

Search Committee Update

Our Survey is ready! The search committee wants to hear from all parishioners at St Peter's Cathedral.

As you remember from a couple of weeks ago, the search committee planned to develop and execute a parish survey to hear the voices of all our parishioners. The goal of this survey is to get a sense of basic demographic of St Peters Cathedral, as well as gather psychographic and philosophical information that will inform what kind of Dean we want, as well as offer the future incoming Dean a picture of who we are and what our needs, challenges and opportunities are.

We are distributing the survey FOUR ways:

1. Surveys will be available to pick up at the back of the church today.
2. We are mailing a paper survey to all parishioners (watch your USPS mailbox).
3. We are emailing a link to take the survey electronically (watch your inbox).
4. You may download the paper survey from the Parish website.

We encourage you all to please fill out the survey **ELECTRONICALLY** (link will be on the paper survey). If the internet doesn't work for you - we will also accept filled out paper surveys – please return them to the church office.

DEADLINE for completing the survey is Sunday March 19th.

The search committee will be hosting 3 focus meetings where your voice can also be heard. Please join us if you have additional information, ideas and comments for us.

- Sunday March 12 between 8 and 10:15 services
- Thursday March 16 after Lenten Luncheon @1pm
- Sunday March 19 between 8 and 10:15 services

We look forward to hearing from you all.

Our email address is stpeterscathedalsearch@gmail.com. Any communication to this address will go to all the members of the committee. In addition, feel free to reach out to any of us personally.

In Christ's name,
