layoff Plans

1. Layoffs shall be accomplished on a department basis in accordance with a layoff plan prepared by the Department Head and approved by the General Manager, where applicable, the Town Manager's Office, the Human Resources Department and the Legal Department.
2. The layoff plan shall include the reason for the layoff, a list of each position subject to layoff by classification and a list of the employees holding the positions within the specified classification(s). The layoff plan shall also include a description of any bumping rights applicable to any of the employees included in the layoff plan.
3. Regular full- and part-time classified employees in grant-funded positions shall not be subject to layoff.
4. In any approved layoff plan, all vacant positions in the specified classification(s) within the department shall first be eliminated. Next, all temporary and/or probationary employees occupying the specified classification(s) within the department shall be terminated prior to the layoff of any regular employees in the specified classification(s) within the department. Regular employees within the specified classification(s) within the department shall then be laid off in inverse order of seniority.
5. Employees who have the option of exercising bumping rights shall be given notice of the layoff plan and of their right to bump into the next lower classification within the department. The notice shall inform the employee of the employee's opportunity to request a meeting with the Chief of Police in order to respond to the seniority calculation that is the basis for the bumping rights. Within 30 calendar days of receipt of this notice, the employee shall inform the Town in writing whether he or she will exercise those bumping rights. Upon receipt of the employee's written notification, the layoff plan will be finalized and implemented in accordance with this section.

E. Notice of Proposed Layoff

CHAPTER 8

TERMINATION OF EMPLOYMENT

1. After finalization of the layoff plan, the Department Head shall issue a notice of proposed layoff to each employee who will be laid off. The notice shall inform the employee of the employee's opportunity to present a written response to the proposed layoff and to attend a pre-layoff review meeting with the Department Head at a scheduled date, time and location.
2. The notice of proposed layoff shall be issued to each affected employee at least seven calendar days prior to the pre-layoff review meeting.

F. Pre-Layoff Review Meeting

1. The pre-layoff review meeting shall take place at least 14 calendar days prior to the proposed effective date of the layoff.
2. The pre-layoff review meeting shall not be an adversarial hearing. The purpose of the meeting is to give the employee the opportunity to respond, verbally or in writing, to the written notice of proposed layoff.
3. The employee may have a non-attorney co-worker of the employee's choosing present during the pre-layoff meeting. The co-worker may not speak on behalf of the employee and may only participate as an observer.
4. Any relevant information presented by the employee during the pre-layoff review meeting regarding the proposed layoff shall be considered by the Department Head.
5. Failure by the employee either to attend the pre-layoff review meeting or to timely submit a written response to the notice of proposed layoff shall be deemed a waiver of the employee's right to do so and the proposed layoff shall be implemented as specified in the layoff plan.

G. Notice of Layoff

1. After the pre-layoff review meeting, the Department Head shall advise the employee in writing of the decision regarding the proposed layoff. The decision shall be approved by the General Manager, where applicable, the Town Manager's Office, the Human Resources Department and the Legal Department. This notice of layoff shall be issued as soon as possible and at least 14 calendar days prior to the effective date of any layoff.
2. The original notice of layoff shall be submitted to the Human Resources Department and a copy shall be provided to the employee.

H. Personnel Action Review Board (PARB) Review

1. Employees who are laid off pursuant to the provisions of this section may request to have the layoff decision reviewed by the Town's Personnel Action Review Board (PARB).

CHAPTER 8

TERMINATION OF EMPLOYMENT

2. To request PARB review, eligible employees must submit a written request for review, on a form provided by the Human Resources Department, to the Human Resources Director within ten calendar days after the effective date of the layoff.
 3. Within ten calendar days of receipt of the employee's request for review, the Human Resources Director shall submit the request for review to the PARB.
 4. Upon receipt of the employee's request for review, the PARB, or the Human Resources Director in conjunction with the PARB Chairperson, shall set a date for a review hearing. The hearing should take place within 30 calendar days of the PARB's receipt of the request for review, unless the time is extended by the PARB, or unless the PARB is unable to hold the hearing within that time, or for other good cause.
 5. The review by the PARB shall be only to ascertain whether the Town has complied with the provisions of these Personnel Policies and Procedures relating to layoffs. The PARB has no authority to and shall not review whether the shortage of work or funds or the material change in duties or organization justified the layoff or whether alternative means may have been available to the Town. In all other respects, the hearing shall proceed in the manner set forth in [Policy 5-6](#) of these Personnel Policies and Procedures or as otherwise determined by the PARB.
 6. Upon conclusion of the review hearing, the PARB shall render a written decision which shall contain findings as to whether the provisions of these Personnel Policies and Procedures relating to layoffs have been complied with. The decision of the PARB shall be final and is not appealable within any Town process.
 7. Failure by the employee to file a written request for review within ten calendar days after the effective date of the layoff, unless explained to the satisfaction of the PARB, shall operate as a bar to further recourse by the employee.
- I. Pre-Layoff Transfer
1. Layoff decisions shall be coordinated among Town departments to provide possible transfer of employees to positions in other departments for which the employees qualify.
 2. An employee subject to a pre-layoff transfer retains all accrued sick and vacation leave and compensatory time.
 3. The employee shall serve an initial evaluation period in the classification the employee transfers into unless the employee has previously completed an initial evaluation period in that classification and in that department.
- J. Recall

CHAPTER 8

TERMINATION OF EMPLOYMENT

1. An employee who has been laid off pursuant to the provisions of this section shall be recalled within one year of the layoff if the employee's previously-held job is reopened or if a similar job for which the laid off employee is qualified becomes available. The Town is not required to follow the competitive hiring process to recall a laid off employee.
2. An employee subject to a pre-layoff transfer is subject to recall in the same manner as an employee who is laid off.

K. Coordination with the Worker Recession Assignment Program (WRAP)

If any of the provisions of this section conflict with the provisions of the Town's Worker Recession Assignment Program (WRAP), the provisions of the WRAP shall govern for those employees who are serving in a WRAP assignment under the provisions of that program.

POLICY 8-2 EXIT PROCESS

The Human Resources Department is responsible for coordinating the exit process with the Department Head, the chain of authority above the level of Department Head and the Finance Department.

Section 8-2-1 Exit Clearance

The employee's Department Head shall ensure that all Town-issued equipment, materials and supplies, including, but not limited to keys, identification cards, Town credit cards and uniforms have been returned as part of the employee's final exit clearance.

Section 8-2-2 Exit Interview

Regular full- and part-time employees will normally participate in an exit interview scheduled prior to the last day of employment. Documented comments gathered from the exit interview shall be maintained separately from the employee's personnel file. Temporary employees do not ordinarily participate in an exit interview unless they volunteer to complete the interview.

Section 8-2-3 Final Pay Check

- A. The Finance Department shall be notified of the employee's separation date through a Personnel Action Form. Employees shall receive pay for work performed through the last hour worked and for unused benefits as stipulated by Town policy and laws governing final payments.

CHAPTER 8

TERMINATION OF EMPLOYMENT

1. Terminated employees must be issued their final pay check within seven working days of the effective date of the termination or at the end of the next regular pay period, whichever is sooner.
 2. Employees who leave the employment of the Town by means other than termination will be paid at the close of the next regular pay period.
 3. Costs of unreturned Town property will be deducted from the final paycheck.
 4. The Town will not distribute the final pay check to the employee via direct deposit. The employee may either pick up the final pay check or request that it be mailed to the employee. The employee's selection shall be indicated on the final exit clearance form.
- B. It is the responsibility of the Department Head to ensure that the employee has completed final clearance and that all items, including the Personnel Action Form, the exit clearance checklist and the final time sheet/attendance record, have been properly completed and forwarded to the Human Resources Department and the Finance Department within the required time frames for issuance of the final pay check.

Section 8-2-4 Continuation of Benefits

- A. The continuation of benefits is subject to the provisions of each benefit plan and coverage may vary.
- B. Employees eligible to continue health benefits through COBRA and HIPAA will receive notification within the time limits determined by law.

Section 8-2-5 Final Work Day

Employees are expected to be present and to work on their final work day to facilitate the exit clearance process. Requests to use vacation or personal leave will be considered as described in [Section 8-1-3](#) of these Personnel Policies and Procedures. Employees may use sick leave in accordance with the Town's sick leave policies and procedures

POLICY 8-3 VERIFICATION OF PREVIOUS TOWN EMPLOYMENT

All requests for verification of employment or wages of former employees, whether written or oral, must be forwarded to the Human Resources Department for processing. The Human Resources Department will provide information regarding a former employee's dates of employment, job classification(s), rate(s) of pay, department(s) worked in and eligibility for rehire in response to standard requests for employment verification. If the requestor submits a written authorization for release of information signed by the former employee, the Town may provide additional information in conformance with the written release.

CHAPTER 8

TERMINATION OF EMPLOYMENT

POLICY 8-4 RE-EMPLOYMENT

Section 8-4-1 Eligibility

Regular employees who resign from Town service may be considered for re-employment to a classification in which the employee had previously completed an initial evaluation period without going through a competitive recruitment process, if the employee returns within six months of resignation and if the re-employment is approved by the Department Head and the chain of authority above the level of Department Head. The former employee must notify the Human Resources Department of his or her desire to be re-employed. However, re-employment is not guaranteed. Former employees may also apply for posted openings through the regular competitive recruitment process.

Section 8-4-2 Initial Evaluation Period

- A. Re-employed employees who return to Town employment within six months of their resignation are not required to complete an initial evaluation period if they had previously completed the initial evaluation period in the same classification and in the same department prior to resignation.
- B. Re-employed employees who return to Town employment more than six months after their resignation must serve the initial evaluation period required by the position, regardless of whether the employee previously completed the initial evaluation period in the same classification and the same department prior to resignation.
- C. All re-employed employees must serve an initial evaluation period for any subsequent demotions, transfers or promotions, regardless of whether the employee previously completed the initial evaluation period in the same classification and the same department prior to resignation.

Section 8-4-3 Compensation and Benefits

- A. An employee re-employed in his or her former position or in another position will be subject to the compensation policies and practices for new hires regardless of the employee's previous compensation at the time of separation.
- B. Future performance pay increases for a re-employed employee will be in accordance with the performance management policies and procedures set forth in [Chapter 6](#) of these Personnel Policies and Procedures.
- C. An employee re-employed in his or her former position or another position within six months after the employee's resignation will accrue vacation leave at the same accrual rate as the employee accrued at the time of the employee's resignation. In addition, the employee's previous Town service time will be credited toward the employee's length of

CHAPTER 8

TERMINATION OF EMPLOYMENT

service for purposes of vacation leave accrual. However, the time between resignation and re-employment will not be credited toward the length of service for this purpose. The employee will not be required to serve the waiting period described in [Section 4-1-5](#) of these Personnel Policies and Procedures before using vacation.

- D. An employee re-employed in his or her former position or another position within six months after the employee's resignation shall have his or her previous accumulated sick leave balance restored.
- E. Depending upon the provider and the plan, separation and re-employment may be considered a break in service for purposes of insurance benefits and the employee may be required to serve the required waiting period before receiving insurance benefits.

Section 8-4-4 Personnel File

A former employee's personnel file will be re-activated upon re-employment with the Town, if the personnel file has not been disposed of in accordance with the Town's records retention schedule.

Section 8-4-5 Military Service

An employee who resigns from Town service to enter active duty in the armed forces, voluntarily or involuntarily, will be subject to the provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) and any applicable Arizona law.

Section 8-4-6 PSPRS

Police employees who retire under the Public Safety Personnel Retirement System (PSPRS) are subject to the re-employment provisions of PSPRS. If any of the provisions of this policy conflict with the re-employment provisions of PSPRS, the provisions of PSPRS shall govern for those employees covered by PSPRS.

Section 8-4-7 Re-Employment and Seniority

Separation and re-employment is not considered continuous service when determining seniority for layoff purposes.
