COALITION AGAINST RETAIL THEFT

Various law enforcement, retailers, and prosecutors came together to form the Coalition Against Retail Theft (CART). CART has worked tirelessly to create the *We Watch. We Prosecute. Campaign* to educate retailers, consumers and perpetrators about our community's intolerance for organized retail theft.

The Marana Police Department recognizes the importance of business participation in combatting retail theft. Supported by the Marana Chamber of Commerce, we held our first CART workshop on March 1, 2017. We want to keep encouraging all Marana retailers to come out and be a member of CART, which is a collaborative effort to increase cooperation between retailers, law enforcement and prosecutors to:

- Raise awareness of the retail theft problem
- Increase the tools retailers have to identify and help prosecute organized retail thieves
- Change state law to enable local prosecutors to convert more misdemeanors into felonies to get organized retail thieves off the street.

Attendance at the workshop will certify the participant as an official member of CART.
